The Southwest Vermont Supervisory Union is committed to developing life-long learners who contribute to their community & succeed in a diverse and evolving global society.

On behalf of the SVSU and all of our communities, I am proud to present to you the 2017-18 Annual Report. This publication highlights the many accomplishments of our students, staff, schools, and school districts. It provides a glimpse into the many amazing things going on inside our eight schools and highlights some of the impressive work being done to truly prepare our students for success in careers, college, and our community. The report includes a summary of information on the culture and demographics of our schools, facts on the students and staff, and highlights of the productive efforts to collaborate to meet all students' needs. It will give you an awareness of the leadership team that helps to guide our initiatives. Driving us closer to our mission of providing a learning environment that utilizes all resources to enable students to reach their highest potential and to ensure educational opportunities for all.

Imagine
the
Possibilities

One of our ongoing challenges during the past few years has been the Vermont School Consolidation Statute known as Act 46. The SVSU, through its study committee brought forth Articles of Agreement on consolidation and presented them to the Vermont State Board of Education in September of 2017. With state board approval the individual school boards of the SVSU were able to call for the towns in the SVSU district to vote on the ACT 46 consolidation. The vote for Act 46 consolidation was held on November 7, 2017 resulting in the majority of the SVSU towns not approving merger or consolidation. Act 46 is a multi step process, after voting, school districts that did not consolidate are required to file with the Vermont Secretary of Education a plan, know as a Section 9, outlining how school districts will meet the obligations of Act 46 without consolidation. The Vermont Secretary of Education will review those plans and on June 1, 2018 submit plans for proposed school district structure to the Vermont State Board of Education, the state board will issue the approved plans by November 30, 2018. Communities and school districts will have a period of response and rebuttal time before any plans would be final. As always, our goal is to do what is best for all of our students in the districts of the SVSU.

I hope that some of the information in this Annual Report will give you a sense of the high quality of education in our community. I encourage you to take some time to examine this Annual Report and visit our website at www.svsu.org for more details. Whether or not you have children currently in our schools, we hope that you will agree that the Southwest Vermont Supervisory Union is focused on providing our students with the support they need to be successful in school and in our community.

Imagine the possibilities,

James R. Culkeen

Woodford Hollow Elementary School

995 Vermont Route 9 Woodford, Vermont 05201 (802) 442 4071

Office of the Principal

January 18, 2018

Woodford Hollow Elementary School is steeped in history and tradition and its students are reflective of this tight knit community. Each year I watch our youth grow and develop in many ways and it is a source of pride to watch students become contributing members of this wonderful community. It is a pleasure to be a part of each student's transformation and this staff recognizes the importance of our students, family, and the community. Elementary schools are the foundation of all educational experiences and their importance should never be underestimated.

Act 77 is changing the traditional educational experience for each student. Originally passed in July of 2013, this act was created so all Vermont students have access to educational experiences which will prepare them for life after graduation. Proficiency-Based Learning is a component of pathways set forth in Act 77 and the State Board of Education's Education Quality Standards. The Vermont Quality Standards provide teachers with standard expectations for each grade level. There is a balance between what is expected and how the educational experience shapes each student. Teachers at Woodford Hollow Elementary School work to enhance the learning experiences while delivering quality instruction and students benefit from it. A complete list of grade expectations may be found on the SVSU website under the curriculum tab.

Social emotional wellness is included in our educational experience and this piece involves understanding and respecting the differences in each student. "Connect with Kids" shares video clips of various social situations while the teacher guides and supports positive behavior with best practices. The video clips help define conditions that could be challenges for young people. Parents, adults from other schools, and our former students share their successes after they leave this wonderful school and I enjoy hearing their numerous successes.

