Frank Maltese asked if there are any plans for the Old Town Garage? Brad Rafus stated we plan to dismantle it this spring/summer.

Mary Brewster announced you may have noticed there are items in the entrance area to the town office that are there free for the taking. These items came from my non-profit called Healing Arts Institute. We sponsor 2 programs one which is Kids Space which works with special needs children and the other is a Stewardship Project which I have been doing this for 30 years.

Donations are given through memberships that we have with Home Depot, Pottery Barn and Williams Sonoma, we are incorporated in VT, MA, CT, FL, if you need something give us a wish list, contact me or the Listers' office. Home Depot gives us about \$ 5,000 worth of merchandise a month.

The meeting was adjourned at 2:00 P.M.

Attest: Patricia Dow /s/
Town Clerk

MINUTES
TOWN OF HALIFAX
ANNUAL TOWN SCHOOL DISTRICT MEETING
MARCH 7, 2017

Pursuant to notice the inhabitants of the Town of Halifax, Vermont, who are legal voters in the Annual Town School District Meeting met at the West Halifax Elementary School multi-purpose room in West Halifax, Vermont, on Tuesday, March 7, 2017. The meeting was called to order by Moderator Paul G. Blais at 1:00 P.M. Moderator Blais introduced the School Directors - Homer K. Sumner, Paul Blais and Kimberly Tefft; School Principal – Sandie Pentak and the Superintendent; and Town Clerk - Patricia Dow.

ARTICLE I: The results of the election by Australian Ballot for school district officers were as follows:

Moderator - one year

Paul G. Blais

School Director - three years

Paul G. Blais

ARTICLE II: Voted to appropriate \$ 1,486,738 necessary for the support of its schools for the year beginning July 1, 2017.

ARTICLE III: Voted to authorize the School Directors to borrow money on the notes of the Town School District or otherwise in anticipation of taxes

ARTICLE IV: To transact any other nonbinding business brought before the meeting.

Doug Parkhurst asked if it could be explained how a side by side district works?

Sumner explained that to form a side by side, one side has to be the same. A unified district called Southern Valley would be Halifax, Readsboro, Stamford are all K8 schools that would be one side and Whitingham/Wilmington being a K12 would be the other side. A Superintendent would be shared. We would still have school choice we would keep our small schools grant and keep our hold harmless. To come up with a per pupil cost of education you take the total budget deduct revenues and divide by number of equalized students. Last year we got \$ 398,314 this year will be \$ 295,993 dollars. \$103,000 lost on revenues this raised our per pupil cost by over \$1,000. To lose \$70,000 small schools grant looking at about another \$750 to \$800 per pupil spending.

Ray Combs asked if we are in the penalty phase? Sumner stated no, \$17,386 is the penalty phase and Halifax is at \$13,900.

Marilou Parkhurst stated we don't have any students in first grade, are we going to have a kindergarten next year? Sumner stated yes, we know of roughly 7 new Kindergarteners for next year and we have projections for Kindergarteners for the next 2 years. July 1 we started funding preschool and we get reimbursed. We had 10 participants this year.

Mary Brewster asked about the governor freezing budgets on education. Sumner stated the Governor put a proposal to freeze all school budgets. The school board budgets in the state are down 1.67%, tax rates are up 3.14%.

Halifax School District meeting was adjourned at 1:46 P.M.

Attest: Patricia Dow /s/
Town Clerk

Cael Scholarship Fund and School Awards Funds

Cael Fund

The Cael Fund, established in 1968 by Donald D. Cael provides scholarships to Halifax residents pursuing post-secondary education. The interest from the Fund is awarded to eligible students by the Scholarship Committee, comprised of members of the School Board and the Board of Selectmen of Halifax. Awards are based on the criteria established by Donald C. Cael in his Last Will and Testament.

Funds are held in certificates of deposit at TD Bank and Brattleboro Savings and Loan. Interest from these CD's is accumulated in money market accounts at both banks and in a core checking account at TD Bank.

During the 2016-2017 year, one CD at TD Bank matured and was moved to Brattleboro Savings and Loan. A new CD was also established from accumulated interest in the TD money market at Brattleboro Savings to provide increased interest income. In the 2017-2018 year, the two remaining CD's at TD Bank will mature (May and June) and be moved to Brattleboro Saving along with the TD Bank money market account and core checking.

School Funds

School Funds are donations from Halifax residents which provide monetary awards for excellence in various areas by Halifax Elementary Students. They are given out at the end of the school year. These funds are held in the CD accounts as well the TD Bank core checking account. In September, 2016, William Ashcroft donated moneys to create a new school award for academic progress. Currently, the School Fund is responsible for five awards: Mary P. Butterfield for Citizenship; Hank Wonsey for Outstanding Poet; Elizabeth Stott for Willingness; Sam Maltese for Writing; and William Ashcroft for Academic Progress.

Town of Halifax – Auditors Annual Report

We reviewed the records of Town Treasurer, Road Commissioner, Delinquent Tax Collector and other municipal offices provided for the period ending June 30, 2016. We closely looked at the bank accounts and analyzed activity for the trust funds and delinquent tax collections. Records appeared to be very clean with clear audit trails.

We conducted the annual Town audit for Fiscal Year Ending June 30, 2016 in accordance with the statutory requirements identified at 24 V.S.A. § § 1681, 1682(a). This statutory requires that the elected auditors view the accounts of local officials and report the findings directly to the taxpayers for review through the annual Town Report. Auditors may make notes to bring irregularities to light, but may not change the actual reports provided by the municipal officials.

Through our review and testing of the financial documents requested of the Treasurer, Select board and other municipal officials we were able to obtain reasonable assurance that the financial records presented within this annual report are free from material misstatement. Do note that records are kept on a cash basis rather than the accrual basis, therefore income is recorded when the cash or check is received and the expenses are not counted until they are actually paid.

We were not able to attend any training this year.

We have done our best to review the records provided by municipal officials. We would like to remind you that all financial records are available upon request from Town Officials if additional questions remain.

Respectfully submitted,

Sarah Barnett (Chair)

April Sumner Dupuis

Diane Longe

Town of Halifax Selectboard Report For FY 2017

In FY17 (July 1, 2016-June 30, 2017), the Selectboard held 35 meetings. They approved the Halifax Hazard Mitigation Plan, updated and approved the Town's Drug and Alcohol policy, and signed a net metering agreement with Sky Solar/Encore to take advantage of the savings which will result from the solar project at the Windham Solid Waste Management District's landfill site.

After voters approved funds to pay for recycling services to the Town, the Selectboard contracted with TAM, Inc. to collect recyclables, utilizing boxes provided by WSWMD. The award of a \$15,000 VY/DEMHS grant made it possible to replace the aging generator at the Town Garage with a new, larger unit. A special election on zoning repeal in August 2016 resulted in a vote to retain the Town's zoning regulations.

