Press in Vermont and elsewhere is reporting an IBM plant announcement for early tomorrow morning. Wanted you to know that we are aware. We are holding a Governor press conference at 9:30 in Burlington at the Lake Champlain Chamber. Will send statement and release in the a.m. Several reporters have been reaching out for information; we are not getting ahead of the companies, as you can imagine. Please contact Sue Allen if you do get inquiries. She is set to handle. Thanks very much! Liz
