FY 2021 Budget Highlights

TO BE VOTED AT TOWN MEETING

The Municipal Transit Capital Fund was used to support the periodic replacement of buses. The LMHUUSD has taken over the busing for LES so the Capital Fund is no longer needed.

This is Article #3 for the Annual Town Meeting so voters can decide if the fund may be used to reduce the Town Tax rate and subsequently eliminate the fund.

With the closure of Black River High School scheduled in June of 2020, the Select Board appointed a BRHS Feasibility Committee to determine the feasibility for the Town of Ludlow to acquire and maintain the high school building. The committee will consider the building's history, condition, oil tank liability, fire code compliance, expense/revenue/risk considerations, and potential uses and present their recommendation to the Select Board in September of 2020.

New England Municipal Consultants (NEMC) were awarded the re-appraisal bid to begin work on the town re-appraisal in FY 2020. The Town of Ludlow has worked with NEMC since 2004.

On April 15, 2019 another rain storm produced major flooding which caused significant damage to town roads, residential properties and area businesses. Our emergency management team was in place so when the water levels began to rise, emergency personnel, staff and volunteers provided assistance to those in need. Damage estimates to town roads exceeded \$140,000 and we are currently working with FEMA to recover a large percent of the cost.

Conference Room Dedication to Howard Barton, Jr.:

The Select Board dedicated the Town Hall Conference Room in Howard Barton Jr.'s memory with a bronze plaque acknowledging his lifelong contributions and service to a grateful community. The plaque honoring Howard's legacy now hangs on the outside of the Howard Barton, Jr. Conference Room.

LUDLOW COMMUNITY AMBULANCE SERVICE

Fiscal Year 2019 Report

Year 2019 was the busiest year ever for Ludlow Ambulance Service. There were 937 calls for service, of which Ludlow Ambulance Service answered 916. The remaining 21 calls were all 2nd or 3rd calls where the duty crew was already on a call and these 21 were covered by a mutual aid department. In 2019 the select board requested that a consulting firm take a closer look at our operations and give us suggestions on how to improve. Municipal Resources Inc. worked with us for nearly 5 months compiling information to provide us with direction that we should take to be a better asset to the communities we serve. We immediately began implementing some of the changes that they suggested and have already seen a difference in our patient care, and moral amongst our department.

Staffing

2018/2019 was one of the biggest years for change at Ludlow Ambulance. The most prominent change has been converting the department from the combination paid/on call staffing that we have had for so many years to the paid staff that we currently have. We now have 2 paid employees at the station 24/7/365 to answer all emergency calls. This change in staffing has greatly reduced our response time to emergency scenes where just a few minutes could mean the difference between life and death. In addition, we have also been reworking our management structure to find a solution that better fits our evolving department.

Community Outreach

On top of the record-breaking year we had for calls, our staff still participated in multiple community outreach events. Community outreach is one of the best aspects of our job, we love being involved in any and all events and meeting the local citizens. One of the first events of the year was Crazy Sock Day for Down Syndrome Awareness, where our crews donned their craziest socks they could find. We also participated in the 4th of July celebrations on West Hill, Trunk or Treat at Bensons Car dealership, Touch a Truck at Stepping Stones Preschool, Ludlow Fire Departments Open House, EMS for Children's Day at Ludlow Elementary School. For EMS week in May we again went to a local business every day of the week and taught hands only CPR to anyone willing

to give us 2 minutes of their time. During EMS week 2019 we trained approximately 75 people in Hands Only CPR and educated them on stroke awareness.

Revenue and Billing Changes

Municipal Resources Inc. suggested that we take a closer look at our billing rates and our billing process to improve our revenue. We found that our billing rates were far below state and regional rates which prompted us to increase our rates in October 2019. Through the suggestion of Municipal Resources, we also began looking at outsourcing our billing to a company that specializes in ambulance billing. In December 2019 we entered into a contract with Comstar an ambulance billing company based out of Massachusetts who will be taking over our billing in 2020. By making these two huge changes we will be seeing an increase in our revenue which will help offset some of our expenses incurred by having 24/7 staffing.

In FY 2019 we continued our popular subscription program. The program ran from October 2018 and was extended to December 31 2019 when we changed the dates to make the program begin running for the calendar year January-December 2020.

Training

Our employees take great pride in training as often as possible to be prepared for any scenario they may encounter and to stay proficient with high risk low frequency procedures they may have to perform. We continue to host regularly scheduled trainings in house and send our employees to more specialized trainings throughout the state. This year our Paramedics completed Advanced Cardiac Life Support Training, Pediatric Advanced Life Support and the 1st Annual First Responder Wellness Conference in Montpelier. Staff also completed the Stop the Bleed Training with the Ludlow Police Department and both Adult and Pediatric Resuscitation Academy's. Our staff also shared their expertise by teaching training's for area departments such as Blood Borne Pathogen Training for Ludlow Fire Department.

Ludlow Ambulance Service continues to be a satellite American Heart Association Training Center. We currently have 6 CPR instructors who have trained over 200 people in CPR and First Aid in the last year. In 2019 the Town of Ludlow was awarded the HeartSafe Community award by the State of Vermont being only the 10th town to do so. We have continued to push to make public access AEDs more prominent in the community and have installed one in the Public Safety Building as well.

Summary

The town of Ludlow and the surrounding communities should feel proud to have such a hard-working dedicated group staff their ambulances. The providers that we have at Ludlow Ambulance are top notch. We have exciting plans in store for the coming year and we will continue to stay true to our goal of providing the best patient care to everyone we come in contact with and being a great representation of the Town of Ludlow. LUDLOW BUILDING & GROUNDS

2019 Annual Report

The Ludlow Building & Grounds Department is responsible for the general maintenance and cleaning of our municipal facilities including the Town Hall, Ludlow, Community Center, Dorsey Park, West Hill Recreation, the Skate Park and Public Safety Building on a daily basis. We coordinate the seasonal boiler cleaning for all of the municipal facilities, and perform routine snow plowing, shoveling and salting of buildings during the winter.

During the spring, summer and fall months we are busy with the daily maintenance and mowing, raking, weed trimming and beautification of the grounds. Dorsey Park Field and Fletcher Fields are prepared for the various sporting events and community activities. Veteran's Memorial Park, Kesman Park and Elm Street Park are cleaned and maintained routinely. Prior to the winter season, we prepare the parks, fields and facilities for the winter. The mowers and tractors are serviced, repaired and winterized in preparation for the next "growing" season.

Furnace, elevator, equipment, fuel checks and fire extinguisher checks are routinely performed weekly and monthly. General repairs, painting and daily maintenance are always ongoing at all of the facilities. We manage the setup and cleanup of the many events that take place in the Heald Auditorium. Movie nights, plays, musical events, public gatherings and the Town & Village Meetings take place on the second floor.

Infrastructure, Building Repairs & Vehicles in FY 2019:

- Brick repair (gaskets & flashing) and seal the entire building at the Community Center
- Installed a new combustion fan in the Community Center boiler room
- Concrete repairs to sidewalk and front stairs at the Town Hall
- Replaced the muffler on the Town Hall generator
- Repaired the door sensors in the elevator at the Town Hall
- New 2018 Chevrolet 2500 Pickup Truck (replaces a 2012 truck)

Building & Grounds staff works with the Cemetery staff to open and close the cemetery for the season and to keep up with the daily maintenance and care of the grounds.

We enjoy assisting the members of the Ludlow Garden Club and Village Streetscapes and so appreciate all that they do to keep the town and village grounds looking beautiful all year long.