I've also learned from our transfer students, this school is a gem among jewels. New students enjoy the small classroom size and quickly learn their opinion is valued and appreciated. They are amazed and thrilled with the many opportunities at Woodford Hollow and enjoy exploring the outdoor physical education pieces. Some have indicated skiing, ice skating, and tennis as new activities for them. Including outdoor winter activities helps students understand snow and cold is a part of our environment and meant to be explored and not hidden from. The beauty of our area and the outdoor recreation possibilities enriches the lives of our students and helps them appreciate the magnificence of Vermont.

Respectfully,

Sandra Foster

The Woodford Elementary School Budget at a Glance

The following represents a summary of the total PreK-6 education budgeted expenses for Woodford. All major categories are represented, including SVSU and Special Education costs. The operating budget for the Woodford School District will **decrease by \$3,598 or 0.64%** (which is due to changes in expected revenue and a decrease in equalized pupils). There is an estimated tax rate increase of about 10¢.

37.		-	-	-	-

- Following current statute, the Tax Commissioner recommended a property yield of \$9,842 for every \$1.00 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$11,862 for a base income percent of 2.0% and a non-residential tax rate of \$1.629. New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.
 - Final figures will be set by the Legislature during the legislative session and approved by the Governor.
 - The base income percentage cap is 2.0%.

Following the completion of the above business, the meeting will stand adjourned until Tuesday, March 6, 2018, when the polls will be open from 7:00 AM to 7:00 PM, at the Woodford Town Office Building to transact business by ballot as follows:

- ARTICLE A:** To elect from the legal voters of the District, one (1) School Director for a term of three (3) years beginning immediately.
- ARTICLE B:** Shall the voters of the Woodford Town School District approve the school board to expend \$562,121, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$13,206 per equalized pupil. This projected spending per equalized pupil is 15.92% higher than spending for the current year.

DATED at Woodford, Vermont this 31st day of January, 2018.

Register to Vote! Residents of the District may register to vote at their Town Clerk's Office or online at www.olvr.sec.state.vt.us. Eligible residents registering on Election Day must do so at the polling place where they will cast their Town Meeting ballot.

Interpreting services for this meeting will be provided upon request. If this service is required, please notify the SVSU at 447-7501 at least three (3) days prior to the meeting.

Woodford Town School District Annual School Meeting Minutes

Minutes of the Meeting of 6 March 2017– unapproved

The meeting was called to order by Moderator Mike Charette at 8:00 pm. He invited the Woodford School representatives to present their presentation.

Principal, Sandi Foster, announced the students are doing very well and are above other schools in the state. Melissa Chauncey presented a slide show displaying the activities the students were involved in during the year. Also presented was a graph showing how Woodford students were in comparison to other students. Sandy also announced that even after leaving high school, Woodford students are continuing to thrive and be recognized for scholastic efforts.

Mike read the warning as posted:

Article I: To hear the reports of the School Board and other officials of the district and take action thereon.

Motion by Betty Charette to approve the article, 2nd by Tom Slee. Discussion followed. Dick Frantz explained that normally the school has a fund balance to offset the tax rate. Unfortunately, this year there were unanticipated costs. These costs included work that had to be done to the leach field, frozen pipes that had to be addressed, floors that needed to be replaced and the boiler system being switched from oil to propane in order to reduce heating expenses. The school still receives the small school grant and federal impact aid. The budget increased for the school by 8%. Part of this 8% increase in a pre-k class for 3 year olds for \$30,000. State mandated programs are driving to increase budgets for the school. However, we need to remember that this budget includes middle school and high school students. Compared to other schools Woodford's students' costs are lower than other districts and one of the lowest in Vermont. There is a lot of uncertainty as to how Act 46 will affect Woodford School. The goal of this act is to consolidate schools and save taxpayers money. If the school loses the small school grant and impact aid then Woodford School will have a very hard time continuing. Jim Culkeen stated that supervisory unions have voted to re-activate their study committee relating to Act 46.

All in favor, **Motion Carries.**

Article II: To establish the annual salaries of the School Directors, Treasurer and School Clerk for FY18. (Salaries are shown in the proposed budget).

