Select Board Report

This summer the Town took delivery of a CAT 415 loader backhoe. It was not a tough decision to replace the 1980's John Deere machine. Since the machine was purchased, the brakes had been redone, universals replaced, a tire replaced, frame welded due to severe rust, and head gasket replaced. The backhoe pins and bushings were worn out and it was not cost effective to repair them.

The new machine was purchased at a cost of \$13,912/ year for seven years and at that time we'll own it. The John Deere was purchased for \$18,000 in 2018 and was traded in for \$10,000.

Five culverts were replaced this summer by Chris Lanfear. Four culverts needed to be replaced because they were rusted out and one was replaced because it was plugged. The projects were funded by the State of VT Grants in Aid Fund (\$5,340), plus a match from the Town.

The Town road employee, John Capen, was busy this summer cleaning ditches, drawing gravel, and grading to improve the road surfaces and control erosion.

During the summer of 2021 the Town Tree Warden, Jeff Davis, inventoried problem trees and brush along the 7.5 miles of town roads. Jeff and Ben Kerstetter spent 5 days cutting and chipping the Ira roadsides.

The Town of Ira received a \$6,547 grant to create a conceptual site design and site assessment for a new town garage, salt shed, and fire department. Otter Creek Engineering has been working on some basic site designs for the Politis parcel located off Route 133. There will be a public engagement event in the spring where the details of the report are presented in a public forum.

Likewise, the Select Board is trying to look at all the options available to update our town garage and has contracted with Otter Creek Engineering to do a site assessment of the present Town Garage and look at a conceptual design to bring that facility up to current standards.

Respectfully,

Nathan Hewitt
Bob Toppin

Town Clerk Report

While 2021 was challenging in many ways, the Town Office continues to offer vehicle registration renewals, Fish & Wildlife licenses, dog licenses, copies of vital records, marriage licenses, Green Mountain Passports, rental of the Town Hall, and free notary services.

All dogs 6 months and older are required by State law to be licensed on or before April 1st of each year. A license for a spayed/neutered dog is \$9.00 and for an unsprayed/un-neutered dog is \$13.00. A current rabies certificate must be on file or provided at the time the license is purchased. There were 84 dogs licensed in fiscal year 21 for revenue of \$226.00 for the Town. Licenses will be available on Town Voting Day, March 1, 2022, during voting hours.

If you are new to town or just turned 18, please remember to register to vote. You can vote in person at the Town Office during normal business hours on the days preceding the election, during polling hours on Election Day, or by requesting an absentee ballot. Voting is held at the Town Office for all elections. Polls open at 10:00 am and close at 7:00 pm.

Please feel free to contact me with questions or concerns at 802-235-2745. The Town Office is open on Tuesdays 2:00 – 6:00 and Thursdays 8:30 – 2:30.

Karen Davis
Town Clerk

Ira's Golden Cane

For many years a vintage cane has been passed down to Ira's Oldest Resident. The tradition began with the Perry Family and has since evolved to incorporate the entire town. The cane has been passed from person to person over the years to honor the oldest resident.

Alta Johnston, who turned 93 in September 2021, currently holds the cane.

2021 Ira Vermont Historical Society

The *Ira Historical Society* continued monthly meetings remotely for the first quarter of the year and was delighted to once again be able to conduct in-person meetings beginning in May. Despite limitations due to the pandemic, we started working in earnest on the IRVHS museum in the newly renovated second floor of the Town Hall. We began with small work parties preparing vintage glass display cases to house many of the antiquities that have been donated by our neighbors. Great progress has been made toward organizing and documenting these artifacts of past life in Ira with a goal toward telling a story reminding us of how things were done and lives lived years ago in our community. The museum continues to be a work in progress. The Society looks forward to an opening of the museum so watch for the announcement and plan to visit.

The Society is a 501(c) organization making all memberships and financial donations tax deductible. Please consider lending your support and become part of the Ira story.