I would like to thank the Town and Village employees, Municipal Manager, Select Board, Village Trustees and the citizens of Ludlow for their continued support and cooperation. Your input is always welcome and appreciated.

Development Review Board

The Development Review Board had a busy year. We held hearings on Conditional Uses, Planned Unit Developments, Variances, Subdivisions, and Appeals.

We would like to thank our Planning Administrator, Rosemary Goings, for the excellent job she does for the board. The information and communication she provides is invaluable. Her knowledge and dedication is a real asset to Ludlow.

We also thank Barbara Davis for administrative support. Of course, Lisha Klaiber has to be recognized for recording the minutes. With the complexity of the hearings, that is not an easy task.

I would also like to recognize the board itself. These citizens dedicate many hours of their time to the process. When a hearing is scheduled, their homework has begun. They need to consider Ludlow's zoning regulations, the town plan, Act 250, State Statutes, Labor and Industry conditions, Municipal Impacts, Environmental Issues, Regional issues, Sewer/Septic permitting, existing permits on the project, and on and on. When a hearing is opened, the board members have already spent many hours preparing.

When the final decision is issued, the board has considered, debated, studied, and weighed every issue. It is not an easy process, and I thank each board members commitment to it.

We look forward to another challenging year. With the ongoing support of the Selectboard, Trustees, and Planning Commission, our planning, zoning, and permitting processes will continue to improve for the entire community.

If you have any questions about our process please visit the Planning and Zoning Office. The hours are 8:30 - 4:30, Monday through Friday.

Mother Nature's wrath with Flooding on April 15th and a Snowstorm on May 14th.

BOARD OF LISTERS ANNUAL REPORT

One basic function of the office is to annually establish a Grand List, in compliance with applicable Vermont State Statutes, which specifies the value of taxable property in the town as of April 1. This is the value the Select Board will use to set a tax rate necessary to raise money to operate the town in the next year. It is also the basis for the determination of the property wealth of the municipality for purposes of setting state education property taxes.

During the fiscal year, we processed 358 property transfers and 87 building permits were entered in the assessment program, inspections made and data entered to update the parcel.

Our office holds Lister grievances, usually in June of each year. We usually know, by mid-May, the date the appeals will be held in June. Please remember that appeals to the Listers concern only your assessed value, not your tax bill. Any property owner may meet with us at any time, with an appointment, to discuss their assessment.

The Listers, with the help of New England Municipal Consultants (an appraisal firm), are currently conducting inspections for a town-wide reappraisal which will be completed for the 2021 Grand List. The Listers have been working with this firm since 2004 and are very pleased with the firm.

Applications for Veterans Exemptions are now made through the Vermont Office of Veterans Affairs.

The office is open Monday through Friday, 8:30 A.M. – 4:30 P.M. to assist with questions regarding real estate values or ownership. The nature of our work requires site inspections so we may be out for certain periods of time. Therefore, an appointment might be appropriate if you want to be seen at a specific time.

Reminder: Property Valuation Information, as well as the tax map data, is now available on the Town Web Site at www.ludlow.vt.us,

Respectfully,

Ron Tarbell

Town of Ludlow Parks and Recreation Department Annual Report FY 2019

The Ludlow Parks and Recreation Department aims on providing a range of programs that promote health and wellness. Here is a synopsis of the fantastic year of events and programs during fiscal year 2019.

This past summer the Ludlow Summer Recreation Program continued the partnership with the Two Rivers Supervisory Union (TRSU) After School Program (ASP) to provide the campers with eight exciting weeks of tie-dying, a crime scene activity, sports and learning about other cultures. Each week there was a Friday field trip to different locations such as the Chester pool, Vermont Institute of Natural Sciences (VINS), Montshire Museum, Flagship Cinemas, Wonderfeet Kids Museum and The Great Escape.

Fiscal year 2019 was certainly the “year of events” because we hosted a 4th of July Fireworks at the West Hill Recreation Area, Halloween Parade and Party, the Great Ludlow Egg Hunt and Pancake Breakfast as well as a special Green Up Day. The 4th of July Fireworks at the West Hill Recreation Area simply was not just an ordinary 4th of July with just fireworks, because the Chris Kleeman Band performed from 7-9 pm, Squeals on Wheels BBQ served food, and hosted a variety of lawn games. The entire event attracted approximately 702 people to West Hill to watch the fireworks that were sponsored by Imerys Talc.

The annual Halloween party consisted of a parade, games, a dance contest, pizza, and over 1,300 pieces of candy that was donated by Shaw’s. This past year there was 60 kids that signed up for the witches call and for the lucky 15 who were home in time, received a gift certificate from Ludlow Village Pizza. The Great Ludlow Egg Hunt acquired a fantastic addition by teaming up with the Mt. Holly Parent Teacher Student Association (PTSA) and the Ludlow Parent Teacher Group (PTG) to add a pancake breakfast. The pancake breakfast had a special visit from the Easter Bunny not only to enjoy a fantastic breakfast but also to help the 70 kids find the 1,500 eggs. This year the eggs were filled by some of the Black River High School juniors and seniors with some candy that was donated by Rite Aid Pharmacy, special candy bars and even some gift certificates from local business such as Squeals on Wheels, Subway, and Goodman’s American Pie.

Ludlow hosted another Green Up Day with a few special guests which included Sue Killoran, Interim Executive Director of Green Up Vermont, and 17 Subaru of New England executives

which allowed local community members to team up with them to showcase our town. To kick off the event, participants were greeted with a light breakfast of coffee and donuts that was donated by Vermont Coffee Company and Sweet Surrender Bakery. After collecting over two tons of roadside trash, participants came back to a beautiful spread of hamburgers and hot dogs donated by Clarks IGA, salads donated by Darlene Phillips and Fresh Picks Café, as well as cookies from Big Eyes Bakery were also donated to round out the BBQ.

Although, Ludlow hosted a large variety of events, we also continued to run our youth soccer, basketball and baseball program. The youth soccer program had 62 athletes which were spread out over five teams and each one participated in a jamboree. The youth basketball program had a fresh new look by taking advantage of the new recreation website which provides a central location for all program and activity information in addition to online registration capability. The system allows parents or guardians to register their athletes online and see their athletes schedule right on a

smart phone by downloading the Sports Engine app. Once the app is download and the user signs in, and they will receive a notification if any detail regarding a practice or game changed for any reason. The basketball program had roughly 60 athletes spread out over six teams and everyone loved the new online system. This past baseball season had 79 athletes, with 21 volunteer coaches spread out over six teams ranging from T-ball all the way up to 12u baseball and softball. The new additions this season was adding everyone's last name to the back of the jersey, hosting the MLB Pitch, Hit and Run and the Jr. HR Derby local competitions, playing music on opening day during team introductions as well in between innings. This past season, we revamped our concession stand to allow each athlete the opportunity to go watch a Vermont Lake Monsters game. Our youth baseball program is so thankful to Benson's Chevrolet Inc, LaValley's Building Supply, Imery's Talc, Ludlow Snowmobile Club, Mangiamo Ristorante and Clark's Quality Food for their generous donations this season. Their donations made a huge impact on our program and made the athletes proud to put on the uniform.

The Summer Concert Series on Sunday evenings was in full swing at the Black River High School Lawn with performances from Gerry Grimo and the East Bay Jazz Ensemble, Rick Redington and the Luv, and Gypsy Reel just to name a few. Ludlow continued the partnership with the Chester Recreation Department for the Babe Ruth season playing home games at Pullinen Field. The Adult softball program continued for yet another season at Dorsey Park. This was a four-team league with the Pot Belly Pub winning the championship. Some other adult activities include indoor soccer, volleyball, pickleball and basketball and senior walking.

