Pete, here is the first one. We have a follow up I will send next. This resulted in a lot of records we produced via dropbox. (Unfortunately for you perhaps, we separated them by staffer, not by people on the attached list.) Very few Ehlers emails in this production as I remember it, but follow up request may yield in the 300 to 500 page range. Likely won't be able to finish that one until next week but can send you that production when it goes.