TOWN HALL RENTAL PROCEDURES

1. Rental fees for the Ira Town Hall are as follows:
 - Ira Residents \$150.00 with a \$75.00 security deposit.
 - Non-Residents \$275.00 with a \$75.00 security deposit
2. Contact the Town Clerk @ 802-235-2745 for an Application and Rental Agreement Form or from the website: townofira.com
3. Return completed and signed Application and Rental Agreement Form and Certificate of Insurance to the Town Clerk for review and approval from the Select Board. *** The Select Board meets on the 3rd Tuesday of each month so applications should be received well in advance of the planned event.*
4. Arrangements need to be made with the Town Clerk to make payment and pick up the key prior to the event.
5. PAYMENT must be made in 2 separate checks, one for the rental fee and the second check for the security deposit. Make checks payable to Town of Ira.
6. After the event, return the key to the Town Clerk who will inspect the Town Hall prior to refunding the security deposit.
7. In case of emergency (i.e., death/funeral) for Ira residents only, the Town Hall may be obtained without prior notice, with no charge. Call the Town Clerk to make arrangements.
8. Refer to the terms and conditions of the Rental Agreement for additional requirements and responsibilities.

Regional Ambulance

Regional Ambulance was established in 1983 to provide emergency ambulance services to its member towns. Ira joined the ambulance service at its inception. Regional Ambulance Service responded to 27 calls to the town of Ira in 2021. The Ambulance Service provides 911 service 24 hours/365 days a year. RAS offers monthly CPR classes, lectures, tours, demonstrations, and child car seat inspections are held on Wednesdays.

Please feel free to contact Regional Ambulance Service with any questions, 773-1746, or visit their website www.rasvt.com for more information on their services, class schedules, and membership details.

Rutland County Sheriff's Report

Ira Vermont

Thus far, in the 2021-2022 contract time frame, RCSD has responded to 26 incidents, preformed 39 traffic stops, and had one criminal arrest. Sheriff's Deputies average 10 hours per week, covering five to six days per week. With Ira being one of the towns in Regional Patrol with Tinmouth, Danby and Middletown Springs this is a great benefit to these towns. This allows smaller towns who are working with a smaller tax base the ability to have more directed law enforcement coverage for their money. An example of this would be at any time RCSD has a Deputy assigned to Regional Patrol we will respond to incidents in any of these four towns, thus in reality giving Ira 40 hours a week coverage for the cost of paying for 10 hours per week. The hours are managed weekly, so if we go over the allotted 10 hours per week, we will scale back your directed coverage until we are back on track with hours. However, this does not mean if we have used the allotted hours for the week we will not respond for complaints. We will continue to respond to incidents in your town and continue to manage the hours. This cooperation between these four towns has worked well over the past few years and we hope this kind of cooperation will continue in the future. The Rutland County Sheriff's Department is honored to provide your law enforcement needs.

2021 Ira Planning Commission

Annual Report

The Ira Planning Commission did not meet in person during 2021 having held its last session the preceding December. Last year's approval by Ira voters of the Village Center Designation has allowed our town to be in position to take advantage of various financial opportunities that may benefit us in the near future. While there has been little developmental activity here much is going on in neighboring towns. Solar energy projects are being proposed in almost every town in our region, and a lone wind power generating site is presently being considered in Castleton; we expect to become involved in similar projects when they arise in Ira. Stay tuned.

The RRPC is a resource for towns, a platform for ideas, and inspires a vision for our future. We balance local desires, best practices, and regional planning for communities that are vibrant today and strong for years to come.

The Rutland Regional Planning Commission and Town of Ira continued working together in 2021 on many community development initiatives, including:

- Provided Municipal Road General Permit (MRGP) technical support.
- Provided MPG Administrative support for work to develop a site assessment and design for a new fire house, town garage, and salt shed.
- Worked with Planning Team to update Local Hazard Mitigation Plan.
- Worked with Selectboard and Town Clerk to complete FY21 Grants in Aid construction project (1 segment improved) and applied for FY22 GIA construction program funding.

If you feel inspired to participate in local or regional planning; want to be paired with opportunities to grow your community, or just want to learn more, please visit or give us a call - we'd love to hear from you!