The Parks and Recreation Department is moving in the right direction by taking a minute to review all the progress that has been made.

I would like to take a moment and thank my terrific staff members Heather Graham and Darlene Phillips for their expertise, Kevin MacPherson and Eugene Dean for the fantastic job at keeping our facilities looking great, Steve Stengel and Jerry Tucker Jr for improving one of the best skate parks in the southern Vermont, all of the volunteers and coaches that have helped during each event and season, the staff in the Municipal Office, Municipal Manager, Municipal Transit, Highway Department, Wastewater Department, Police and Fire Department and the Recreation Committee.

All the continued support will make the Ludlow Parks and Recreation Department thrive in the future.

Sincerely,

Nicholas E. Miele

Planning Commission Town and Village of Ludlow 2019 Annual Report

The Planning Commission works directly with the Planning and Zoning Office and the Southern Windsor County Regional Planning Commission. Our meetings are held on the third Tuesday of every month at 6:00 P.M. and the public is always welcome.

The Planning Commission is pleased to report that the Municipal Plan has been updated, and approved by the Select Board and Villages Trustees. The new Plan is more concise and easier to read than the old Plan. It contains a new Energy Section and concrete goals for future development in Ludlow.

We continue to update the Town/Village Zoning and Flood Hazard Regulations. This past year we started to work on ways to improve the year round rental market in order to entice young people to move into town. We are also looking into regulating the short term rental market.

One goal in the Municipal Plan is to make the village safer and more pedestrian friendly. Toward that end, we are looking at the rules and regulations regarding parking, crosswalk placement and village speed limits.

After many years as a member of the Planning Commission, Logan Nicoll has moved on to bigger and better things. He was elected as the State Representative for Ludlow. His presence will be missed and we thank him for his continued service to the Town. His seat has been filled by George Tucker Jr., who brings a fresh, young perspective to our discussions.

The Board would like to thank Jason Rasmussen from the Regional Planning Commission, and Rosemary Goings, Director of Planning for their help in all the projects and applying for grants when available.

Please remember our meetings are open to the public, and all documents are available at the Planning Office or online at www.ludlow.vt.us

Mission Statement: To advocate for the right of individuals with developmental disabilities and their families to be regarded as valued citizens with the same entitlements as non-disabled individuals, including the right to lifelong opportunities for personal growth and full participation in the community.

PROGRAMS

- Representative Payee Program: ARC services over 50 clients as a representative payee. This program provides financial management services to individuals with developmental disabilities who receive social security but are unable to manage their own finances. We currently have a waiting list for this program.
Self-Advocates (SABE-R) and AKtion Club: In the latest rolling twelve months ARC facilitated twelve individual, monthly meetings for both the Self Advocates Becoming Empowered- Rutland (SABE-R) and the AKtion club, a member of the Kiwanis Family. ARC sponsored several abilities awareness trainings in conjunction with Green Mountain Self Advocates. SABE-R sets group and individual goals while practicing advocacy and communication skills to become leaders and teachers. The AKtion Club is a community service club. Activities include; fund raisers, "Creative Minds" developing craft projects and sharing life experiences, hand crafting Christmas Cards for the American Troops, participation in Relay For Life, and will be donating to Tatum's Totes to assist a foster family at Christmas.
Social Events: These events provide a safe and healthy environment for individuals with developmental disabilities that encourage building a circle of support, practicing social skills and physical exercise. High attendance at all activities including: five themed dances, participation in the Rutland City Halloween Parade with Rutland Kiwanis, Okemo summer concert, paddling and nature adventure with Vermont Adaptive, end of summer BBQ at Lake Bomoseen and a fall Lake George Cruise. The 2018-2019 cumulative attendance for these events was almost 800 individuals.
Rutland Family Support Network: We continue to maintain this Listserve, which provides families and individuals with news, information, and answers questions pertaining to developmental disabilities.

STAFF

- Our Executive Director Ross Almo, with experience in nonprofits, association management and hospitality joined ARC in July. Denise Leach continues her role as Payee Repetitive and Helen Wagner supports the office via A4TD. We also have volunteers, our volunteer Board, and our community champions.

GOALS

- ARC has moved into its new space. The space is larger and has two offices, reception area, board room area, and a separate volunteer room. Our new home allows individuals with mobility challenges to move safely and freely.
ARC has launched its Great Outdoor initiative with scheduled monthly activities. The health and fitness programming has been received with great success. ARC continues to work on new programs. The future purchase of a Sound Beam 6, technology that allows movements of the body to be translated into sound waves and thus, music. This will allow some members of our population with limited dexterity to create music for the first time in their lives.

ARC offers its sincere thanks for your continued support. As always, we do not receive State or Federal funding to accomplish our programming; we rely on the support of towns in Rutland County, grants, and fundraisers throughout the year. Our dedication to our mission statement continues as strongly now as it has for over sixty years. Over one thousand individuals in Rutland County take advantage of our services annually. Thank you for your consideration, and please visit us at arc Rutland Area.org, or like us on face book.

Sincerely,

Ross W. Almo, Executive Director 82

Black River Area Community Coalition Update 2020

The Black River Area Community Coalition (BRACC) is a community led coalition serving the towns of Ludlow, Plymouth and Mount Holly. We thank you for your past generous support. The mission of BRACC is to take a proactive approach to preventing youth substance use and violence by promoting a healthy involved community, supporting all youth in safe environments. We seek to expand opportunities that provide high expectations, clear boundaries and strengthen bonds between youth and adults. We encourage and educate adults about the importance of being good role models.

BRACC focuses on pro-active programming aimed at reducing high risk behaviors of our community's young people. BRACC's goal is to change the norm in our communities to send a clear message to youth that illegal use of alcohol and drugs are harmful to their health and future. BRACC is a collaboration of numerous groups, individuals and businesses in the community working for a common goal of safely raising healthy youth, with adults serving as positive role models. As we enter our 15th year serving our local community we continue to expand our offerings and resources.

This long collaboration resulted in a variety of significant accomplishments and sponsorships over the year:

- We continue to promote the DEA National Prescription Drug Take Back Days which occur twice a year and continue to net over 50 pounds of unused or expired medicine.
- Presentations by Colin Andrzejczyk, to students at BRHSMS. Mr. Andrzejczyk is a noted drug and alcohol counselor who has been requested by students for the past four years.
- Held a Wellness Fair and 5K Run/Walk in June of 2019
- Partnered with the TRSU Go Wild Summer Camp at West Hill Recreation Area on a Fishing Program and Crime Scene Investigation course.
- Sponsored a Community Read for the book: Of Grief, Garlic Gratitude
- Sponsored the 14th annual After Prom party in cooperation with Okemo Mountain Resort and other businesses,
- Oversee the Ludlow Elementary School's Mentoring Program
- Recognized Responsible Retailers as part of our effort, holding a Town Hall Meeting on Underage Drinking
- Promotion of our message on electronic and print media, and Okemo Valley TV to involve the public.
- Supported the schools with special prevention programs, and the Substance Abuse Counselor and other staff at the middle and high schools. We work closely with the VT Departments of Education, Health and Liquor Control in supporting collaborative efforts with law enforcement to improve the school climate and education.
- We are partners in the Green Peak Alliance and are working with Turning Point in Springfield to establish recovery coaches,
- Partnered with Regional Prevention Planning Commission to assist towns with policy reforms around alcohol use.