Motion by Betty Charette to approve the article, 2nd by Tom Slee. No discussion followed.

All in favor, **Motion Carries.**

Article III: To hold public informational hearings on the articles to be voted by Australian ballot on March 7, 2017.

Motion by Betty Charette to approve the article, 2nd by Tom Slee. No discussion followed.

All in favor, **Motion Carries.**

Article IV: To transact any other business found proper when met.

No other business, no discussion.

Motion by Betty Charette to adjourn the meeting, 2nd by Tom Slee. No discussion followed.

MAU Board report for the Annual Meeting, March 2018

In March, voters in Bennington, North Bennington, Shaftsbury, Pownal and Woodford will be asked to vote on the Mt. Anthony budget. This budget funds both the Middle and High Schools. Also in the article are funds to support the Career Development Center.

At this time it is appropriate to briefly review the past year and consider some of the many accomplishments that have taken place.

This year we were pleased to appoint Laura Boudreau as the acting principal of Mt. Anthony High School. Laura has served in a variety of positions within the school district. Most recently she has been the Curriculum Coordinator for the SVSU district. We are fortunate to have someone as qualified to lead our school.

Under Laura's leadership, with the help of other administrators and teachers, the High School has established personal learning plans, PLP's, for all students. These plans will assist in developing a course of study that will meet the needs of each student.

The curriculum is continually being evaluated so all students will receive maximum value from each class. Also the opportunity for extra help has been expanded.

The Middle School continues to institute programs and opportunities to assist students in developing the skills needed to succeed in school and in their life after school. Staff members coordinate with each other to reach each students' needs. This is particularly true in the area of literacy and math. Without these skills students are at a disadvantage when faced with the challenges of a competitive world.

As in the past, students in both the High School and the Middle School have participated in a wide variety of activities outside the classroom. These activities include sports, band, choir, drama and many others where students can explore new interests.

Again this year we are very appreciative of the administrators, teachers, support personnel and all the others who keep the school running. Without you it would not happen.

We are proud of our schools and hope you are also.

Tim Holbrook

School Board Chair MAU

Report from the Principal – Mt. Anthony Union Middle School

The members of Mount Anthony Union Middle School work together to help students persevere and grow both academically and socially, while encouraging them to reach their individual potentials in a diverse learning community.

As a school community we are committed to providing a high quality middle school experience for every student. The foundation of this approach is organizing our teaching staff into teams and providing the resources to develop engaging curriculum and instruction. Interdisciplinary opportunities allow our students to practice skills across subjects and frequently experience outside opportunities. We offer a broad selection of interest and need based courses outside the core subjects including art, music, sustainability, language arts and world languages. Our advisory program supports the emotional and social development of our students through high quality programming including Connect with Kids. As a school, we are committed to building relationships and providing engaging learning opportunities for every student.

We continue our school improvement work and have implemented innovative efforts to strengthen leadership, improve instruction and provide greater student support.

- We are currently piloting a standards-based instructional approach and preparing for full implementation in the 2018-2019 school year
- We are working closely with a Literacy Coach to identify student need in literacy skills and provide effective interventions for every student
- Our school community continues to develop a multi-tiered system of supports to meet the academic, social and emotional needs of each student

As a result of these efforts we are meeting the requirement of establishing a standards-based grading system by 2020, professional development opportunities are focused on improving student outcomes and student interventions are more consistent and effective across all grades.

Our students continue to shine in athletics, performing arts, music and other co-curricular activities. We offer extensive after school and summer enrichment opportunities through our Mosaic program. We are the proud recipient of the 21st Century Grant which is a multi-year grant that recognizes and supports high quality enrichment programming. Working with our community partners including Bennington College and the Career Development Center, our students have authentic opportunities to consider their college and career dreams.