It has been another challenging year for our country, state and at the fire department. We have had to change how we train and respond to calls due to the pandemic. We are pleased to announce that we have added two more members to our department. Please welcome Tyler Sanderson and Brad Zellars to our department. As always the department is looking for new members, helpers, grant writers and members of the community to help with the fire department duties. Thank you for all the support we continue to receive from the community.

We are currently starting to research to replacement of the fire station that is in need of significant upgrades and its current location is in the flood plan. Today's firefighting apparatus does not fit in the fire station construction which has well serviced this community since 1976 when it was constructed. We have budgeted in FY 23's budget for \$3000 for research and planning for the new fire station. We know this process will take a significant amount of time to come up with viable options. We are expecting to have a plan by the next fiscal year to be presented to the town. We have written about this for several years in the town report and we need to address this in the coming fiscal years.

On our treasurer's report you will notice some changes in spending from last year's treasurer's report. We reduced or delayed some of our spending in FY 21 due to the purchase of 8 new SCBA air packs. The replacement of these air packs were necessary to meet NFPA requirements. An example of the delayed purchases were the two sets of turnout gear, hose line fund and communications. The air packs were purchased in a joint purchase with Middletown Springs and Albany New York to get a reduced price, saving the department \$8,000 on the purchase. Once again thank you for all your support.

Annual Report Rutland Free Library

The Library weathered COVID without closing its doors to the public during the fiscal year that ended on June 30, 2021. We remained open to the public more than most libraries in the state, understanding that not everything we provide can be supplied online. This includes tangible services like computers, copiers, and reference books, but also intangibles like a resting place out of inclement weather, the experience of browsing the stacks, or simply providing a place to see other people, the need for which the COVID lockdown brought dramatically to light.

Our goal was and remains to do what is needed to be a low-risk environment, as defined by Vermont OSHA. We have had a variety of mask policies, time limits, item quarantines, and so on in an attempt to ensure visiting the Library is as safe as we can make it. We reduced discretionary spending to ensure the Library remained an affordable part of the town's budget, including a 5 percent cut in administrative salaries.

We introduced curbside pickup, which has morphed into "concierge service," where users call ahead for material. Staff retrieve the items that are then waiting at the front desk. We expect this will be popular with many patrons for the foreseeable future and are happy to offer the service even though it requires more staff time per item than the traditional borrowing model, where users browse for their own items.

We also used the Nella Grimm Fox Fund -- our endowment restricted to supplying materials and programs -- to meet greatly increased demand for downloadable items, particularly audiobooks. During FY21, electronic borrowing accounted for more than 20 percent of all loans, a four-fold increase from FY18. The corresponding drop-off in demand was for DVDs, as increasing numbers of homebound viewers chose streaming services.

Also as a result of COVID, we had to eliminate or move most of our programs online, including our flagship First Wednesday speaker series. We also participated in the very successful Out of the Box kids activity kits, built outdoor storywalks, recorded Vermont Bound, a series of interviews with local authors, and used a VT Community Foundation grant to provide outdoor seating with WiFi access.

Joan Gamble approached us about joining Dolly Parton Imagination Library, which ships age-appropriate books to kids monthly from birth until their fifth birthday. That partnership is off to a quick start, with signups exceeding expectations.

From a staffing point of view, we lost longtime children's librarian June Osowski to cancer, with Amanda Begin hired in that position. Ron Lurvey retired after 35+ years of maintaining our building. Speaking of the building, the Library pursued a move to the former Giorgetti Library at the College of St. Joseph, but the developer chose not to follow through with a verbal agreement to consider the move and for now at least, we plan on remaining at 10 Court St.

As could be expected during a statewide lockdown, our numbers of items loaned dropped sharply, down almost one-third through the first nine months of the fiscal year, but we rebounded by more than 25 percent in the fourth quarter, comparing one COVID-disrupted year to another. Once we are able to host programs in-house, we expect numbers to return to pre-COVID levels.