We could not do all of these things and the myriad of others we do without strong community support. Thank you for your tax levy support as well as the strong backing of the community. For more information, please contact us at 228-7878 or e-mail the Executive Director paul.faenza@braccvt.org.

On behalf of our youth and their families, thank you for supporting BRACC. Get involved, join us!!

BLACK RIVER ACADEMY MUSEUM

Black River Academy Museum
Report 2019

The Black River Academy Museum has had a busy summer season with a variety of school and cultural and educational programs.

We continue with our popular school program on Finnish Immigration program and will offer a Polish Immigration program this coming spring. We also offer a 'Day in a One Room School' for local students.

Our play 'Love, Loss and What I Wore' directed by Stephanie Rowe was a smash success.

We had a genealogy class in collaboration with the Senior Center. There has been a good number of visitor's coming to do genealogy at the museum.

We also collaborated with the American Legion doing an exhibit and BBQ at their facility. They were gracious hosts. Several members of the Legion and Ludlow community brought items for viewing. These items will be on display at the museum in spring.

Ongoing repairs need to be done on the building. First and foremost is the repair of our tower chimney on the river side of the building. Second is the repair of the sidewalk in the front of the building. We continue to do fundraising to help these issues as well as other building repairs.

With the closing of the high school in 2020 we anticipate many items coming to the museum for preservation for future generations. We have been planning and getting an exhibit space ready for these important items.

The Black River Academy building is one of Vermont's and Ludlow's historical architectural landmarks. The building was built in 1888 and served as the local high school until 1938. The museum's mission is to preserve the cultural, academic and ethnic heritage of the Black River Valley. The building is on the State and National Historic Registry. The support of Ludlow's tax payers helps us keep this historical building in shape.

October 8, 2019

The Black River Good Neighbor Services, Inc. mission is to provide confidential temporary food, clothing and financial assistance to those in need to help them return to self-sufficiency. We serve Cavendish, Proctorsville, Ludlow, Mount Holly and Plymouth.

The last full year for which we can report is the year ending December 31, 2018. As always we are committed to continue to offer quality programs to individuals in need in your town, thus we need your support.

In 2018 we provided qualified Ludlow residents with 56 holiday baskets, serving 70 adults and 31 children. Each basket contained enough food for a full holiday dinner for the particular family, and included toys/gifts for each child. The estimated value of this program's service to your town was \$5,711.88. In addition to the holiday basket program, in 2018 we provided qualified Ludlow residents with food shelf visits at an estimated value of \$32,010.00. We also distributed foods to individuals that qualify for the USDA food program. These individuals live on less than 185% of the federal poverty level. The government provides a couple of items per month. With BRGNS subsidy we distribute twice a month to these households a full grocery bag including local eggs, fresh produce, meat or fish, often cheese with a value to your residents in 2018 of \$59,111.00 This food was largely purchased by us from the Vermont Foodbank or locally, or was donated to us through various groups and organizations. Our Back to School program in 2018 served 31 children, providing each child with a backpack, school supplies and gift cards to help purchase shoes and clothing. 10 of the children were residents of the town of Ludlow. The value of the program was \$3,875.00. Our "Backpack" is a program providing school age children that would be getting food at school a weekly bag of food, the bag includes 2 breakfasts, 2 lunches, 2 snacks, 1 vegetable and 2 fresh fruits. This program ran for 8 weeks in the summer and 2 school vacations, 39 Ludlow children were enrolled in this program. The value of this program in 2018 was \$11,160.50. As you can see, we want to support the health and development of the children of your community.

Statistics for the entire area that we served during 2018 are as follows.

Estimated value of food shelf services was \$71,749.25

Estimated value of bi-monthly USDA food distribution was \$79,275.25

Estimated value of holiday baskets was \$10,684.00

The actual rental assistance was \$4904.00

The actual utility assistance was \$3,777.03

The actual fuel assistance was \$3,599.75

Estimated value of the backpack program was \$11,160.50

Estimated value of the back to school program was \$3,875.00

Estimated value of miscellaneous assistance was \$5,879.00

Ludlow Annual Report 2019

The Black River Valley Senior Center is located at 10 High Street in Ludlow and is a place for people to share meals and companionship. The Board of Directors has worked hard to expand activities to promote healthy senior living and to provide a fun and supportive environment.

Over the past year the Board of Directors, along with volunteers, has prepared a home cooked community lunch at the Center once a month, with a free bingo game to follow. Because of the success of the home cooked lunches, the Board is considering expanding the home cooked lunch to once or twice a week.

Meals on Wheels is also an important part of the Center's focus, providing meals to those compromised and homebound. The meals program is an essential support system for those in need. Hot meals are delivered door-to-door four days a week. There is no charge for the meals, and they are delivered by caring volunteers. For many homebound people, *the volunteer is the only visitor they see on a regular basis.*

Although Meals on Wheels is partially subsidized by the generosity of the service towns as well as state and federal funds, the Center also relies heavily on private donations, grants, donations from local community organizations and volunteer in-kind services.

The generous support from the Town of Ludlow is much appreciated and helps to provide needed services for local seniors and others.

Respectfully,

Black River Valley Senior Center's Board of Directors.

Ludlow Annual Town Report – FY 19

Green Mountain RSVP (GMRSVP), a program of The Corporation for National and Community Service-Senior Corps, is a nation-wide program for people age 55 and older who want to volunteer in their community. We help local non-profit organizations by recruiting and matching volunteers to meet community needs.

Your Town's funds are essential for us to continue to support and develop programs for seniors who wish to volunteer. Your funding enables us to support Ludlow volunteers with recognition and additional liability insurance, and education. Our staff and administrative costs are covered by federal funds from the Corporation for National and Community Service (CNCS) – Senior Corps.

There are currently 3 RSVP volunteers living in Ludlow and 9 serving in Ludlow.

- 1 at Black River Good Neighbor Services gathering supplies and making deliveries for the food shelf, thrift store and furniture store.
- 1 Leading the Bone Builder class at the Black River Valley Senior Center (BRVSC) This class was established in November 2018. RSVP provided weights, storage bags and water bottles to 16 class participants. BB meets Monday and Wednesday mornings at 10 in the dining room at the BRVSC.
- 7 are delivering Meals on Wheels to 42 people in Ludlow and surrounding towns. MOW operates from the BRVSC Monday-Friday all year long.
- RSVP volunteers work at the spring and fall BRGNS rummage sales, setting up, staffing and cleaning up. These are three-day events raising funds for the Food Shelf and other support programs.
- Collaborated with The Black River Valley Senior Center in the past year to educate the BOD about GMRSVP and check in on Meals On Wheels and Bone Builders. We will continue to help them develop their programming for seniors.

Our motto is Do Good, Feel Good. There are many benefits to volunteering, not only for the volunteer, but for the Ludlow community as well.

Please contact Corey Mitchell in our Windsor County office at (802) 674-4547 with questions or speak to me directly in the Bennington Office at (802) 772-7875. Thank-you for your continued support.

**Ludlow Elementary School
Mentoring Program Report
2019-2020**

A collaborative effort between the School and Black River Area Community Coalition (BRACC), the program is in its seventh consecutive year school year, and as of January 1st we have eight active mentors. The onsite coordinator is currently Marla Capposella, assisted by Kris LeFevre who is our SPED teacher, and Jo Bania, school to home liaison.

The Ludlow Elementary mentoring program is a school based program under the auspices of Mobius, Vermont's' Mentoring Partnership program. Mentors meet weekly with their mentee for an hour during school lunch time. Activities range from reading to building an elaborate model sailboat to arts and crafts, to one-on-one soccer and basketball. All mentors are background checked, receive training in appropriate interactions with the students and interactions occur under supervision of the school counselor.

