Subject: Re: Public Records Request

John,

You have received all records that are public and potentially responsive to your request.

As previously noted, 6 communications involving substantive briefing for the Governor were withheld as executive privileged communications pursuant to 1 VSA 317(c)(1) and (c)(4). See 1 VSA 318(a)(2). These include weekly reports from all agencies in the Administration to the Governor, and confidential updates shared with the Governor's senior staff for the purpose of briefing the Governor.

If you feel records have been withheld in error, you may appeal to the Governor's Chief of Staff.

Sincerely,
Sarah London