State-mandated testing has been performed at the Halifax landfill since its closing over twenty years ago, and in FY17 the Town received preliminary documentation of permission to end sampling. However, a new test showed evidence of PFCs, necessitating additional monitoring for that chemical.

The Selectboard also authorized two surveying projects; one survey clarified a portion of Town property boundary line, and the other laid out the boundaries of a piece of land gifted to the Town by Irene Wineburg. This parcel will increase the size of the West Halifax Cemetery.

The Selectboard encourages citizens to attend meetings and stay informed about happenings in the town. Regular meetings are held on the first and third Tuesdays of each month at 7:00 p.m. in the Halifax Town Offices. Special meetings, as needed, are warned on the town web site (halifaxvermont.com), the town's bulletin boards, and in the Brattleboro Reformer. If you are interested in any of the town's appointed positions, listed in this Town Report, please submit a letter to the Selectboard or email the secretary at halifaxsecretary@gmail.com. Appointments are made during the first two meetings following Town Meeting.

Friends and neighbors,

Another year has come and gone. A wet year that helped keep brush fires to a minimum.

We bought six sets of new gear; coats, pants and boots. We also got five hundred feet of four inch hose.

I wish to thank the people that donated to our fund so we could buy this equipment. I also wish to thank our firefighter for their help.

Many thanks,

Wayne Courser, Chief

Halifax Listers' Report

In 2017 there were very few grievances and all were satisfactorily resolved, with no Board of Civil Authority appeals. We continue to follow up zoning permits with site visits and respond to requests for re-evaluations. It is always our goal to maintain timely and accurate property records, participate in continuing education, and respond to the needs of our community. This year our team was joined by Tina Blais and we say a fond farewell to Robbin Gabriel, who remains a great source of guidance and information.

It is always our intent to be open, consistent and fair during the assessment process. The Listers invite all property owners to call upon them to address any questions they might have. Our office hours are Wednesdays from 9am to 3pm; our phone number is 802-368-2080; email: halifaxlisters@myfairpoint.net. We are always willing to accommodate alternative appointment times to meet the needs of the community.

Planning Commission and Zoning Board of Adjustment Report

The Halifax Planning Commission and Zoning Board of Adjustment welcomed one new member this year. Alice Aldrich was appointed to the Planning Commission and the ZBA by the Selectboard on April 4th, 2017, after Chairwoman Sirean LaFlamme retired at the end of her recent term in March. After reorganization, Turner Lewis agreed to serve as Chairman, with Bill Pusey as Vice Chair. Other members of the Commission and ZBA are Kaitlin Stone and Patty Dow.

During FY17 the Planning Commission approved two subdivision requests, reviewed and approved updated versions of the Town's permit forms, and heard commentary from citizens on the Town's zoning regulations. The Zoning Board met just once, in February, to assist in resolving some building permit questions.

Regular Planning Commission meetings are held the second Tuesday of every month at 7:00 p.m. in the Town Offices. Agendas and minutes are available on the Town website, halifaxvermont.com, and citizens are encouraged to attend and contribute their comments and ideas.

Road Commissioners Report

Another year has come and gone .the large Branch Road project was completed this year, changing culverts, removing trees for ditch work and bank sloping.1.5 miles of road was reclaimed and repaved. Total cost was \$245,000.00. We received a Class 2 road grant of \$175,000.00 for this project. A new bridge deck was installed on the Deerpark Bridge making it wider than the previous deck with upgraded guard rails .Total cost of this project was, \$56,000.00 .We received a structure grant for this project of \$45,000.00 .The Town crushed gravel in our own gravel bank with a total cost of 4.97 a yard, eliminating the trucking cost saving the Town approximately \$15.00 dollars a yard.

Thank You for the opportunity to serve this Community

Brad Rafus

Road Commissioner

New Hampshire and Vermont Region

The American Red Cross of New Hampshire and Vermont is on call to help our community 24 hours a day, 7 days a week and 365 days a year. A local Red Cross volunteer is often the first "neighbor on the scene" after a disaster strikes – offering a hot cup of coffee, a warm blanket, and a glimmer of hope to those in need. Supported primarily by volunteers, the Red Cross provides emergency support for victims of fire, flood, and other disasters as well as instruction in health, safety, and aquatics courses. Whether we are helping one family recover from a devastating home fire, providing emergency shelter and supplies to hundreds of families after a major disaster, or food and water for first responders, we have historically been a vital part of the local community.

It was our privilege to continue to serve the residents of Halifax and surrounding communities in 2017. In the past fiscal year, we have:

- Responded to 254 disaster incidents in our region, providing essential support to 1,139 individuals. We responded to 1 incident and served 4 individuals in Halifax.
- Collected 92,469 pints of blood and blood products at over 3,200 drives. 40 of these drives were in Windham county, where we collected 1,438 pints of life-saving blood.
- Empowered 1,100 trained volunteers to assist their neighbors during times of need.
- Trained 29,482 people in our various health and safety courses, including 63 courses in Windham County where 318 people were taught lifesaving skills, including First Aid and CPR.
- Installed more than 2,200 free smoke detectors in homes and worked with families to create fire-evacuation plans. 435 of these smoke detectors were installed for your friends and neighbors throughout Southern Vermont.
- Connected 628 military members with their families and loved ones with the help of our Service to the Armed Forces department, including 10 Windham County residents who are currently serving.
- Proudly maintained an efficiency rating of 91%, meaning .91 cents of every dollar goes directly to support the programs and services provided by the American Red Cross.

Since the Red Cross is not a government agency, we rely on individuals, businesses and local communities to support our efforts in helping to prevent, prepare for, respond to, and recover from emergencies. Toward that end, we are asking each community for a donation to support our work. We would greatly appreciate your support in the amount of \$250.00 for the next year. Your partnership will help ensure that the American Red Cross has the resources to support communities throughout Vermont and New Hampshire when they need it most.

If you or someone you know experiences a fire, flood or other disaster and needs assistance, please call (802) 660-9130 option 1, anytime 24/7.

Sincerely,

Rachel Zelle
Development Specialist

Brattleboro Area Hospice provides non-medical, volunteer-staffed programs for dying and grieving community members. We develop, train, place and support volunteers. We provide education and outreach to increase our community's understanding of and ability to cope with the issues of death and dying.

Brattleboro Area Hospice is dedicated to the belief that each of us can offer companionship and support to those around us who are dying or grieving. Our volunteers provide wide-ranging support to clients and their families regardless of whether a patient resides at home, is in a hospital, a long-term care facility or some other location. Hospice volunteers organize and participate in round-the-clock vigils when end of life is close and family can't be present. We offer bereavement support groups creating a safe environment for sharing experiences, exploring feelings, providing mutual support and gaining insight into the grieving process. We publish a bereavement newsletter SEASONS, offer one-on-one grief counseling, and conduct an Annual Service of Remembrance at our Hospice Memorial Garden at Living Memorial Park.