In further testament to the success of the program, and in addition to the successful in school program, several mentor relationships have "graduated" to the community based program under the auspices of Rutland's Mentor Connector or Windsor County Partners; where mentors and mentees are authorized to meet outside of school time. Those are continuing matches that provide support to students as they mature through middle and high school and during the summer vacations.

Ludlow Elementary School and the Black River Area Community Coalition thanks you for your continued support of this important program. We are always in search of mentors for our program: One hour per week can make all the difference in the life of a child. Please consider becoming a mentor.

For more information please call the coalition office at 802-228-7878.

Founded in 2001, Okemo Valley TV is an independent, nonprofit community access television station and media center serving the Towns of Ludlow, Plymouth, Cavendish, Mount Holly, Andover, Reading, and surrounding region. We operate two channels on the local cable TV systems: the community access channel (Comcast channel 8 in Ludlow, Plymouth, & Cavendish, Comcast ch. 20 in Mt. Holly and on VTel ch. 166) and the Educational / Government access channel (Comcast ch. 10 in Ludlow, Plymouth, & Cavendish / Comcast ch. 21 in Mt. Holly / VTel ch. 167). We also operate a website (okemovalley.tv), featuring local programming (video-on-demand) and community announcements. We also provide community members with access to media production equipment and our facility, for the purposes of creating programming. We offer this, including hands-on trainings and workshops, free of charge.

During FY19, our portable equipment signed out a total of 225 times by volunteers, community produces, and staff use. Our editing systems were used by community members on 55 occasions (not including staff use). The studio was used to record programming on 37 occasions; this is lower than prior years due to construction during part of the year (details below).

In FY19, 1,410 new, unique programs were televised on our channels, for a combined total of 1,212 hours. Of those, 497 were locally-produced, amounting to 432 program hours. We created 250 community announcements for 128 different organizations, which played on the TV bulletin board, in between programming, & were published on our website. One of the key services that we provide is our “gavel-to-gavel” coverage of local government meetings. In total, during FY19, we covered / televised 165 local government meetings.

During our annual meeting in June 2019, we presented awards to community members who made an impact through the use of our services. These were Zach McNaughton (for “Producer of the Year”), Natasha Fortin (“Youth Producer”), Ludlow Fire Department (“Outstanding Achievement”), and Kelly Stettner / Black River Action Team (“Community Service”). In November 2018, we were recognized by the Northeastern chapter of the Alliance for Community Media with a 2nd place “Nor’easter” award, for a short video showcasing the opening of the Walker Farm facility at Weston Playhouse.

Our largest source of funding comes from cable TV franchise fees, which are charged to the cable providers, in exchange for their use of public rights-of-way. In Vermont, these fees are paid directly to the community access providers such as Okemo Valley TV. Our annual revenue in FY19 was \$194,839, down 7% from the previous year; the loss was due to changes in the way Comcast accounts for franchise fees. This was an unanticipated and permanent decrease to those funds. In addition, there are numerous other threats to this funding model for community access stations. In response, we have cut our operating budget by 10% in FY20, while we also look for ways to create efficiencies with our neighboring colleagues. Simultaneously, we look for ways to strengthen other revenue sources. Other sources of revenue include Town support, memberships, business contributions (through our underwriting program), and grants. Outside of our annual operating budget last year, we raised \$30,000 through grants (from the State of Vermont Buildings & General Services and The Marro Family Trust), for the building renovation project that gave us new control rooms and a classroom / conference room. This work was completed during May 2019.

ANNUAL REPORT

SENIOR SOLUTIONS (COUNCIL ON AGING FOR SOUTHEASTERN VERMONT, INC.)

Senior Solutions -- Council on Aging for Southeastern Vermont, Inc. -- has served the residents of Ludlow and Southeastern Vermont since 1973. We have offices in Springfield (main office), White River Junction and Brattleboro. Our mission is to promote the well-being and dignity of older adults. Our vision is that every person will age in the place of their choice, with the support they need and the opportunity for meaningful relationships and active engagement in their community.

Many of our services are available regardless of income. However, we target our resources to those older adults with the greatest social and economic needs. Supporting caregivers is an important part of our work. Senior Solutions can help caregivers assess their family's needs and options, connect with resources and local programs and provide short-term relief (respite) for those who are caring for loved ones.

The population of older adults is increasing, as are many costs associated with providing services. Vermont is the second oldest state in the country (median age) and within Vermont the highest concentration of elders is in Windsor and Windham counties. Unfortunately, our state and federal funding has been largely stagnant for many years. This means that financial support from the towns we serve is critical.

We continually seek funding from new sources to enable us to do more for people. This past year we received grants from the National Council on Aging to expand our outreach to vulnerable elders, the Granite United Way to expand our Friendly Visitor and Veteran to Veteran program and the US Department of Justice to assist victims of abuse in later life. Clients are given the opportunity to make a voluntary contribution to help support the services they receive. We also seek donations from the public and have established a planned giving program through the Vermont Community Foundation.

We strive to develop new programs to meet evolving interests and needs. This past year we implemented the HomeMeds program that screens older adults for medication problems such as drug interactions or harmful side effects, expanded our popular aquatics program for arthritis, trained counselors to provide the PEARLS home-based program for people with depression and trained instructors in Tai Chi for falls prevention. We provide financial support to volunteers interested in starting new evidence-based wellness programs.

This is a summary of services provided to Ludlow residents in the last year (08/01/18 through 07/31/19).

Information and Assistance: 219 Calls and Office Visits. Our toll-free Senior HelpLine (1-800-642-5119) offers information, referrals and assistance to seniors, their families and caregivers to problem-solve, plan for the future, locate resources and obtain assistance with benefits and completing applications. Callers were assisted with applying for benefits, health insurance problems, housing needs, fuel assistance and many other services. Extensive resources are also described at www.seniorsolutionsVT.org.

Medicare Assistance: 14 residents received assistance with Medicare issues through our State Health Insurance Assistance Program (SHIP). Our SHIP program provides Medicare education and counseling, “boot camps” for new Medicare enrollees and assistance in enrolling in Part D or choosing a drug plan.

In-Home Social Services: We provided 27 elder residents with in-home case management or other home-based services for 514 hours to enable them to remain living safely in their homes. Often minimal services can prevent premature institutionalization. A case manager works with an elder in their home to create and monitor a plan of care, centered on the elder’s personal values and preferences. Many people would not be able to remain in their homes but for the services of Senior Solutions. Senior Solutions also investigates reports of self-neglect and provides assistance to those facing challenges using a community collaboration approach.

Nutrition services and programs: 28 Ludlow seniors received 6903 meals at home through Black River Senior Center. Senior Solutions administers federal and state funds that are provided to local agencies to help operate senior meals programs, and provides food safety and quality monitoring and oversight. Unfortunately, these funds do not cover the full cost of providing meals, so local agencies must seek additional funding. Senior Solutions does not use Town funds to support the senior meals program or benefit from any funds given by the Town to support local Meals on Wheels. Senior Solutions provides the services of a registered dietician to older adults and meal sites. Assistance is also provided with applications for the 3SquaresVT (food stamp) program.

Caregiver Respite: Through grants we provide respite assistance for caregivers of those diagnosed with dementia or other chronic diseases.

Transportation: Senior Solutions provides financial support and collaborates with local and regional transit providers to support transportation services for seniors that may include a van, a taxi, or a volunteer driver. Special arrangements are made for non-Medicaid seniors who require medical transportation.

