

**Notes:**

1. District size is not taken into account.  
When time permits, AOE will look at data in terms of district size.
2. Data provided by Jake Feldman, Department of Tax analyst.
3. Housesites receiving tax adjustments are tax year 2014.
4. Education spending per pupil is FY2015 (school year 2014-2015).
5. Education spending per pupil is at the school district level,  
not the town level.
