S.230

Representative Pearson of Burlington moves to amend the House proposal of amendment in Sec. 13, 30 V.S.A. § 8010, in subsection (c), in subdivision (3), by striking out subdivision (C) in its entirety and inserting in lieu thereof a new subdivision (C) to read:

(C) The rules shall seek to simplify the application and review process as appropriate; and, including simplifying the application and review process to encourage group net metering systems when the system is at least 50 percent owned by the customers who receive the bill credits for the electricity generated by the system.