Two years ago, we began an Advance Care Planning initiative, Taking Steps Brattleboro, with the goal to achieve a significant increase in the numbers of people who have completed the Advance Care planning process. Brattleboro Area Hospice offers trained volunteers to help people through the process of developing advance care plans and registering advance directives.

One hundred percent of our funding is local—we receive no money from state, federal or insurance sources. All of our services are offered free of charge. We are grateful to provide this compassionate care to our friends and neighbors, and grateful for the community's support which makes our work possible. Your financial support helps to make this possible.

In the past year, Brattleboro Area Hospice served 10 Halifax residents. One Halifax resident serves as a volunteer currently. Please call us at 257-0775 with any questions on death or dying or visit us at www.brattleborohospice.org

Deerfield Valley Community Partnership

The Deerfield Valley Community Partnership (DVCP) is in its 23rd year of working on preventing alcohol, tobacco and other drug use among our youth. The past year has been spent offering programming and activities for parents and youth, as well as implementing drug and alcohol awareness and activities in the schools and community.

Community

- **Parent Education*: Informational mailings/newsletters, speaker events, presentations
- **Policy work*: Smoke free parks & business entrances, legislative advocacy (conversations with state legislators about substance use and health issues), alcohol use/control in public places
- **Social Norms Campaigns*: ParentUP Campaign (parent education & tips), Lock Your Meds—prescription drug misuse prevention campaign
- **Trainings*: Department of Liquor Control Responsible Beverage Service annual training for local retailers to prevent sales of alcohol and tobacco to minors, false ID trainings for local alcohol servers and retailers
- **Community Events*: Parents Night Out, Blueberry Festival Family Fun Frenzy Event, Choose sNOw events (collaboration with Mount Snow for student/parent educational presentations and student season passes)
- **Sticker Shock*- Collaboration with local retailers to inform the public about Vermont laws and penalties for providing alcohol minors

School

- **School Policy Work*: School alcohol, tobacco and other drug policy, wellness policy
- **Youth Empowerment Programming*: High school community service group (Wildcat Club), high school prevention group (PRIDE/OVX), sponsoring high school students attendance at the Eastern States Youth to Youth Leadership conference held at the University of Rhode Island, sponsoring high school students attendance at the Community Anti-Drug Coalitions of America (CADCA) National Youth Leadership Initiative
- **Substance Abuse Prevention Curriculum* for all students in grades 5-8
- **Student Assistance Program*: Screening and referrals for substance abuse and mental health issues, in addition to support for students whose personal issues may interfere with their capacity to function effectively in the educational process
- **Project Graduation*: Substance free event for high school students on TVMHS graduation night
- **Smoking Cessation* (Not on Tobacco-N.O.T): In-school program to support students to quit smoking. Facilitated by the Student Assistance Program Counselor
- **School Presentations/Speakers*: Presentations on a variety of topics including substance use prevention, risk-taking, peer pressure, traffic safety, making healthy choices, etc.
- **School Staff Trainings* on alcohol, tobacco and other drugs

Many initiatives are funded by state and federal grants. Town funds assist in paying for direct programming with youth and parents.

The DVCP meets once a month and all (adults and youth) are encouraged to attend. Partnership meetings include dinner, hearing reports of activities that have happened over the past month, brainstorming new ideas, and making decisions on use of grant funds.

For more information: check our website at www.DVCP.org or find us on Facebook or call 802-464-2202. Respectfully submitted, Cindy Hayford, DVCP Coordinator

DEERFIELD VALLEY FOOD PANTRY
2017 ANNUAL REPORT

The mission of the Deerfield Valley Food Pantry (DVFP) is to see that no one in the area goes needlessly hungry, or lacks the basics for personal care. We provide, as well as our resources permit, food and other items to all who ask for assistance. We do not turn anyone away. We serve the towns of Wilmington, Dover, Halifax, Marlboro, Readsboro, Searsburg, Whitingham and Jacksonville. The DVFP relies on donations of food items, the financial support of local churches, towns, organizations and individuals, plus an annual membership drive to make sure our shelves are never empty. As always, the local Merchant Community is always very generous in providing support for our fundraising endeavors. The DVFP is a 501 (c) (3) organization and a member of the Vermont Foodbank.

In 2017 we served up to 100 families with about 200 clients each month. Since our communities have always "paid it forward" and keep the Deerfield Valley Food Pantry on their giving list, we continue to be prepared and able to accommodate all the identified needs of our neighbors. It truly is a testament to the conscious and deliberate support of so many with hearts full of grace and souls generated by love. This strong financial support from many donors, as well as our organized fundraisers, has allowed us to ensure that every month's distribution includes fresh meats, eggs, yogurt, cheese, bread and produce, along with the staples we have always provided.

The DVFP wishes to thank our many dedicated volunteers who help unload the delivery truck, shelve the food, assist with our monthly distribution process and other tasks too many to mention. We could not do it without them all, and request that the readers of our Annual Report consider adding your name to our volunteer list so that we can complete our tasks quickly with many hands. We are also grateful to the many local school children who come to help sort food and also hold food drives in their schools to help us keep the shelves full. It is heartwarming to see ones so young who are so enthusiastic to selflessly help others. Volunteer activities can foster enormous leadership skills.

Please continue to spread the word about the help available from the Deerfield Valley Food Pantry. There is no need for anyone to go hungry. Our distributions are on the third Saturday morning of each month from 9:00 to 11:00 and the preceding Thursday afternoon from 1:00 to 3:00. All that is required to receive help is to come to the Food Pantry on one of these dates and register; there is no income verification involved. You can come just once if you experience an unusual emergency, or every month for as long as is needed.

We also encourage everyone who is able to join as a Member that supports the Deerfield Valley Food Pantry. For only \$20 annually you can be a supporting member of the DVFP and help us reach our goals. Registration and online Paypal payments are possible at our website deerfieldvalleyfoodpantry.org. The Board meets monthly on the Thursday preceding the third Saturday of the month at 7 Church Street in Wilmington. New Volunteers are welcome and we can always use more. To express a need for our services or to volunteer, call the DVFP at 464-0148, or contact us via our website.

On behalf of the many neighbors we currently serve, and may serve in the near future, thank you for your continued support of the Deerfield Valley Food Pantry.

Respectfully submitted, Evon Mack, for the Board of Directors of the Deerfield Valley Food Pantry

Deerfield Valley Rescue, Inc. is a volunteer non-profit organization dedicated to providing 24/7 quality pre-hospital emergency medical care and transport to the people of our community.

