

## **GUIDING PRINCIPLES HOUSE HUMAN SERVICES COMMITTEE**

**The Rules governing the House of Representatives charge the House Human Services Committee to consider matters relating to human services, public health, and social and economic security. In doing so, we are guided by the following:**

- Promoting public health for all Vermonters.
- Ensuring that vulnerable Vermonters are safe and protected.
- Ensuring structures are in place to assist Vermonters to move out of poverty.
- Ensuring that issues are addressed through affordable and effective services and supports.
- Ensuring that all Vermonters have equitable access to services and supports that enable them to attain their highest levels of independence, participate in the community and realize their potential.
