

Ms. Diehl,

Please enter my testimony against H566, H567, and H568. As a resident of South Burlington, vegetarian, non-hunter, yoga therapist/teacher, and one who doesn't identify as a Republican or conservative, I am in firm opposition to these unconstitutional proposals. They are in direct violation of Article 16 of the Vermont Constitution and Sportsmen's Bill of Rights. H566, H567, and H568 will do nothing to prevent violent gun crime.

Sincerely,

Todd Otten