We appreciate the continued support of students, staff, our families and the community for our middle school. As a staff, we see MAUMS as a community resource and will continue to work to meet the needs of our students and community. I invite the community to follow our progress on Facebook at Mt. Anthony Union Middle School, for more up to date information. Thank you again for your support.

Report from the Principal – Mt. Anthony Union High School

MAUHS Core Values and Beliefs

We, the members of Mount Anthony Union High School, believe that learning for all should be challenging, diverse, and relevant to the demands of the 21st Century. Education is the shared responsibility of the individual, family, school, and community. Learning occurs in an environment that is safe, respectful, and collaborative. Teaching and learning are best accomplished when all members take ownership of the educational process and commit to achievement and personal growth.

The MAUHS school community is committed to developing a 21st Century learning environment that provides a challenging and engaging program of studies that balances academics with social/emotional learning and prepares our students to be college and career ready. Teams of teachers continue to review our local curriculum based on national standards to identify proficiency-based graduation requirements. As graduation requirements are developed, the school community identifies pathways for students to collect evidence to demonstrate proficiency. MAUHS students participate in dual enrollment and early college experiences at local higher education institutions, and have access to alternative educational pathways such as Twilight and Quantum Leap. Many of our students participate in courses and interest blocks at the Career Development Center. Our School to Work program supports community service and field study projects based on student interest.

Our students are working on creating their own Personalized Learning Plans. A personalized learning plan is a formal document created by students with input from parents and teachers that establishes individual student goals based on academic and career objectives and personal interests. MAUHS counselors are currently using the PLPs to support course selections for the 2018-2019 school year.

The MAUHS school community has embraced a Comprehensive Three-Tiered Model of Support which provides an inclusive environment by maximizing available expertise through professional collaboration. MAUHS has identified our behavior expectations as Be Respectful, Be Responsible, and Show Your Best Effort. The school-based multi-tiered system of support team has provided experiences for the school community to learn about the behavior and academic expectations and social/emotional learning.

Our students have access to a wide variety of sports teams and clubs that take place before and after school that provide opportunities for health and wellness, community building, and enrichment. Opportunities are provided for performances in theatre, band, and chorus, and student art work can be seen displayed in our school and around the community.

We are grateful for the continued connections and support provided by the Southwest Vermont Supervisory Union. We are also thankful for the experiences provided to our students through the support of our community partners.

Respectfully submitted,

Laura Boudreau

Acting Principal

The Mount Anthony Union Budget At A Glance

The following represents a summary of the budgeted expenses for Mount Anthony Union Middle School and Mt. Anthony Union High School. Included in the budget is the tax obligation for the Southwest Vermont Regional Technical School District (CDC) which supports students in 9-12. This obligation is voted on separately and if passed becomes an obligation of Mount Anthony Union High School District #14. The operating budget for the district will **decrease by \$821,453 or 3.35%** (which is due in part to one-time savings in health care costs attributable to new plans that went into effect January 1, 2018). - Following current statute, the Tax Commissioner recommended a property yield of \$9,842 for every \$1.00 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$11,862 for a base income percent of 2.0% and a non-residential tax rate of \$1,629. New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.

- Final figures will be set by the Legislature during the legislative session and approved by the Governor.

- The base income percentage cap is 2.0%.

The Homestead Tax Rate calculation is the ACT 130 tax calculation whereby MAU and the elementary districts set separate rates. The rates are prorated and combined to arrive at one education rate for each town. You can read the spreadsheet as follows:

Rows a-f

Show the breakout of a town’s PreK-12 equalized population between the elementary district and the secondary district (MAU). For example, Woodford has 21.83 (45.77%) of their 47.71 equalized pupils in their K-6 elementary school. The rest (25.88 or 54.24%) are at the secondary level (MAU). Please note Woodford sends 7-12 to the secondary system.

Rows 1-13

Compare the budgets of MAU with each of the elementary districts along with the relationship between the budgets, equalized pupils and the tax rate.