Other Services: Senior Solutions supports a variety of other services including health, wellness and fall prevention programs, legal assistance (through Vermont Legal Aid), assistance for adults with disabilities and home-based mental health services. Senior Solutions has a flexible “Special Help Fund” that can help people with one-time needs when no other program is available.

Our agency is enormously grateful for the support of the people of Ludlow.

Submitted by Carol Stamatakis, Executive Director.

We thank the residents of Ludlow for their support.

The District hosted four backyard composting workshops in spring 2019 and we plan to continue that schedule in 2020. Attendees were able to purchase a composter for the greatly discounted price of \$30.00 (additional units were \$50). These prices will be offered again. All food scraps will be banned from the landfill as of July 1, 2020. The Ludlow Transfer Station accepts food scraps (including meat and bones) for free.

Five hundred and twenty-four people brought household hazardous waste (HHW) to the District's three collections in FY19, including twenty-two Ludlow residents.

The District will host two HHW collections in 2020 – dates and times to be determined.

Two retailers in Ludlow accept unwanted paint year-round. Bring paint to Aubuchon Hardware or LaValley's during regular business hours and dispose of the paint **for free** (cans must be labeled, not leaky, not rusty; bring unlabeled, leaky, or rusty cans of paint to an HHW event).

AA, AAA, C, D, 9v, hearing aid, coin cell, tool, and rechargeable batteries are accepted at the Ludlow Transfer Station. Batteries are "special recycling" and do NOT go in with other recycling. The Current Town Report Town of Ludlow FY 20

We thank you again for Ludlow's contribution last year of \$7,250. As a private non-profit 501c3 transportation company since 2003, The Current relies heavily and more than ever on local contributions. These funds allow us to draw down federal funds and provide operating support and the required match for our new vehicles. Ludlow has contributed to us for many years, and we thank you again for your support.

The Current's mission is to provide a safe, reliable and efficient transportation system that supports economic opportunity and quality of life for the 30 Windham and southern Windsor County towns we serve. We operate bus routes and senior and disabled non-emergency medical transportation services through our fleet of 23 buses, vans, and a network of 15 volunteer drivers. We receive state and federal grants, contributions from towns and resorts, fares, and contributions from our human service partners.

The Current's total operating expenses last year were \$2,642,941. We provided 153,691 bus, van, taxi, and volunteer rides. Our buses and vans traveled 872,290 miles over 29,500 hours.

Ludlow's contribution supports continuing public transit in your town and throughout the region. Service levels vary by town and from year by year. A town's transportation needs can be minimal some years and large the next. We need your help to remain a healthy company to be able to respond to needs of the elderly, disabled, or in an emergency or crisis when the need arises.

In Ludlow we operate two fixed routes that travel from Bellows Falls to Ludlow and van and volunteer services for the elderly and disabled. We provided 5989 rides at a cost of \$131,971 in FY19. We are requesting a \$7,250 contribution from the Town of Ludlow this year. We hope you will support our funding request.

We are always seeking input to improve our services. Please contact me to let us know how The Current may improve service in your community.

Thank you!

TRSU AFTER SCHOOL PROGRAM – FY 2019

For 15 years the TRSU After School Program (ASP) has been providing high quality after school programming for Ludlow and Mount Holly students and families. In 2019 the TRSU After School program served children in grades K-6 at Ludlow Elementary and Mount Holly school, both during the school year and for 7 weeks during the summer. We are delighted to serve more than 80 students daily throughout the year. In total more than 150 students access our programs yearly. The After School Programs currently serve more than 85 percent of the towns' student body. In July of 2019 the Ludlow and Mount Holly communities received an extension of their 21C grant (\$430,000), guaranteeing 5 more years of quality programming in our communities.

The goal of the After School Program is to provide its' students and families with expanded opportunity for academic learning, social and emotional skill development, and physical exercise in collaboration with schools, the recreation departments, local government, community organizations and families. We continue to have strong partnerships with the Town of Ludlow Recreation Department, Okemo Valley TV, Fletcher Memorial Library, and BRACC.

With free and reduced lunch numbers above 50 percent, our main focus is on serving the needs of working families. We are open daily from early September until mid-June. We are open on vacation days and in-service days, allowing working parents the ability to work and giving kids a seamless transition.

In 2019 the ASP provided more than 800 hours of academic support to students through homework club, tutoring, and math support groups. In most cases licensed classroom teachers lead these activities and had the opportunity to reteach and support student learning. We provide more than 15,000 healthy snacks to local families each year. Beyond feeding children our staff teach social skills, and provide emotional support to families. Lastly, we give students and families the opportunity to enroll their child in enrichment activities. In 2019 we provided 400 hours of high-quality STEM education, extended library hours, taught music lessons, comic book design classes, video production, increased physical fitness, offered coding, CPR certification, photography and much more. Providing after school care is more than just a safe place to stay or a place to hang out, our students are achieving monumental gains academically while practicing the social and emotional skills so vital to leading a healthy life.

After school programming is equally important during the summer. This year we opened the first 21C outdoor summer camp of its kind in Vermont. More than 100 children, across the SU, played barefoot in the woods and streams of West Hill while participating in 390 hours of robust programming in STEM, literacy, world studies, music, and economics. Go WILD provided high quality academics and physicals education programming while weaving in social and emotional learning throughout the day. These out of school hours give students the opportunity to continue learning throughout the summer while having fun. The ASP also provided daily transportation across the district and served 3,000 meals during the summer to local community children.

We are thrilled to be part of your community, and are grateful for the support we receive. It is an honor to serve the working families of Ludlow and Mount Holly. Thank you for supporting our programs!

Sincerely,
Venissa White
TRSU After School Program Director

Vermont League of Cities and Towns
Serving and Strengthening Vermont Local Government

About the League

The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state. The most recent audited financial statements are posted on our website, vlct.org/about/audit-reports, and show that our positive net position continues.

Member Benefits

All 246 Vermont cities and towns are members of VLCT, as are 139 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

- **Legal, consulting, and education services**, including prompt responses to member inquiries. In 2019, VLCT continued to provide members with timely legal and technical assistance, including answering more than 4,000 legal questions and publishing legal compliance guidance, templates and research reports, many of which are available to our members on our website.
- **Training programs on topics of specific concern to officials** who carry out the duties required by statute or are directed by town meeting mandates. The League provided training on various topics related to municipal law and governance to more than 1,000 members this past year.
- **Representation before the state legislature and state agencies**, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to achieve tangible results on pressing issues such as road and bridge repair, cybersecurity, housing and economic growth, renewable energy, emergency medical services, reducing carbon emissions, and ensuring water quality. Members are also represented at the federal level primarily through our partner, the National League of Cities, as well as directly with Vermont's Congressional delegation.
- **Access to two exceptional insurance programs.** The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Employment Resource and Benefits Trust (VERB) provides unemployment insurance, life, disability, dental, and vision insurance products to members at a competitive price. Both programs provide coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are *only* available to VLCT members.
- **Access to a host of educational and informative materials and member conferences**, including a news magazine, handbooks, reports, articles, and events that all focus on the needs of local government and provide additional educational and networking opportunities.

At the heart of all these activities is VLCT's commitment to serving as a good steward of member assets, and we are proud of the progress we continue to make in that effort. Members are welcome to visit the VLCT office anytime to review the operations of the organization, to ask questions, and to access resources that can help each individual official and employee carry out the important work of local government.