It has been an historically difficult year, but I am proud to report that with much good will from the staff and public that Rutland Free Library has made it through largely intact and ready to serve. Thank you to the voters of Ira for your continuing support for the Rutland Free Library.

-- Randal Smathers, Director, Rutland Free Library

Ira School Board Report

January 2022

Ira is a member district of the Greater Rutland County Supervisory Union (GRCSU) established July, 2018. Additional GRCSU member districts are Rutland Town, Quarry Valley (Poultney, West Rutland, Proctor), and Wells-Spring (Wells, Middletown Springs). Ira has one voting member on the ten member GRCSU Board and continues to maintain K-12 school choice.

As we always seek to emphasize in our Annual Report as Ira does not operate a school, the School Board has very limited control over our school budget. Approximately 89% of the budget is tuition that is paid to other schools for resident Ira students, ranging from PreK - 12th grade. The other 12% percent is made of the GRCSU assessment and other fiscal responsibilities. Due to our low student numbers a slight shift up or down in overall students can significantly increase or decrease our overall budget. Due to the minimal size of the Ira budget, changes in demographics from year to year can cause significant fluctuations in the School Budget and Tax rate. One family with 2 children moving into town can result in a 5% increase to the annual budget. For FY23, we are anticipating an increase in both student count (4.5 students) and the cost of tuition rates which is resulting in an increase in expense over FY22 of \$80,450, an 11.9% increase. This increase in expense is estimated to be offset by an increase in the state yield due to a surplus in the Vermont Education Fund. However, due to rising home values in Ira, we are experiencing a drop in our Common Level of Appraisal which is resulting in a final estimated tax rate increase of approx. 5 cents, an increase of 3%.

Please refer to provided documentation by Louis Milazzo, GRCSU Business Manager, in this annual report for further budget details. As always, please reach out to the Board with any questions or concerns.

Respectfully submitted,

Lance Jones, Chair

Mary Mitiguy, Vice Chair

Jeffrey Barden, Clerk

February 2022

Dear GRCSU Parents, Guardians, and Community Members,

On behalf of the GRCSU, we would like to express our gratitude for your continued involvement and support of the Greater Rutland County Supervisory Union (GRCSU) and our individual school communities. The GRCSU serves four school districts: Ira School District, Quarry Valley Unified Union School District, Rutland Town School District, and the Wells Springs Unified Union School District. Our eight schools include Middletown Springs Elementary School, Poultney Elementary School, Poultney High School, Proctor Elementary School, Proctor Jr/Sr High School, Rutland Town School, Wells Village School, and West Rutland School, with a total student population of approximately 1600 students in grades PreK-12.

The GRCSU “Central Office” oversees all aspects of the operation of the schools, including curriculum oversight, professional development, supervision and evaluation, human resources management, policies and procedures, grants, as well as all financial aspects of the schools and districts. The GRCSU Business Office, headed by Louis Milazzo, is responsible for purchasing, contracted services, payroll, bill payment, developing and monitoring budgets, overseeing all grant money, and working with auditors to make sure our financial practices are sound. GRCSU Student Support Services, which includes Special Education, is headed by Christine Kamm and includes all special education administrators, teachers, paraeducators, psychologists, PT, OT as well as Speech and PreK coordination. Greg Connors heads the GRCSU’s IT Department, which is responsible for maintaining all of the technology in the schools.

Over the past two and a half years, our GRCSU schools have been operating in an unprecedented time with COVID-19. At the end of the last school year, we were fortunate that we were able to offer in-person graduation and promotion ceremonies that allowed our communities and families to celebrate these milestone events in our students’ lives appropriately. In addition, our GRCSU schools provided other traditional end-of-year events for our students in all of our GRCSU schools.

The summer months saw our schools offer expanded enrichment programs that allowed our students to re-engage and connect with one another. Our diverse and engaging enrichment programs had a strong emphasis on academic and social/emotional growth while promoting student learning and interests through the acquisition of new skills. Based on the popularity and demand for these programs, our schools will continue offering enrichment programs during the summer of 2022. Information on our summer programming will be available later this spring.