This year brings us many new developments and challenges. DVR has been operating out of the squad house located at the juncture of Route 100 south and Route 9 since 1976. We owned our building, Southwestern Vermont Medical Center owned the land. It became apparent that with SVMC vision for the expansion of the Deerfield Valley Health Center on the existing property that DVR needed to find a new expanded central site. DVR closed on 22 Stowe Hill Road Wilmington location in November. We did some fund raising for the down payment and over the next several years will continue to raise the money for this new location.

The new facility will provide DVR with updated ambulance bays, more space for training, and more office space. This will enable the team to continue to adapt and enhance our services to meet the changing health care needs of the community.

The core of our agency is made up of approximately 20 volunteers, three full time paid staff and part time paid seasonal attendants. DVR has responded to 912 calls in 2017 of which 32 were in the town of Halifax.

Although we frequently work closely with the Fire department, we are a completely independent organization. We would like to thank Halifax EMS, Halifax Fire Department and the Halifax Highway Department for all the help they give us throughout the year. We recognize it been a challenging year for the first responders in Halifax and look forward working with all the new Emergency Medical Responders providers. They are a very important part of the emergency care team.

It would not be possible for DVR to operate without the continued personal support from the community. The annual subscription drive continues to be a large source of our funding. In addition to raising funds for our daily operation, we are always striving to improve our services and upgrade equipment. If you have not sent in your subscription please do so and please consider making an additional donation towards our new buliding.

DVR is always looking for volunteers who would like to make a difference in the lives of others. Potential members can sign up for our ride along program @ dvrescue.org. Anyone interested in joining this vital community service can contact our office at 464-5557 or stop by for a visit at our new location 22 Stowe Hill Road Wilmington.

Once again, we would like to thank all those who have supported us through the years. Our membership looks forward to another year of committed service to the residents of our community and the visitors to our area.

Respectfully submitted,

Town of Halifax

The MOOver

We celebrated our 21st anniversary in 2017. We're so fortunate to have the support of the town of Halifax, the Vermont Agency of Transportation, the Federal Transit Administration, Senator Patrick Leahy, and the businesses, residents, and guests in the Deerfield Valley. Few people thought we'd survive the first year, but with the support of those above we have provided over 4.5 million rides since. Thanks also to our staff and Board of Directors.

With the 2015 merger to the former Connecticut River Transit based in Rockingham, we became the second largest public transit provider in Vermont. The company now serves 36 towns in three counties and provides over half a million volunteer and bus rides each year.

Each week we provide rides for Valley seniors to shopping, meal sites, adult day care, the doctors', and social events. This service has improved the quality of life for over 60 Valley residents by getting them out regularly and allowing them to live at home longer in life.

We thank the residents of Halifax for their support. Please call us with questions/ comments at 464-8487, and thanks for riding the MOOver!!!

Respectfully submitted,

Randy Schoonmaker

HOUSING REHABILITATION COMMITTEE
Halifax-Marlboro-Whitingham

The Housing Rehabilitation Committee, a consortium of our three towns, continues to distribute funds in low-interest loans to income-eligible residents for a variety of rehabilitation projects, ranging from septic and well installations, heating, and roofing, to plumbing and electrical repairs and upgrade. We are currently serving 14 clients, six from Halifax, four from Marlboro, and four from Whitingham, with current loans amounting to \$139,983.00 in principle. Funds available for new loans to income-eligible applicants are \$187,726.00 .

Our Committee is one of the few in Vermont that remain active and self-sufficient in the administration of funds recycling from repaid loans. The Committee has funds to lend and invites the residents of our three towns who may have a necessary rehabilitation project to apply to see if they meet eligibility guidelines. Please contact us through any of the Committee members listed below. Applications are also available from the three Town Clerks.

Rescue Inc continues to be a leader in EMS delivery, during the last year our staff of seventy-five dedicated EMTs, advanced EMTs, Paramedics and specialized rescue technicians answered more than 5000 calls, providing critical care level treatment to our residents, medical standby for our fire and law enforcement partners, wilderness search, water rescue and supported industry with confined space rescue. Our training staff has educated community members, teachers and students as well as doctors and nurses in the art of CPR and first aid.

As an industry leader we understand the evolving needs of our communities and patients. We understand that our health care delivery system is changing every day and know that the community needs high quality emergency services more than ever. High quality emergency medicine is our mission and are proud to serve the communities where we live. Everyday our staff responds in moment's notice to countless heart attacks, strokes, car accidents and falls. Every day our Board Certified Critical Care Paramedics treat the sickest members of our communities, providing the critical link between our local hospitals and lifesaving treatment in Dartmouth, Springfield or Boston. Every day our training department teaches CPR to someone for the first time and trains the next generation of first responders.

Many of you read about the mental health and addiction crisis in our region, our staff experience it firsthand every day. We see the self-destruction and despair, we know the patients and families. In the last year our system has had to expand at times to meet the demand, treating more than a dozen overdoses in a single shift.

We join our communities in mourning for victims of violence and disaster. As first responders we ask that you acknowledge the sacrifice of the men and woman across this country and around the world that have responded to these horrific events. As an agency we continue to prepare by upgrading equipment and training. We continue to plan for these horrific events and stand ready to respond to these disasters.

We are committed to providing the highest quality EMS and rescue services available. It is truly an honor to serve our friends and neighbors. Thank you!

Council on Aging for Southeastern Vermont
38 Pleasant Street, Springfield, VT 05156

ANNUAL REPORT

Senior Solutions-- Council on Aging for Southeastern Vermont offers support services to elders and their families. Our mission is to promote successful aging. This is a summary of services provided to **Halifax** in the last year (2016-2017).

Information and Assistance: Our toll-free Senior Helpline at 1-800-642-5119 answered **31** calls from your town. Callers were assisted with applying for benefits, health insurance problems, housing needs, fuel assistance and many other services. Extensive resources are also detailed at www.SeniorSolutionsVT.org

Health Insurance: We helped **10** residents with Medicare Part D or Advantage Plan enrollment and other Medicare-related questions.

Senior Nutrition: In partnership with local volunteers, **428** meals were delivered to seniors at home. Congregate community meals are offered monthly at the Butterfield Commons.

Transportation: Special arrangements are made for non- Medicaid seniors who require medical transportation.

Case Management & Advocacy: We provided **4** elder residents with **58.25** hours of in-home case management to enable them to remain living safely in the setting they prefer. Often a few well-chosen support services can prevent premature institutionalization.

Caregiver Respite: Through grants we provide respite assistance for caregivers of those diagnosed with dementia or other chronic diseases. One resident received a grant this year.

Your contribution generates Federal matching funds to support our services. We do not charge for any of our services. Your town's support is greatly appreciated.