VISITING NURSE AND HOSPICE FOR VT AND NH
Home Health, Hospice and Pediatric Services in Ludlow, VT

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is a compassionate, non-profit healthcare organization committed to providing the highest quality home health and hospice services to individuals and their families. VNH provides care for people of all ages and at all stages in life, and delivers care to all, regardless of ability to pay.

VNH services reduce costs associated with town programs for emergency response and elder care. With quality care provided at home, there is less need for costly hospital and emergency room trips. And with VNH support, residents can age in place rather than relocating to a state or local nursing home.

Between July 1, 2018 and June 30, 2019 VNH made 3,563 homecare visits to 106 Ludlow residents. This included approximately \$68,264 in unreimbursed care to Ludlow residents.

- **Home Health Care:** 1,391 home visits to 74 residents with short-term medical or physical needs.
- **Long-Term Care:** 460 home visits to 14 residents with chronic medical problems who need extended care in the home to avoid admission to a nursing home.
- **Hospice Services:** 1,696 home visits to 17 residents who were in the final stages of their lives.
- **Skilled Pediatric Care:** 16 home visits to 1 resident for well-baby, preventative and palliative medical care.

Additionally, residents made visits to VNH wellness clinics at local senior and community centers throughout the year, receiving low- and no-cost services including blood pressure screenings, foot care, cholesterol testing, and flu shots.

Ludlow's annual appropriation to VNH helps to ensure that all have access to quality care when and where it is needed most. On behalf of the people we serve, we thank you for your continued support.

Sincerely,

Hilary Davis, Director Community Relations and Development (1-888-300-8853)

**Town Narrative - Narrative
For July 1, 2018 - June 30, 2019**

Windsor County Mentors (formerly Windsor County Partners) is in its 46th year of building healthier communities through youth mentoring. Our community-based Pals program extends across the county. Mentored youth learn life skills, provide community service and participate in cultural and athletic activities. In our surveys, 100% of the young people in our Pals mentorships report that having a mentor has made a difference in their life.

WCM creates partnerships where mentors are matched with a child. Matches are made up with children up to age 12. Since matches are renewed annually, mentored children range in age from 7 – 18. These mentoring partnerships meet for 2 hours per week for at least a year, with many partnerships continuing on for years.

In FY 2019, WCP served and supported 34 school- and community-based mentorships, with children from 12 local towns. Collectively, these mentors volunteered over 1900 hours. Our mentees were distributed among 16 Windsor County public schools. Our surveys demonstrate the positive affects of mentoring. Mentors (94%) report that their mentee is gaining social skills. Mentee parents (94%) said that they would recommend mentoring to others and mentees (89%) reported feeling hopeful about the future.

WCM has invested in three part-time regional outreach coordinators who are serving the towns in their region to increase the number of mentors recruited and the number of mentor matches.

Financial support from Windsor County towns helps ensure the well-being of children and their families. For more information on our mentorships, find us on Facebook, visit our website www.wcmentors.org or contact us at ProgramsWC@outlook.com 802-674-5101. WCM thanks the voters of Ludlow for their support for the children of Windsor County.

**Women's Freedom Center's
Statement of Services
And
Report to the Town of Ludlow**

The mission of the Women's Freedom Center is to work to end physical, sexual and emotional violence against the women and children of Windham and Southern Windsor Counties. The Freedom Center works to fulfill its mission by educating the community regarding the root causes of violence against women, challenging the systems that help keep it in place and by providing support and services, including shelter and safe housing, to all survivors and their children who have experienced domestic violence, sexual assault, stalking, and dating violence. Since our beginnings in 1974, we have provided support to the survivors of these crimes, as well as consultation and educational activities to a wide range of community groups to help create a community in which violence is not tolerated.

Emergency support such as shelter, safety planning, financial assistance, and information and referral is available 24 hours a day, 365 days a year. Ongoing individual and group support for survivors and children; legal, medical, housing and social services advocacy; and cooperative work with other agencies are provided during the week. Due to the rural nature of Windham County and the isolation inherent in many abusive relationships, we are committed to meeting with survivors wherever we may do so safely. Sometimes this means assisting them to get to us and other times it means us going to them, somewhere safe in their community.

During the fiscal year July 1, 2018 through June 30, 2019, the Women's Freedom Center responded to 2,010 hotline calls, sheltered 123 people (83 adults and 37 children) and had 8,660 contacts through which we provided thousands of hours of individual and group support, advocacy, emergency financial and housing assistance, access to legal representation, transportation and childcare to **1,441 people** (882 women, 52 men, 3 gender non-binary individuals and 504 children) who were abused. These figures include at least 28 survivors—15 adults and their 7 children— from Ludlow. In addition, we provided community outreach activities including school presentations and workshops throughout Windham and southern Windsor County.

The Women's Freedom Center is a private, non-profit organization relying heavily on community support to provide our free and confidential services. We thank you for your Town's contribution to the Freedom Center and hope you will look at it as an investment in creating a future free from violence, something we all deserve.

Regards,

Vickie Sterling
Executive Director
Women's Freedom Center

Motion made by Mr. Kolenda to propose the following salaries: select board members \$1,500, Cemetery Commissioners \$800 and Trustee of Public Funds \$300, second by Ms. Carter. Ms.

Carter asked why we never give these officials and raise and the question was asked when the last raise was. Moderator Nitka stated many years ago. There was no further discussion. The motion was voted and the article was adopted.

ARTICLE 7. Shall the Town of Ludlow collect taxes on Real Property in installments, taxes to be paid to the Town Treasurer on August 15, 2019, November 15, 2019, February 15, 2020 and May 15, 2020? Then the Select Board shall set the tax rate necessary to raise this amount after the Grand List has been completed and lodged in the office of the Town Clerk. **The amount to be raised by taxes will be (\$4,118,182.73) Four Million, One Hundred Eighteen Thousand, One Hundred Eighty-Two Dollars and 73/100.**

There was no discussion. The motion was voted and the article was adopted.

ARTICLE 11. Shall the voters of the Town of Ludlow authorize the Select Board to maintain a Fire Equipment Fund? **The amount to be raised by taxes will be \$20,000.**

Motion made by Mr. Thomson to adopt the article, second Ms. Bixby. Mr. Kolenda stated the Fire Fund has a balance of \$207, 926. Generally this fund is reserved for fire equipment, actually new vehicles and the next new vehicle we propose is 5 years down the road. We are looking at a \$500,000 vehicle. The last purchase was \$556,000. I had discussions with Mr. Murphy about air pack replacements. I take the blame for not realizing where the money was going to come from during the budget process. I noticed that the money was coming out of the Fire Equipment fund when I looked at the Town Report. The air packs are budgeted at \$50,000 for the cost and the revenue coming from the Fire Fund. I was under the impression that a note would be taken out for the air packs. I take the blame for not discussing the funding for the air packs. Our air packs are 25 years old and will have to spend about \$200,000 in the next four or five years to replace all the air parks. That will be a discussion for next year's budget. He recommended to increase the amount to \$40,000. Mr. Thomson made a motion to amend the article to \$40,000, second made by Mr. Vanguilder. Moderator Nitka hesitated as amendments are supposed to be germane and doubling something is it still the same article. He let it go. No further discussion. The amendment was voted and passed. No further discussion on the amended article. The amended article was voted and the amended article was adopted.

ARTICLE 12. Shall the voters of the Town of Ludlow authorize the Select Board to maintain a Police Equipment Fund? **The amount to be raised by taxes will be \$5,000.**

Motion to adopt the article was made by Ms. Gurdak, second by Ms. Carter. There was no discussion. The motion was voted and the article was adopted.

