2 Representative Norris of Sheldon moves that the House concur in the
3 Senate proposal of amendment with a further proposal of amendment in Sec. 1,
4 6 V.S.A. chapter 215, subchapter 7A, in section 4964, by striking out
5 subsection (d) in its entirety and inserting in lieu thereof the following:

6 (d) Seed review. The Agricultural Innovation Board shall advise the
7 Secretary regarding the sale, distribution, or use of [a new] genetically
8 engineered seed in the State and may recommend to the Secretary limits or
9 conditions on the sale, distribution, or use of a [new] genetically engineered
10 seed or recommend a limited period of time for sale of a [new] genetically
11 engineered seed.
