RE: Vermont's Response to the EDA invitation for American Rescue Plan Act Supplemental
EDA Awards to support Statewide Planning

Dear Regional Director Cruz-Carnall:

I am pleased to respond to your invitation for requesting \$1 million to carry out Planning, Network and Research Activities as a part of Vermont's efforts to rebuild the state economy after the damages caused by Covid on our businesses and households. With this letter, I am designating the Agency of Commerce and Community Development (ACCD) led by Secretary Lindsay Kurrle to be the recipient of the funds.

ACCD has provided leadership to Vermont businesses and communities in the early stages of the pandemic and served a necessary communication function between those affected parties and our state agencies. As the pandemic progressed, ACCD directed state and federal funds to those same businesses and communities to help both with ensuring their safe practices to reduce Covid and the starting process for re-building in a changed economic environment.

ACCD is also playing a central role in our cross-agency team responsible for recovery work, which includes strategic planning and oversight of the deployment of federal dollars so these funds have maximum impact across Vermont.

With these planning funds, ACCD can continue to serve that coordination function in conjunction with many of our other State of Vermont Agencies and external partners to ensure the optimal distribution of the federal funding opportunities before us.

We deeply appreciate EDA for this opportunity.

Sincerely,

Philip B. Scott
Governor

RE: Vermont's Response to the EDA invitation for American Rescue Plan Act Supplemental EDA Awards to support Statewide Planning; Accepting Agency Designation

Dear Regional Director Carnall,

With this letter the Vermont Agency of Commerce and Community Development (the Agency, ACCD) formally accepts Governor Philip Scott's designation as the statewide agency that will receive \$1 million in American Rescue Plan Act Supplemental EDA Awards.

The Agency has reviewed the scope of work and stands ready to provide leadership to Vermont's businesses and communities as they continue to engage in critical recovery activities. From the beginning of the pandemic the Agency has played a central role in coordinating cross-agency recovery work, which includes strategic planning and oversight of the deployment of several millions of dollars in federal funds.

We are pleased to formally accept this designation and to continue to lead Vermont's recovery efforts, and fulfill our role of coordinating all State Agencies, external partners, businesses, and our communities in their recovery efforts.

Thank you for this opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read "Lindsay H. Kurek".
