Hello Sara and Rosemary;

Don't know why your first email bounced back but sorry about it. It is probably the numerous security gates we have.

Thanks for the information on the declaration of emergency. I thought I heard on the news that the GOV did declare an emergency so he could call out the NG - but may have heard incorrectly.

Give me a call if you have any questions.

Ellen

Hi Sarah;

I know you are busy but could you send me the declaration for the state of emergency. Also, did the GOV sign the order to call up the NG? If so, can I get a copy?

Thanks!