As the summer drew to a close, there was a sense of optimism and hope that the 2021-2022 school year would see a return to normalcy. Unfortunately, COVID-19 continues to impact our schools’ programming at this time. No longer operating under a state of emergency, we saw our GRCSU schools return to five days of “in-person” learning with the Vermont Agency of Education, Vermont Department of Health, Centers for Disease Control and Prevention, and American Association of Pediatrics mitigation measures in place.

Through the fall, the impact mandatory quarantines had on our families and our students’ learning and attendance was significant. In order to lessen the impact felt by positive COVID cases in our communities, we were excited to be able to offer the new Test to Stay (TTS) program that allows students who have been identified as close contacts due to a school-based exposure to antigen test at school each morning for the next seven days. Students who continue to test negative and remain symptom-free are able to continue to participate in their classes and building-based educational programs. We have already seen this program have a strong positive impact on school attendance.

In addition, thanks to federal funding received through the “Seamless Summer” program, our GRCSU schools were able to continue to provide free breakfast and lunch for all families over the course of this year. While this school year has presented us with another set of unique challenges for our staff and community members to overcome, it has been a joy to see all of our students back in school and learning. We also have been impressed with the resiliency and positive attitudes of our students this past year. Lastly, we have been extremely proud of the hard work and dedication of our GRCSU staff as they continue to provide all of our students with access to a high-quality education.

Last spring, the Vermont Agency of Education required school systems to develop “Recovery Plans” to address the impacts of the COVID-19 pandemic on three areas: student engagement and truancy, social-emotional health and wellbeing, and academic success. These plans are supported through the federal grant program, ESSER, dedicated to pandemic recovery. Our Recovery Plan task forces have been meeting since last spring to develop action plans, initiate programs, and share resources to support all GRCSU students. While COVID-19 continues to impact student learning on an ongoing basis, we are already deeply engaged in developing and refining the interventions and supports that will help our students to achieve academic and personal success as we transition from pandemic to endemic over time. For more information on the GRCSU “Recovery Plans”, please visit our GRCSU website (grcsu.org) and click on the link entitled “Re-Opening Plan and Recovery Plan”.

While the majority of our work over the past ten months has been centered on COVID-19 and on our students’ social, emotional, and academic well-being, we also have begun the process of developing a GRCSU “Portrait of a Graduate” and Strategic Plan that will engage all stakeholders (staff, students, parents, and community members) in setting a vision for the future of the GRCSU. This vision will be informed by diverse perspectives, responsive to our learners’ needs, and inspire both ownership and action. A Portrait of a Graduate is a collective vision that articulates our community’s aspirations for all of our students. The Portrait of a Graduate, once approved, will serve as our “north star” in developing the GRCSU’s Strategic Plan.

At the conclusion of this visioning process (June 2022), the GRCSU Strategic Plan will result in all GRCSU learners having access to equitable, high-quality learning experiences that provide for the acquisition of rigorous academic content, and are intentional about fostering critical thinking, communication, collaboration, creativity, and other 21st-century skills our learners need to thrive in this complex and rapidly changing world. Once the Portrait of a Graduate and Strategic Plan have been approved by the GRCSU board, copies will be made available to the public and this information will be posted on our GRCSU website (grcsu.org).

In addition to the work outlined above, the GRCSU is interested in collaborating with our stakeholders to improve the quality of our schools so that each of our students has access to a high-quality education that ultimately prepares them for whichever path they choose in life. If you are interested in hearing more about this work or in taking a more active role in this process, please attend a local school board meeting or reach out to your local building principal.

We would like to thank our board members for all of their hard work not just on the budgets, but throughout the entire year. They are committed to being fiscally responsible while also doing what is right for our children - a delicate balancing act.

Please remember to vote on Town Meeting Day, March 1, 2022. For more information, visit our website at www.grcsu.org or call 802-775-4342 or email us at your convenience.

Annual Report
January 2022**

We entered the 2021-2022 school year hopeful that the uncertainty and disruption of COVID-19 would be behind us. Despite the continued COVID related challenges, we have been fortunate to have our students back in school full-time.