ARTICLE 13. Shall the voters of the Town of Ludlow authorize the Select Board to maintain a Recreation Facilities Fund for recreation purposes? **The amount to be raised by taxes will be \$5,000.**

Motion to adopt the article was made by Ms. Thomson, second Mr. Pace. There was no further discussion. The motion was voted and the article was adopted.

ARTICLE 14. Shall the voters of the Town of Ludlow authorize the Select Board to maintain a Capital Fund for repairs and restoration at the Ludlow Town Hall? **The amount to be raised will be \$5,000.**

Motion to adopt the article was made by Mr. Pace, second by Mr. Stearns. There was no discussion. The motion was voted and the article was adopted.

ARTICLE 15. Shall the voters of the Town of Ludlow authorize the Select Board to maintain a Capital Fund for repairs and restoration at the Ludlow Community Center? **The amount to be raised by taxes will be \$5,000.**

Motion to adopt the article was made by Mr. Boehrer, second by Mr. Isaacson. There was no discussion. The motion was voted and the article was adopted.

ARTICLE 16. Shall the voters of the Town of Ludlow authorize the Select Board to maintain a Capital Fund for repairs and restoration at the Black River Senior Center? **The amount to be raised by taxes will be \$2,500?**

Motion to adopt the article was made by Mr. Welch, second by Mr. VanGuilder. There was no discussion. The motion was voted and the article was adopted.

ARTICLE 17. Shall the voters of the Town of Ludlow appropriate the sum of **\$7,250.00 to The Current and Marble Valley Regional Transit Company of Rutland** to support the public transit bus service to Ludlow, from Bellows Falls and from Rutland?

Motion to adopt the article was made by Mr. Isaacson, second by Ms. Leary.

Mr. Pace asked if there were numbers to indicate the use of this. Mr. Murphy stated there is in their letter in the Town Report. There were 394 rides at a cost of \$12,044. Ms. Gurdak transportation is a huge issue in Windsor County. This service makes stops at individual homes. Ms. Leary state if it was not for the Current her mom would not have lasted as long as she did as she used the Current to go for her dialysis treatments. There was no further discussion. The motion was voted and the article was adopted.

ARTICLE 18. To transact any other business necessary and proper when met.

Mr. Vanguilder asked how the fire department was doing in recruiting new members. Mr. Kolenda stated as every other fire department in the country we are lacking, the age of the members is a big factor. We have gotten a couple of new members and hope to get several more. Mr. Vanguilder would like to thank the garden club, the wonderful legion we have in Town. The Legion before Memorial Day put a flag on every veteran's grave site. Also, the flags throughout our community are maintained by the veterans from the Legion. Mr. VanGuilder said we appreciate our veterans with great applause.

Senator Alice Nitka read and presented a Senate Concurrent Resolution to Ralph Pace for his community leadership and public service. She then went on to read the resolution.

Representative Logan Nicoll gave a brief outline of happenings in Montpelier. He represents Ludlow, Mount Holly and Shrewsbury. He stated he has coffee hour every Monday mornings from 6:00 AM – 9 AM. First he was at Belmont Store, next week at Sweet Surrender Bakery and the following Monday he will be at Pearce's Store in Shrewsbury and then back to Belmont Store. He is there to answer any questions taxpayers or concerns they may have. I have been elected to the Human Services Committee. We are working on child care, mental health and substance abuse. Now we are working on a massive child care bill and we hope it will make child care affordable. We are also working on vaping (e-cigarette) bills. Next week is crossover week meaning any bill that starts in the House and does not make it the Senate and any bill that does not make it out of the Senate to the House is essentially dead except the budget. Next week is going to be a busy week.

Bruce Schmidt, on behalf of the select board and myself personally, I wanted to thank Logan for the time he served on the select board. He has been actively involved in the Town Planning Commission. I have always have enjoyed his desire to find a compromise and to work through some of the challenges we face.

Marissa Selleck gave an up- date on the plans for the independent school. They began their capital drive a few weeks and have had a great response. John Bannon, teacher at Black River High School, spoke on behalf of opening an Independent school. We are working on an application to the state, we have done the design work for the curriculum to make it really flexible so we feel we could run the school no matter how many kids we have. We are learning a lot

about fund raising. Part of act 46 is that the School Board could offer the building to the Town for a \$1 should they choose to do this. We would really like to work with the Town if this opportunity comes up.

Joann Wilson asked what is the process to decide if the town wants to purchase the building. Bruce Schmidt responded we are not quite sure but will have it on our agenda for the April meeting to have the Town Manager start looking into the process. There are many steps of what do we do with the property that is there, do we subdivide it and then there is the expense of maintaining the building that would have to be in our budget. We are just starting out. It was questioned if a decision would be made by May and Mr. Schmidt responded that speaking for myself it will not be May. There is more information that needs to be looked into and the townspeople need to understand that it is a pretty significant decision but at the same time it is a building you see coming into town, it is important that we not let it fall into disrepair.

Mr. Pullinen asked if that is a decision that is made by a vote or decided solely by the select board. Mr. Schmidt responded I don't know but we need to get more information what others have gone through. It probably is a big enough decision that we may want to have a town wide vote. We want public input on this. Mr. Pullinen asked in the event that the property is not purchased by the Town, what would likely happen if the school maintains possession of it. Mr. Schmidt responded he is not sure but we do need more information.

Marissa Selleck wanted to give an update on the West Hill recreation program. There is a real effort going back into it to invigorating to get it back to be a great resource.

There was no further business. Move to adjourn made by Mr. Pace, second Mr. Vanguilder. Meeting adjourned at 8:15PM.

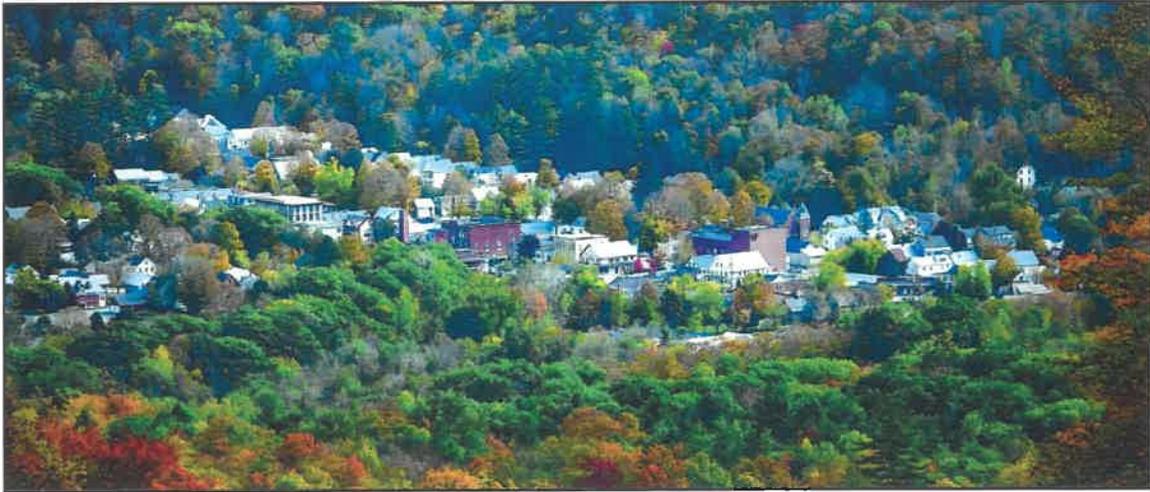

Respectfully submitted,

Ulla P. Cook, Town Clerk

Martin Nitka, Moderator

Jean Strong, Chairman BCA
