Hi Alexander,

We strongly support continuing to allow states to go further and not be preempted in TSCA reform. Our congressional delegation is on same page.

I'm out of the office tomorrow but back Friday. If you need to talk tomorrow I can put you in touch with appropriate staff in our office, or if ok to wait till Friday I'd be happy to talk then. I have open windows between 8:30-9:30am and 11:30-1 on Friday.

Thanks  
Darren

I'm working on TSCA from Cuomo office. We have some serious preemption concerns. Chem companies are running the show. I think if we could try to get a preemption floor it would make progressive states gov's behind this. May need to get Bernie behind it.

Can we talk tomr?

ALEXANDER