Greater Rutland County Supervisory Union (GRCSU) provides special education programming in accordance with the Individuals with Disabilities Education Act (IDEA) and the Vermont Agency of Education Special Education Rules and Regulations, which ensures that all students with disabilities have available to them a free and appropriate public education in the least restrictive environment that emphasizes special education and related services designed to meet their unique needs and prepare them for further education, employment and independent living.

GRCSU is currently serving 314 students who qualify for the support of an Individualized Education Plan. Those students range from 3-22 years of age. Students who are referred are evaluated by our team of school psychologists and educational diagnosticians. We are fortunate to have such a dedicated and skilled professional staff which, in addition to our school psychologists and diagnosticians, includes special educators, along with an interdisciplinary team of speech and language therapists, occupational therapists, physical therapists, behavioral support staff, and instructional assistants.

This year staffing has been an ongoing challenge as it is for our nation as a whole. To that end, with new Agency of Education rules, we have been able to extend opportunities to our own instructional assistants who met the AOE's criteria to become provisionally licensed special educators. Recruitment of instructional assistants continues to be our most significant need. With that said, we are working hard to ensure that students are provided academic and social emotional support by the most qualified individuals available.

As a supervisory union, professional development has focused on Universal Design for Learning (UDL). Supervisory Union focus on UDL has increased collaboration across disciplines to ensure classroom lessons are intentionally planned to be inclusive of all students.

We appreciate the collaboration with the staff, students, families and community of Greater Rutland County Supervisory Union to meet the needs of all students. If you have any questions, please contact the GRCSU office at 802-775-4342.

If the district belongs to a union school district, this is only a PARTIAL homestead tax rate. The tax rate shown represents the estimated portion of the final homestead tax rate due to spending for students who do not belong to a union school district. The same holds true for the income cap percentage.						
35.	Anticipated income cap percent (to be prorated by line 30) [(\$17,850.63 ÷ \$15,484) x 2.00%]	2.23% based on 2.00%	2.28% based on 2.00%	2.36% based on 2.00%	2.31% based on 2.00%	35.

37.	#N/A	-	-	-	-	37.
38.	#N/A	-	-	-	-	38.

- Following current statute, the Tax Commissioner recommended a property yield of \$13,846 for every \$1.00 of homestead tax per \$100 of equalized property value, an income yield of \$16,705 for a base income percent of 2.0%, and a non-residential tax rate of \$1.385. **THESE FIGURES USE THE ESTIMATED \$90,000,000 SURPLUS FROM THE EDUCATION FUND. I DO NOT EXPECT THAT SURPLUS WILL BE USED TO INCREASE THE YIELDS.** I would suggest using the figures provided without the surplus: \$12,937 for the property yield, \$15,484 for the income yield, and \$1.482 for the non-homestead tax rate.

- Final figures will be set by the Legislature during the legislative session and approved by the Governor.

CHILD FIND NOTICE

The Greater Rutland County Supervisory Union and each of the member school districts (Ira, Quarry Valley, Wells Springs, and Rutland Town) are responsible for the provision of a free and appropriate public education for every child with an educational disability ages 3-21 living within a member town.

We are searching for any child including those birth through 2 years of age who might be eligible for and in need of special education and related services help. Anyone can and should make a referral of any child living in one of these towns they believe may be eligible for special education. They can do so by contacting in writing or by telephone:

The Principal of the school which the child is or will be likely to attend
OR
The Superintendent of Schools
Greater Rutland County Supervisory Union
16 Evelyn Street, Rutland, VT 05701
Tel: 802-775-4342

Referral information will be handled in confidence. The referral may lead to an evaluation of the child to determine if he or she is eligible for and in need of special education. If the answer is yes, an individualized educational plan will be developed and implemented by a multi-disciplinary team of people including the child's parents.

Please. If you suspect a child residing in one of these towns may be in need of special education, make a referral.

