Dear Sheriff Bill:

Thank you very much for inviting me to work with you a couple of weeks ago as part of my "Vermont Everyday Jobs" initiative. The day was fun and informative. I enjoyed our practice at the shooting range, as well as the tour of the Civil War-era cell block in your building. (Although I can certainly say that I hope I won't be spending any more time there!)

On a more serious note, I was also intrigued by your efforts to reach out to crime victims and the community with your special investigative unit office on Main Street. If there is ever anything I can do to help promote or advance this project, or to assist you with any other initiatives you're working on in the Sheriff's Department, please let me know.

Again, thank you for a great day, and please keep in touch.

Best regards,

Phil Scott