Southeastern Vermont Community Action

Southeastern Vermont Community Action is an anti-poverty, community based, nonprofit organization serving Windham and Windsor counties since 1965.

Our mission is to enable people to cope with and reduce the hardships of poverty; create sustainable self-sufficiency; reduce the causes and move toward the elimination of poverty. SEVCA has a variety of programs and services to meet this end. They include: Head Start, Weatherization, Emergency Home Repair, Family Services / Crisis Resolution (fuel & utility, housing and food assistance), Micro-Business Development, Individual Development Accounts (asset building & financial literacy), Income Tax Preparation, VT Health Connect Navigation, and Thrift Stores.

In the community of Halifax we have provided the following services during FY2016:

Emergency Home Repair: 1 home (2 people) received services to address health and safety risks, repair structural problems, and reduce energy waste, valued at \$2,641

VT Health Connect Navigation: 3 households (3 people) received assistance to enroll in the Vermont Health Exchange, valued at \$362

Family Services: 5 households (14 people) received 16 services valued at \$180 (including crisis resolution, financial counseling, nutrition education, forms assistance, referral to and assistance with accessing needed services)

Fuel & Utility Assistance: 4 households (9 people) received 7 assists valued at \$3,171

Community support, through town funding, helps to build a strong partnership. The combination of federal, state, private, and town funds allow us to not only maintain, but to increase and improve service. We thank the residents of Halifax for their support.

Vermont Department of Health Report for Halifax

Your local health district office is in Brattleboro at the address and phone number above. Come visit or give us a call! At the Vermont Department of Health, we are working every day for your health. With twelve district offices around the state, and state office and laboratory in Chittenden County, we deliver a wide range of public health services and support to your community.

For example, in 2017 the Health Department:

Supported healthy communities: The Health Department's 3-4-50 initiative aims to engage multiple sectors – business, education, municipalities – in implementing policies and strategies that will reduce the three (3) behaviors of tobacco use, physical inactivity and poor diet that lead to four (4) chronic diseases of cancer, heart disease and stroke, diabetes and lung disease that result in 59% of death in Windham county. The local office is working to get these sector partners to sign-on to 3-4-50 and make a commitment to take action that will help to reduce the chronic disease in our state.

Provided WIC nutrition services and healthy foods to families: We served 980 pregnant women and children to age five in the district with WIC (Special Supplemental Nutrition Program for Women, Infants and Children). WIC provides individualized nutrition counseling and breastfeeding support. We partner with grocery stores across the state to enable participants to use a debit-like card to access nutritious foods. The average value of foods provided is \$50 per person per month. WIC Clinics are held in Wilmington, Brattleboro, Townshend and Westminster.

Worked to prevent and control the spread of disease: In 2017 (January-November) we responded to about 96 cases of reportable diseases in the District. In 2017, \$15,014,203 of vaccine for vaccine-preventable diseases was distributed to healthcare providers statewide, including \$938,595 in the Brattleboro District.

Aided communities in addressing substance abuse and misuse: Regional Prevention Partnerships statewide worked to increase state and community capacity to prevent underage and binge drinking, and reduce prescription drug misuse and marijuana use. In the Brattleboro Health District, we are fortunate to work with 5 prevention coalitions who, in collaboration with other community partners, educate the community through forums, meetings and trainings about the importance of substance abuse prevention. The work includes working with youth and schools, medical practitioners and pharmacists. It supports efforts across the continuum of care including treatment, recovery and maintenance. For more information on your local coalition, visit:
<http://www.healthvermont.gov/local/brattleboro/alcohol-and-drug-abuse-prevention>

Other: The district office supports Town Health Officers by providing annual training. This year twelve area Town Health Officers attended a training on hoarding disorder and how to best help the person in a hoarding environment.

VISITING NURSE AND HOSPICE FOR VT AND NH
Home Health, Hospice and Maternal Child Health Services in Halifax, VT

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is a compassionate, non-profit healthcare organization committed to providing the highest quality home health and hospice services to individuals and their families. VNH provides care for people of all ages and at all stages in life, and delivers care to all, regardless of ability to pay.

VNH services reduce costs associated with town programs for emergency response and elder care. With quality care provided at home, there is less need for costly hospital and emergency room trips. And with VNH support, residents can age in place rather than relocating to a state or local nursing home.

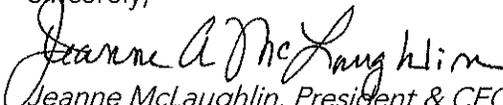

Between July 1, 2016 and June 30, 2017 VNH made 277 homecare visits to 9 Halifax residents. This included approximately \$7,632 in unreimbursed care to Halifax residents.

- Home Health Care: 120 home visits to 7 residents with short-term medical or physical needs.
- Hospice Services: 157 home visits to 2 residents who were in the final stages of their lives.

Additionally, residents made visits to VNH wellness clinics at local senior and community centers throughout the year, receiving low- and no-cost services including blood pressure screenings, foot care, cholesterol testing, and flu shots.

Halifax's annual appropriation to VNH helps to ensure that all have access to quality care when and where it is needed most. On behalf of the people we serve, we thank you for your continued support.

Sincerely,

Jeanne McLaughlin, President & CEO (1-888-300-8853)

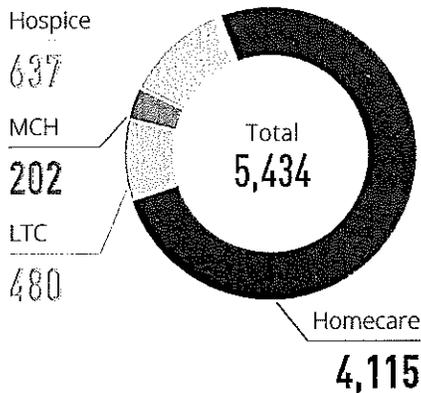

2016 ANNUAL FINANCIAL REPORT FOR THE YEAR ENDING DECEMBER 31, 2016

“VNH was there when I desperately needed help. I want to ‘age’ in my own home, and your services help me do that.”

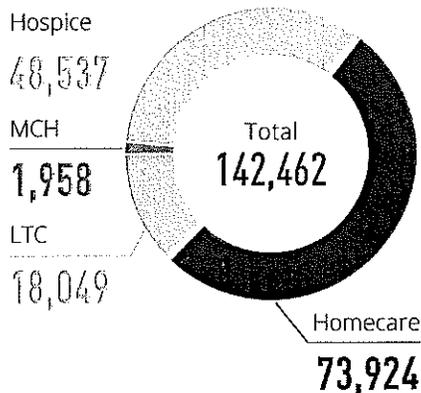

VNH Patient

Federal and state government payers limit reimbursement for services. Third party payers contract for services at rates below cost, so VNH has billing adjustments that represent shortfalls in covering the actual cost of care, VNH serves all who qualify, regardless of their ability to pay.