NOTICE OF NON-DISCRIMINATION

The Greater Rutland County Supervisory Union and its member districts, will not discriminate on the basis of disability in admission or access to, or treatment or employment in, its programs and activities including vocational education and special instruction as and to the extent provided by law.

The following have been designated to handle inquiries regarding the specified school district's non-discrimination policies:

(Any other person authorized by you who is not a family member must apply in writing or in person for a ballot for you.)

WAYS TO VOTE YOUR EARLY BALLOT:

- You may vote in the town clerk's office before the deadline.
- Voter may take his or her ballot(s) out of the clerks office and return in same manner as if the ballots were received by mail.
- Have ballot mailed to you, and mail or deliver it back to the clerk's office before Election Day or to the polling place before 7:00 p.m. on Election Day.
- If you are sick or disabled before Election Day, ask the town clerk to have two justices of the peace bring a ballot to you at your home. (Ballots can be delivered on any of the eight days proceeding the day of the election or on the day of election.)

ON ELECTION DAY:

If your name was dropped from the checklist in error, or has not been added even though you submitted a timely application for addition to the checklist, you can fill out a new registration form.

If the clerk or Board of Civil Authority does not add your name, you can appeal the decision to a superior court judge, who will settle the matter on Election Day. Call the Secretary of State's Office at 1-800-439-VOTE (439-8683) for more information.

If you are a first time voter who submitted your application to the checklist individually by mail and did not submit the required document, you must provide current and valid photo identification, or a bank statement, utility bill, or government document that contains your name/current address.

If you have physical disabilities, are visually impaired or can't read, you may have assistance from any person of your choice. If any voters you know have disabilities let them know they can have assistance from any person of their choice.

If you know voters who cannot get from the car into the polling place let them know that ballot(s) may be brought to their car by two election officials.

If you have any questions or need assistance while voting, ask your town clerk or any election official for help.

NO PERSON SHALL:

Vote more than once per election, either in the same town or in different towns.

Mislead the board of civil authority about your own or another person's true residency or other eligibility to vote.

Hinder or impede a voter going into or from the polling place.

Socialize in a manner that could disturb other voters in the polling place.

Offer bribe, threaten or exercise undue influence to dictate or control the vote of another person.

FOR HELP OR INFORMATION: Call the Secretary of State's Office at 1-800-439-VOTE (439-8683). (Accessible by TDD)

If you believe that any of your voting rights have been violated, you may file an Administrative Complaint with the Secretary of State's Office, 128 State Street, Montpelier, VT 05633.

If you believe you have witnessed efforts to commit any kind of fraud or corruption in the voting process, you may report this to your local United States Attorney's Office.

If you have witnessed actual or attempted acts of discrimination or intimidation in the voting process, you may report this to the Civil Rights Division of the United States Department of Justice at (800) 253-3931.

INSTRUCTIONS FOR VOTERS using Australian Ballots

CHECK-IN AND RECEIVE BALLOTS:

- Go to the entrance checklist table.
- Give name and, if asked, street address to the election official in a loud voice.
- Wait until your name is repeated and checked off by the official.
- An election official will give you a ballot.
- Enter within the guardrail and go to a vacant voting booth.

MARK YOUR BALLOT: For each office listed on the ballot, you will see instructions to "Vote for not more than one, or Vote for not more than two, etc."

- To vote for a candidate, fill in the oval to the right of the name of the candidate you want to vote for.
- WRITE-IN candidate(s). To vote for someone whose name is not printed on the ballot, use the blank "write-in" lines on the ballot and either write-in the name or paste on sticker, then fill in the oval.

CAST YOUR VOTE by depositing your voted ballot in "Voted Ballots" box.

LEAVE the voting area immediately by passing outside the guardrail.

Changes to Town Meeting for 2022

Due to the continued spread COVID-19, the VT Legislature granted select boards the authority to move to Australian ballot for all business conducted at the annual town meeting.

There will be a virtual informational meeting on February 28, 2022, at 7:00 pm. You can participate in the informational meeting by computer or calling in by telephone. You will be able to ask questions during the meeting on the articles being voted on.
