Greetings Shana,

Just wanted to touch base directly. With Dan's travel schedule, it is going to be really hard to schedule something for him this week. It would be great if we could look at some times for next week. In the meantime, why don't we set up a time for Scott and me to talk tomorrow in advance of our setting up a call between Dan and Governor Shumlin?

Thanks very much. And please give my personal regards to the Governor.

Franz

Hello Dan,

Do you have any availability this afternoon? The Governor is giving a speech at the moment but will be available after 1:30pm today. If today is not possible I can offer some times tomorrow.

Thank you,
