Dear Kathryn:

Thank you for taking the time to contact my office. I appreciate you sharing your valid concerns regarding hound hunting in Vermont.

While the Lt. Governor does not have a direct role in legislation, I am in regular contact with the Department of Fish and Wildlife, as well as Legislative Leaders and will pass along your concerns.

I am deeply committed to elevating the voices of Vermonters in Craftsbury and in communities around Vermont and I hope you will not hesitate to contact my office again as issues arise.

In the meantime, I wish you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,

Dear Ms. Gray, I have recently become aware of what hounding involves and am horrified. I am not opposed to ethical hunting but there is no way to justify torturing animals. Would you please do everything in your power to make it illegal? Thank you for your dedication and help. I will paste something from a recent Front Porch Forum about the subject into this email in case you haven't seen it. Thanks, Kathryn