Row #	Explanation
1.	Represents total expenditures.
2.	Represents non-property tax income (local income).
3.	Educational Spending (ES) row 1 less row 2. Represents the amount to come from the Education Fund.
4.	Equalized Pupils (EP) in each district. Represents real students weighted across board for PreK, poverty, ESL and secondary.
5.	Education Spending (ES) per Equalized Pupil (EP) line 3 divided by line 4. If this amount exceeded \$17,816 the district would incur an additional tax for the amount over this threshold.
6.	Represents the percentage a district’s ES/EP is to the state’s homestead property yield. ES/EP (\$9,842.00). Line 5 is divided by \$13,206.
7.	Translates the ES/EP Adjustment (line 6) to the tax rate to create an equalized homestead tax rate. The calculation multiplies the spending adjustment (line 6) by the state’s baseline tax rate (1.00).
8a-9b.	Represents the distribution of a town’s PreK-12 population between the elementary and the secondary systems.
10a-10b.	Represents the prorated tax rate between the elementary and secondary systems. For 10a, multiply the town’s Row 7 by the town’s Row 9a. For 10b, multiply MAU’s row 7 by the town’s row 9b.
10c.	The sum of rows 10a and 10b.
11.	Represents each town’s Common Level of Appraisal (CLA). Even though MAU is a taxing district, it has no grand list to tax, hence no CLA, making it necessary to prorate MAU’s tax to each town.
i-iii.	Represents what the education property tax in each town will be on property assessed at \$100,000, \$200,000 and \$300,000 assuming no income sensitivity adjustment.

Please understand that these calculations are **estimates** since the legislature has not yet set the homestead property yield.

Mount Anthony Union School District #14

Minutes of the Annual District Floor Meeting: Monday March 6, 2017

Third Floor Meeting Room, Bennington Fire House, 130 River Street, Bennington VT 05201

MODERATOR: Joe Hall

MAU BOARD MEMBERS PRESENT: Dave Fredrickson; Tim Holbrook; Leon Johnson; Nathan Wallace-Senft.

ALSO PRESENT: Jeanne Conner; Jim Culkeen, SVSU Superintendent; Gail Mauricette, MAU Treasurer; Charlie---Gingo; plus another 20 or so people.

CAT-TV: This meeting was filmed and broadcast live by CAT-TV.

Hall called the meeting to order at 6:15pm, welcomed everyone present, and then read aloud the warning for the meeting and as follows:

The legal voters of the Mount Anthony School District (consisting of Bennington School District, Inc, North Bennington Graded School District Inc, Shaftsbury Town School District, Pownal Town School District, Woodford Town School District) are hereby warned to meet at the Firehouse on River Street in Bennington Vermont on Monday March 6, 2017 to transact the following business from the floor:

Article 1: To accept the reports of the District's Officers for the preceding year as reported in the Annual Report. **A motion was made and seconded to accept the reports of the District Officers, as presented, and the motion carried unanimously, by voice vote.**

Article 2: To establish the annual salaries of the District Officers as follows

Moderator	\$ 100
District Clerk	\$ 1,000
School Directors	\$ 1,200 each
Treasurer	\$24,568

A motion was made and seconded to establish the annual salaries of the District Officers, as presented, and the motion carried unanimously, by voice vote.

Article 3: To authorize the School Board to borrow money in anticipation of tax revenues to meet current operating expenses of the District. **A motion was made and seconded to authorize the School Board to borrow money for the purpose presented, and the motion carried unanimously, by voice vote.**

Article 4: To hold a public informational hearing on articles to be voted upon by Australian ballot on March 7, 2017. In response to two questions from the audience, Holbrook noted that

- 80% of the MAU budget funds salaries and employee benefits and the remaining 20% funds building operations, maintenance, insurance, debt, etc. Building improvements at the high school include an upgrade of handicap access area as well as roof repair; improvements at both schools include upgrades of the security systems, parking areas, and energy efficiencies
- although he does not have comparable Special Education figures (students, costs, etc.) for other schools in the area, there is an ever increasing number of students within the SVSU requiring Special Education services. Those services are defined within a student's Individualized Education Plan (IEP) and all services are provided via the SVSU. There is a designated Special Education Coordinator for the two MAU schools who oversees a "strong" program within the schools as well as students in day- or residential-placement.