The Windham Regional Commission

The mission of the Windham Regional Commission (WRC) is to assist towns in Southeastern Vermont to provide effective local government and to work cooperatively with them to address regional issues. In the absence of county government, we provide an essential link between towns, the state, and the federal government. The region is comprised of 27 member towns: the 23 towns of Windham County; Readsboro, Searsburg and Winhall in Bennington County; and Weston in Windsor County.

The Commission, a political subdivision of the state, is composed of and governed by town-appointed Commissioners. Towns choose their own representatives to serve on the Commission. After town meeting, each Selectboard appoints up to two representatives to serve on the Commission for the coming year. Halifax is currently represented by Stephan Chait and Everett Wilson. Each Commissioner represents their town's interests before the Commission, brings information from the Commission back to their town, and serves on at least one of a number of WRC committees that address regional and municipal issues and concerns. Active service on these committees is very important because the WRC is organized around a strong committee structure. It's within these committees that most Commission decisions are made. All WRC meetings are open to the public and subject to Vermont open meeting law.

We assist towns with a number of different activities, including town plans and bylaws; community and economic development; local emergency and hazard mitigation planning, including flood hazard bylaw assistance; natural resources including assisting towns with watershed restoration projects and implementation of the state's new clean water law; town energy planning; transportation, including traffic counts (automotive, bicycles, pedestrian), inventories (bridges, culverts, signs, road erosion), road foremen training, and serving as a liaison with VTrans to report damage to town road infrastructure to the state as a result of flooding; redevelopment of "Brownfields" sites (sites that are or may be contaminated by hazardous substances); review of projects submitted for review through Act 250 (land use), Section 248 (energy generation and transmission, telecommunications), and federal permitting processes; grant application and administration; training of municipal officials and volunteers across a range of topics; and mapping and geographic information system (GIS) analyses. The maps in your town office were likely produced by us.

We help towns make the most of the financial and human resources they have both individually and collectively, assisting with projects between and among towns, building and augmenting the capacity of volunteer-based town boards and commissions, and providing professional services to towns that may want to take on a project that is beyond what they can comfortably manage with their own staff and volunteers. Our relationship with towns is inherently collaborative. For instance, towns choose to have their plans reviewed by the Commission; town plan review and approval by the WRC is not mandatory. The regional plan, which was updated in 2014 following a 2-year process, is developed in consultation with our towns, reflects town plan policies, and is ultimately approved by our towns.

Highlights from the past year reflect the range of services we provide to the towns of the region. We're collaborating with the Brattleboro Development Credit Corporation and our counterparts in NH and MA to improve economic opportunity and household income. We provided assistance to 24 towns with plans, zoning, updating flood hazard area regulations, community revitalization and general town planning technical assistance. We coordinated the formation of the Green River Watershed Alliance, which builds off of the successful Saxtons River Collaborative, with funding through the High Meadows Fund. We're leading two renewable energy grant programs. One provides assistance to schools and other public buildings to install modern wood-fueled heating systems. The other provides grants for renewable energy development. We've helped towns apply for grants to conduct road erosion inventories, and to do work to reduce road erosion. We also continue to be the primary GIS and mapping resource for our towns. An annual report is available on our website (www.windhamregional.org). Click on the heading "About Us." We encourage you to visit your town's page on our website to see highlights of our work for you over the last two years, as well as your town's profile (<http://windhamregional.org/towns>). A video about the WRC is available on our homepage.

Funding for the WRC is provided through contracts with state agencies, federal grants, and town assessments. Town assessments make up a relatively small percentage of our budget; about 7% of a \$1.4 million budget for FY 2017. But it is the only funding we receive that has no conditions placed upon it by entities beyond the WRC's borders. Your town's assessment makes it possible for us to leverage the resources to serve you. The town's assessment for this year is \$1,647. To see our detailed Program of Work and budget for FY 2018, visit our website and click on the heading "About Us."

Windham & Windsor Housing Trust (WWHT) is a non-profit organization founded in 1987, serving the residents of Windham and southern Windsor County. We provide housing for residents of low and moderate incomes, preserve and revitalize neighborhoods, help residents acquire their own homes, and generally improve the social, economic, and cultural health of communities of Windham and southern Windsor County.

WWHT's mission is *to strengthen the communities of Southeast Vermont through the development and stewardship of permanently affordable housing and through ongoing support and advocacy for its residents.*

Homeownership Center

The **Home Repair Program** provides low cost loans to low and moderate income homeowners throughout Windham and Windsor counties to make critical home repairs. These include repairs necessary to bring a home up to code and make it a safe place to live. Our rehabilitation specialist inspects the home, determines which repairs are necessary, and works with the homeowner to plan and finance the project. We assisted 24 homeowners in 2017 with home repair projects.

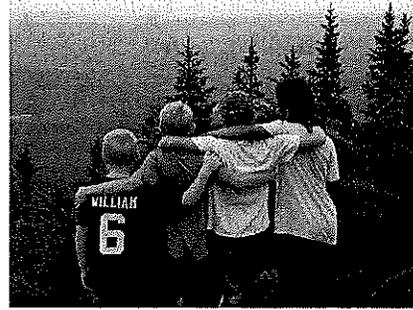

One-to-one Counseling helps renters and homeowners understand and navigate their options and make smart financial decisions. The program is available to all residents in both counties. We provide homebuyer education, financial literacy training and credit counseling. In 2017, 79 of our clients were able to purchase a home.

The **Shared Equity Program** provides grants to income-eligible homebuyers to subsidize the purchase of single-family homes. Grants are used toward the purchase price of the land underneath the home, lowering the cost to the homebuyer. Windham & Windsor Housing Trust retains ownership of the land and ensures long-term affordability through special ground lease provisions. 135 homes are in the shared equity program.

Rental Housing Development Program-In order to meet the diverse housing needs of a community, WWHT develops affordable rental housing opportunities. This takes the form of both rehabilitation of existing housing and the construction of new apartments. WWHT works with towns to plan for meeting local affordable housing and community development needs. In 2017, WWHT began renovation of a historic apartment building and broke ground on 18 new apartments in Putney, as well as breaking ground on 22 micro-apartments for the homeless in Brattleboro.

Rental Housing Management Program-WWHT owns 707 rental apartments with over 1,074 tenants. We manage the rental properties in and near Brattleboro and contract with Stewart Property Management Services for the properties in northern Windham and Windsor Counties. WWHT takes pride in the appearance of our multi-family housing and is committed to providing the staff and financial resources necessary to ensure long-term health and safety for our residents as well as preservation of property values. Although WWHT is a non-profit, we pay local property taxes on our rental properties and our shared-equity homeowners pay property taxes to the Towns and Villages.

