<MSG>REQUEST UNDER VERMONT FOIA LAW

March 31, 2015

Office of Vermont Gov. Peter Shumlin  
109 State Street  
Montpelier, VT 05609-1001

Dear Gov. Shumlin:

Under the Vermont Public Records Law, §315 et seq., I am requesting an opportunity to obtain copies of public records created by written exchanges between and among your office, the office of Gov. Peter Shumlin, and anyone utilizing a "whitehouse.gov" email address containing the search terms "DHS," "immigration reform," and "executive actions."

The time frame for which I am seeking the records is November 1, 2014 to March 31, 2015.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$25.00. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the Amicus Curiae brief signed by 14 state attorneys general and the District of Columbia urging the U.S. District Court for the Southern District of Texas to lift its temporary injunction on Obama's declared executive actions on November 20, 2014 entailing "immigration reform."

I am a member of the news media and this request is related to news gathering purposes. The documents are not being sought for commercial purposes.

The law requires a response to this request within 2 days, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me as to when I might expect copies. I can accept electronic delivery for your convenience.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Sharon Rondeau, Editor
