Dear Kathryn:

I appreciate you taking the time to contact my office. Thank you so much for sharing your story with me. I hear your concerns regarding the vaccination of our most vulnerable children in Vermont.

I cannot imagine how hard facing this pandemic has been with a high-risk child. I imagine you've seen the news that caregivers of high-risk children are now eligible for the vaccine. This is a step in the right direction. As the Lieutenant Governor, I do not have a direct role in the vaccination roll out plans. However, I do meet with the Governor regularly, and I will keep your concerns top of mind as we continue to discuss the rollout.

Thank you again for reaching out to my office. I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again. I look forward to seeing you in your community soon.

Wishing you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,

A handwritten signature in black ink that reads "Molly R. Gray".