Wings' Vision Statement

Wings will actively engage students in experiences to help them be successful in school and in life as they grow into productive adults.

Wings' Mission Statement

Wings provides creative academic, enrichment, and physical/wellness programming to all children and their families within the Windham Southwest Supervisory Union.

Wings Community Programs is currently in its thirteenth year at Halifax School with Maria Stewart running a super program as Halifax's site coordinator up to February. Joel Howes commendably stepped up to the plate and assured student success while Maria took family leave and cared for Landon. A few noteworthy points from last year:

❖Halifax continues to take up the challenge of expanding the school day by offering early morning PAWS, a successful academic support program. PAWS AM accounted for 2,256 hours of the 7,109 hours of student participation in engaging and productive programming during the 2016 – 2017 school year, coming in close to last year's huge gain.

❖Halifax, for the past two years, has had 100% student participation, an amazing feat that serves as a testament for how valuable after school programs are to Halifax families.

❖Wonderland, last summer's district musical, an adaptation of "Alice in Wonderland" was a wonderful success for staff and students alike. Up and coming singers and dancers made the grade to three nights of full house audiences. 53 student thespians from Twin Valley, Dover, Readsboro and Halifax Schools lit up Memorial Hall stage. Memorial Hall came alive with students working, laughing and learning with the support of Karen Horton, Shelley Park, Rene Galle, Peter Boyd, Jobi Dan'Sy, Cyndal Ellis, Maria Stewart, Lauren Sumner and an awesome band, led by Jean Chaine. The line was out to the street for Friday's show and the cast felt particularly proud, crushing all three performances. The comradery, collaboration and pure fun these district plays produce always end with everyone eagerly anticipating the next play. This energy fueled momentum to begin a fundraising drive to increase the capacity of Memorial Hall as a performing arts center. Wilmington Works, through a \$12,500 donation from Paul Pabst and a \$2,000 grant from the Bermil Foundation represented a significant kickoff to the remaining goal of \$34,000.

❖Celebrate Summer (CS), had a fantastic 4 weeks of camp this last summer resulting again in progressively increased enrollment for each consecutive week. Seventy youth participated in the final week of camp, the highest attendances in Wings summer camp history! Missy Jutras, TVES first grade teacher, took over the reins as director brilliantly. Katie Boyd did an excellent job as the seasoned veteran assistant. Enthusiastic program leaders, student counselors, dance, hiking and TaeKwon Do instructors rounded out a fabulous summer team.

Wings could not do it's job without the support of the town, school district, parents, administrators, building support staff, the Rotary Club of Deerfield Valley, the community and especially the professionals who stay late in their day to share their passions with the children and youth of Halifax. Everyone makes after-school programming a win – win for all. Thank you very much.

Transfer Station: WSWMD offers a regional drop-off center for landfill materials; recyclables; organics; construction & demolition debris; scrap metal; white goods; electronics; and year-round collection of certain hazardous waste such as paint products, batteries, and used motor oil. WSWMD Board of Supervisors voted to limit use of the transfer station to residents and businesses from member communities only and require the purchase of an access sticker.

Composting Facility: Of all recyclable materials handled by the District, the only one that is kept local is food scraps and yard debris. The food scrap composting facility is in its 4th year of operation and is the 2nd largest facility in Vermont. In 2017, WSWMD composted approximately 1,600 tons of organic materials. WSWMD's "Brattlegrow" Compost is distributed through 4 retail distributors. In addition, WSWMD donates compost for town projects, school, and community gardens.

Materials Recovery Facility (MRF): WSWMD MRF closed in July 2017, but continues to accept cardboard from commercial sources. Cardboard is baled (no sorting required) and sold. Eight towns continue to utilize the District's recycling roll-off containers and offer drop-off recycling services in their communities. Towns contract with private haulers to provide recycling services. Currently, WSWMD Supervisors are considering future uses of the MRF building and some of the equipment is being sold.

Trucking: WSWMD retained one staff member with a Class A CDL license that allows WSWMD to self-haul recyclables, scrap metal, and wood chips for the composting operation.

Solar Array: WSWMD signed a 20-year lease at \$102,000/year with Sky Solar Holdings to develop a 5 mega-watt solar array on the District's closed landfill in Brattleboro. The project will be the largest group net metering project in the state, and has contracted for 20 years with 9 towns, 5 school districts, and 3 institutions. The project will provide significant cost savings for municipal and school budgets.

Financial Report: WSWMD finished year-end FY 2016/2017 with a deficit of \$73,653. However, since closing the MRF in July, WSWMD has been favorable to its budget for the first five months of FY 2018.

Solid Waste Implementation Plan (SWIP) Mandated by Vermont Agency of Natural Resources:

Re-TRAC Reporting: WSWMD tracked tonnages of recyclables collected under the District's collection services for member towns.

SWIP Annual Requirements: Towns/solid waste entities are required to implement state materials management policies and meet a set of standards, deliverables, and Universal Recycling requirements.

WSWMD is responsible for managing SWIP requirements. Highlights from 2017 include:

- Free technical assistance, including food scrap diversion, was offered to over 150 businesses in 19 member communities;
- Conducted 8 free workshops for residents and businesses to promote food scrap diversion through back yard composting and transfer station drop-off;
- Implemented a multi-media public outreach campaign; and
- Provide event recycling containers to 15 public/private events

Programs:

Household Hazardous Waste Collections: WSWMD held 3 household hazardous waste collection events, as mandated by VT ANR Materials Management Plan. Collections were held in the Towns of Brattleboro, Dover, and Wilmington, with 215 households from 19 towns participating! Total cost for the events including advertising, site setup fee, disposal costs, and staffing was approximately \$30,000. This year the Board of Supervisors voted to implement a \$5.00/household fee to participate in the event. In addition, WSWMD obtained signed agreements with the Rutland County Solid Waste District and the City of Keene, which allows residents, and conditionally exempt generators, to use their year-round and seasonal hazardous waste depots for a fee. This means there is year-round access to a hazardous waste depot if you cannot wait for one of our collection events.

Event Recycling: WSWMD owns 20 event-sorting stations that are available to towns, businesses, residents and institutions for use at fairs, festival, etc. In addition, WSWMD offers free technical assistance to help make events "Zero Waste." This year WSWMD was contracted to provide waste diversion and recycling services at Strolling of the Heifers, and recycled 60% of all waste generated.

Grants:

Backyard Compost Bin Grant: WSWMD was awarded a grant to promote backyard composting and food scrap drop-off at transfer stations. Eight free workshops were held promoting food scrap diversion and attendees were able to purchase backyard compost bins for \$19.95.

