Dear Honey Donegan:

Thank you for taking the time to contact my office. I appreciate you sharing your views on the 1099 tax form mistake.

I share your concerns on _____. We must ensure that all Vermonters are able to file their income taxes in a timely manner.

As the Lt. Governor does not have a direct role in the legislative process/_____, I have passed your concern's on to _____(committee chairs/elected rep's/agency/ect.)_____.

Thank you again for sharing your views on the proposed solution for the 1099 mistake. I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again. I look forward to seeing you in your community soon.

Wishing you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,

Molly R. Gray

How wonderful to write to a woman in charge!

RE: Common Sense of just sending out correct Vt Dept of Labor 1099 ASAP. Mark it as "CORRECT INFORMATION" or something indicating it is the correct form to use. I'm not upset that a mistake was made, but the "fix" is illogical. Delaying tax filing does not benefit our State or ourselves. Expecting each person will mail things back/forth is too optimistic.

Since I could not locate an email address to the DoL, I hope you can help. It would be so nice if one of your first great decisions is to help the DoL and Vermonters by moving this along. Thank you.