Connor noted that

- the annual floor meeting gives board members a chance to introduce themselves, respond to community questions, etc.,
- she was disappointed that several board members were not in attendance, albeit they may have

conflict with other floor meetings happening simultaneously throughout the SVSU communities. Hearing no further discussion, a **motion was made and seconded to hold a public hearing on March 7, 2017, and the motion carried unanimously, by voice vote.**

Article 5: To transact other business found proper. There was no response to the Moderator’s call for other business.

Hall further noted that “the legal voters of the Mount Anthony Union School District No. 14 are hereby warned further to meet on Tuesday March 7, 2017 when the polls will be open to transact business by Australian ballot”.

At 6:28pm, and hearing no further discussion, a **motion was made and seconded to adjourn, and the motion passed unanimously, by voice vote.**

Respectfully submitted,

Richard G. Bump

MOUNT ANTHONY UNION SCHOOL DISTRICT NO. 14
WARNING OF ANNUAL MEETING
MARCH 5 AND MARCH 6, 2018

The legal voters of The Mount Anthony Union School District No. 14 (consisting of Bennington School District Inc., North Bennington Graded School District, Inc., Shaftsbury Town School District, Pownal Town School District, and Woodford Town School District) are hereby warned to meet at the Firehouse on River Street in Bennington, Vermont, on Monday, March 5, 2018, at 6:15 o'clock in the evening to transact the following business from the floor:

ARTICLE I: To accept the reports of the District's officers for the preceding year as reported in the Annual Report.

ARTICLE II: To establish the annual salaries of the District officers as follow:

- a) Moderator- \$ 100.00
- b) District Clerk- \$ 1,000.00
- c) School Directors- \$ 1,200.00 each
- d) Treasurer- \$ 25,305.00

ARTICLE III: To authorize the School Board to borrow money in anticipation of tax revenues to meet current operating expenses of the District.

ARTICLE IV: To hold a public informational hearing on articles to be voted upon by Australian ballot on March 6, 2018.

ARTICLE V: To transact any other business found proper when met.

The legal voters of the Mount Anthony Union School District #14 are hereby WARNED FURTHER to meet on Tuesday March 6, 2018, when the polls will be open to transact business by Australian ballot as follows:

ARTICLE A: To elect School Directors as indicated for such terms to begin immediately. The School Board members to be elected are as follows:

- One (1) who is a resident and legal voter of the Bennington School District, Inc. (3-year term)

Town of Woodford Annual Town Meeting Minutes March 6, 2017

MARCH 6, 2017

TOWN MEETING MINUTES

The meeting was called to order by Moderator Dick Frantz at 7:30 pm. The meeting began with the Pledge of Allegiance. Immediately following, Dick welcomed Bill Botzow to say a few words.

Bill stated that Woodford is a special place, but especially its people. It has been his pleasure to serve the people of Woodford. He was pleased to be able to present a concurrent resolution in honor of Nancy Coleman. Nancy was selected as the VT State School Nurse of the Year for 2016. Bill read the resolution from the State of Vermont House of Representatives congratulating Nancy Coleman of Woodford on being selected as the 2016 Vermont State School Nurse of the Year. The resolution recognizes Nancy for being selected by the Vermont State School Nurses' Association (VSSNA) as one of its accomplished members. Nancy has worked as a school nurse for 22 years and is a great advocate on behalf of her school's students and their families. She has earned the Mount Anthony Middle School community's trust and respect. She has been a leading member of the VSSNA, having served on the organization's board of directors, senior leadership positions, played a key role in drafting and implementing the organization's operating guidelines along with organizing VSSNA conferences. As a National Association of School Nurses Director, her excellent leadership skills have been applied beyond Vermont's borders. The resolution also states that Nancy Coleman's selection as the 2016 Vermont School Nurse of the Year was a well-deserved recognition of her outstanding service as a school nurse.

