**Subject:** Intuit, 5th Floor Signature Needed

The Intuit Agreement is being reviewed internally by Kirby, by Jaye for the AG's office. I believe Sarah is in the review loop (or will be shortly). We expect to send a counter shortly, but no major issues. Outside chance it will be signed today, definitely Tuesday if we miss COB.

Question: Intuit would like someone from Gov's office to be on signature. Once the ink is dry on my signature, who would like the honors over there. Sarah, should you/could you/are you around today. Anyone, Anyone.

Thanks!

Mary
