Hey! Sorry for the delay. Our Chief needs to circle back with your chief and once that happens I will probably be your point - but she wanted to have another convo with him.

Hope that helps!

Jamie

Hi Jamie,

Great meeting you in Paris! My boss mentioned he spoke to Nancy McFadden in your office about Vermont divesting from coal and the idea of Gov. Brown and Gov. Shumlin working together to ask other govs to do the same. Would you be the right person to reach out to on that? If so, would love to have a conversation with you or whoever is working on this.

Thanks for your help!

Laura
