Dear Christopher:

Even several weeks after you were here at the State House with Leadership Champlain, I continue to be incredibly impressed (and humbled) by your group's presentation. I wanted to take just a moment to thank you, and to let you know what an impression it made -- not just on me, but also on the other elected officials who were here that day.

I didn't realize when I met with you the first time that I would be the sole subject of such a detailed presentation. Although (as you may have guessed) I'm not always too comfortable being the center of attention, I thought you folks did an incredible job.

Please don't ever hesitate to reach out if I can be of any help to you in the future. Stay in touch!

Sincerely,

Phil Scott