Bill thanked the people of Woodford for their support in the last election. He stated that he would stop by the next day during the election to be available to anyone who may have questions or concerns. He also stated that he would leave copies of his Town Meeting 2017 Legislative Report for anyone to read along with copies of the Bill Doyle's survey as he has done in previous years. He explained that there are lots of new members in Vermont government but the government is adjusting smoothly. He expressed his gratitude and appreciation for the opportunity to represent Woodford. He thanked all the boards for keeping the Town going.

Dick read the warning as posted. He reviewed the guidelines for the meeting.

Motion by Chuck Suss to approve the article, 2nd by Betty Charette. No discussion followed.
All in favor, **Motion Carries.**

ARTICLE 18: TO CONDUCT ANY OTHER BUSINESS FOUND PROPER WHEN MET. (NO BINDING ACTION CAN BE TAKEN UNDER OTHER BUSINESS.)

Nancy Coleman asked why money was not appropriated for the rescue squad as it has been in the past and what does that mean to the people of Woodford. Ryan explained that \$5000 was assigned for the rescue squad as a budget item in this year's budget. It was done this year because the Rescue Squad is now basing their fees per capita so each town they service was charged accordingly. Since it is a requirement of the Emergency Plan to provide this service then it was necessary to treat it as an expense just like the fire dept. is handled. If it was voted on as an article then it could possibly be voted down. If this should happen then the town would be in violation of this plan and would not be able to provide this service to the people of Woodford.

Nancy stated that she appreciated the fact that the minutes from last year's town meeting were included in this year's report. If they had been in the past she may have missed them but having them made it easier to compare one year to the next.

There was no other business.

Motion by Chuck Suss to adjourn the meeting, 2nd by Betty. No discussion followed.
All in favor, **Motion Carries.**

Meeting was adjourned at 8:00 pm.

Susan Wright

House of Representatives

Montpelier, Vermont

Concurrent House Resolution

H.C.R. 63

House concurrent resolution congratulating Nancy Coleman of Woodford on being selected as the 2016 Vermont State School Nurse of the Year

Offered by: Representatives Botzow of Pownal, Corcoran of Bennington, Fields of Bennington, Miller of Shaftsbury, Morris of Bennington, and Morrissey of Bennington

Offered by: Senators Campion and Sears

Whereas, school nurses are the first medical resource for students, faculty, and staff who become ill during the school day, and

Whereas, these medical professionals design health education programs for students, and

Whereas, the Vermont State School Nurses' Association (VSSNA) is the membership organization that offers guidance and a professional forum for Vermont's dedicated school nurses, and

Whereas, annually, the VSSNA recognizes one of its accomplished members as the Vermont State School Nurse of the Year, and

Whereas, at its most recent fall conference held in Brattleboro, the VSSNA presented the 2016 award to Nancy Coleman of Woodford, who is the school nurse at the Mt. Anthony Union Middle School (MAUMS), and

Whereas, Nancy Coleman has worked as a school nurse for 22 years, is a great advocate on behalf of her school's students and their families, and has earned the MAUMS community's trust and respect, and

Whereas, her excellent credentials, in addition to her nursing degree, include certification as a first aid and CPR instructor and a master's degree in education, and

Whereas, Nancy Coleman has been a leading member of the VSSNA, having served on the organization's board of directors and in senior leadership positions, including conference chair, secretary, treasurer, and president, and