Business Outreach: WSWMD was awarded a grant to provide each transfer station with food scrap collection totes or bear-proof dumpsters, signage, and transfer station attendant training. To date, all of the transfer station attendants have received training for organics collection. Currently, the grant is being revised to accommodate each Town's food scrap collection needs. Only four of the District's transfer station towns have requested totes or bear-proof dumpsters

Food Waste Anaerobic Digestion: Sky Solar Holdings, in conjunction with WSWMD, was awarded a \$50,000 grant from Windham Regional Commission Clean Energy Development Fund to conduct a feasibility study for development of an organics pre-processing center and anaerobic digester at WSWMD in Brattleboro.

**Women's Freedom Center's
Statement of Services
And
Report to the Town of Halifax**

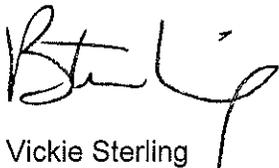

The mission of the Women's Freedom Center is to work to end physical, sexual and emotional violence against the women and children of Windham and Southern Windsor Counties. The Freedom Center works to fulfill its mission by educating the community regarding the root causes of violence against women, challenging the systems that help keep it in place and by providing support and services, including shelter and safe housing, to women and their children who have experienced domestic violence, sexual assault, stalking, and dating violence. Since our beginnings in 1977, we have provided support to the survivors of these crimes, as well as consultation and educational activities to a wide range of community groups to help create a community in which violence is not tolerated.

Emergency support such as shelter, safety planning, financial assistance, and information and referral is available 24 hours a day, 365 days a year. Ongoing individual and group support for women and children; legal, medical, housing and social services advocacy; and cooperative work with other agencies are provided during the week. Due to the rural nature of Windham County and the isolation inherent in many abusive relationships, we are committed to meeting with women wherever we may do so safely. Sometimes this means assisting her to get to us and other times it means us going to her, somewhere safe in her community.

During the fiscal year July 1, 2016 through June 30, 2017, the Women's Freedom Center responded to over 1,700 crisis telephone calls and provided hundreds of hours of individual and group support, advocacy, emergency financial and housing assistance, access to legal representation, transportation and childcare to 638 women, 17 men, and 478 children who had been abused. These figures include 3 survivors and their 2 children from Halifax. In addition, we provided over 200 community outreach activities including school presentations and workshops throughout Windham County.

The Women's Freedom Center is a private, non-profit organization relying heavily on community support to provide our free and confidential services. We thank you for your town's contribution to the Freedom Center and hope you will look at it as an investment in creating a future free from violence, something we all deserve.

Regards,

Vickie Sterling

Report to the Town of Halifax

Youth Services was established in 1972. We provide transformative programs in prevention, intervention and development for young people and families in Windham County Communities. We assist over 1,000 children, youth and families annually. We help youth and young adults living in difficult circumstances learn the life skills that will assist them in living successfully on their own and as engaged and productive community citizens. Our broad array of program services include:

- Transitioning youth in foster care to independent living as young adults
- Assistance to teens leaving home or at-risk for running away with counseling, family mediation, and housing
- Court Diversion for youth and adults, an alternative to the traditional court system using a restorative justice approach to repair the harm to victims and the community while addressing the underlying issues of the people who violated the law
- Therapeutic case management services, support and referral
- Career development focused groups and one-on-one mentoring for high school students with behavioral and learning disabilities
- Substance abuse prevention for youth and adults
- Supervised visitation and Child Advocacy services
- Counseling services for young adults including Assessment, Intervention and Recovery.

This year, we respectfully request \$200 from the Town of Halifax to help fund our agency's services. We served two residents from Halifax during Fiscal Year 2017 and remain available to provide services in the future. Your continued support is beneficial to the children, youth and families in your town.

For additional information please see our website at www.youthservicesinc.org, call 802-257-0361 or email info@youthservicesinc.org. Thank you for your consideration of this request.

Transforming Lives, Inspiring Futures

Halifax Elementary School Report

The vision of the Halifax School District has been to develop a sense of connection among all members of the community. School is not just a place, but also a set of relationships among individuals, students, school staff, parents/guardians, and the community at large. We are all part of the learning process. We have provided an educational experience for all students, providing them a life-long basis for kindness, courtesy, cooperation, educational curiosity, and a striving for excellence. We have acted to ensure that our school maximizes student learning, thinking, and problem solving skills in order that children who attend the Halifax School will be responsible citizens capable of meeting their own needs, the needs of their community, and the needs of society.

It is a pleasure to be part of a group of teachers and staff whose objective is to provide the highest quality of education possible for all students. This current years staff includes: Angelina Read our Kindergarten teacher, Merritt Youmell 1st and 2nd grade teacher, Maria Stewart our 3rd and 4th grade teacher, Dayle Sherman our 5th and 6th grade teacher, Joel Howes our 7th and 8th grade teacher, Layne Leary our Special Education teacher, Judy Anyan our Math Mentor/Para-educator, Jim Franzinali our Technology Support Staff, Fran Alfieri our Physical Education, Ryan Sigroi our Music teacher, Loren Clews our Librarian, Rhonda Wainshilbaum our Art Teacher, Kathy Inman our Speech Pathologist, and Paul Hoak our Guidance Counselor, Keith Anyan our School Plant Manger and of course Linda Swanson our School Secretary.

In a longstanding tradition, I include the 2016-2017 graduation honorees. The Mary Butterfield School Citizenship Award was presented to Emily Mackin. The Elizabeth Stott Willingness Award was presented to Grace Tower. The Hank Wonsey Poetry Award was presented to Kate LeVine. The Bill Ackerman Science and Nature Award was presented to Cayden Gilson. The I Love to Read Award was presented to Katje Gibb- Buursma. The Sam Maltese Writing Award was presented to Jamie Cook. The Ashcroft awards were presented to Donovan Dupuis and Samantha Noyes. The Principal's Academic Award was presented to Samantha Noyes.

This will be the last Principal's report for Halifax Elementary School. July 1, 2018 will mark the beginning of a new consolidated school district, Southern Valley Unified Union School District. This new venture hopes to keep the small schools, in the towns of Halifax and Readsboro, the focal point of their communities. The educational standards will remain high, with dedicated teachers and staff working toward the best interests of all of the students.

Halifax School has been and continues to be a wonderful place to work. The faculty who teach at our school, the district administrators and staff who support our efforts, our parents, school board, and community members have all given time and energy to create an engaging educational environment for our students. I am thankful for my five years of experience at Halifax School. I have grown and learned so much from the staff and students.

Thank you for supporting our school and the children of Halifax, and thank you for trusting us to move forward under the new name of Southern Valley Unified Union School. Our educational commitment to the students of Halifax will continue to be our highest priority.

Respectfully submitted by,
Sandra Pentak-Cohen