Whereas, as a VSSNA officer, Nancy Coleman played a key role in the drafting and implementation of the organization's operating guidelines, and

Whereas, for many years, organizing VSSNA conferences has been a special responsibility for Nancy Coleman, and she performs this task effectively and with the gratitude of her school nursing colleagues, and

Whereas, as a National Association of School Nurses Director, her excellent leadership skills have been applied beyond Vermont's borders, and

Whereas, Nancy Coleman's selection as the 2016 Vermont State School Nurse of the Year was a well-deserved recognition of her outstanding service as a school nurse, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly congratulates Nancy Coleman of Woodford on being selected as the 2016 Vermont State School Nurse of the Year, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to Nancy Coleman.

Office of Town Clerk

Another year is behind us and how quickly it went. We continue to learn about new law changes and how they affect our taxpayers. This year we finally saw the start of the new statewide property parcel mapping program. This is a 3 year project and The Town of Woodford is participating in year one of this program. This program funds the creation of our parcel data so that it meets the new state data standard. The Town currently has no parcel or tax maps so this project will be a great benefit to Woodford at no cost to our taxpayers.

- The Vt. Dept. of Taxes sent notification that 65% of Vermont taxpayers qualify to file their federal and state taxes free through Vermont Free File, but only about 2% of those eligible actually use Free File. Free help is offered through several organizations. This year the State is emphasizing free tax services and assistance for eligible Vermonters through Vermont Free File, MyFreeTaxes, VITA/TCE, the AARP Foundation and the IRS Agent Virtual Delivery Service. Resources are also available online at myVTax at www.mytax.vermont.gov. On this website you are able to file a Homestead Declaration, Property Tax Adjustment Claim, Renter Rebate, Landlord Certificate and check the status of your return.

- Just a reminder that there are three (3) more elections this year. The local election is Tuesday, March 6, the Primary Election is August 14 and the General Election is November 6. Since several people took advantage of the polls opening at 7am, we have changed the polling hours to 7am-7pm for all elections. Voter registration is available on any election day while the polls are open, through automatic voter registration, at the motor vehicle office, online at www.mvp.sec.state.vt.us/ and during the Town Clerk's Office hours.

- The State Treasurer's Office has sent a list of Woodford residents who have unclaimed property. The list is posted in the Town Office and online at www.missingmoney.com. The process to claim your property is very simple and worth checking into.

- Dog licenses are due April 1, 2018. Any dog that is more than six (6) months old must be registered and licensed annually on or before this date. Proof of sterilization and rabies certificate must be provided at the time of licensing if not already on file. The fee for a spayed or neutered dog is \$9.00 (\$11.00 after April 1st) and \$13.00 for unneutered or unspayed dog (\$17.00 after April 1st).

- Remember to file your homestead declaration by April 17th, 2018 to avoid any penalties and to receive an accurate tax bill. Filing for an extension for your income tax does not include the homestead declaration.

- Green Mountain Passports are available at the Town Office for \$2.00. This entitles you to free admission to Vermont State Parks (including Woodford State Park), Vermont Historic Sites and events which are fully State sponsored. To be eligible you must be a legal resident of Vermont and Woodford and be either 62 years of age or older or a veteran of the uniformed services.

We are grateful for your support of the Town Clerk's Office and welcome the opportunity to serve you. We wish everyone a healthful, prosperous and happy 2018. Feel free to call the office with any questions you may have.

Susan and Betty

I would like to express my appreciation to Betty Charette who resigned her position as assistant town clerk as of 12/31/2017. Betty has been an instrumental part in the smooth operation of the town office. She is always there when she's needed and never hesitates to offer assistance to anyone who needs it. Her knowledge will be missed in the office but we know she is only a phone call away. She is still planning on being in the office off and on and more than happy to help out whenever asked and hopefully we will continue to see a lot of her.

We welcome Pam Gahan as the new Assistant Town Clerk. Pam started at the beginning of this year and is eagerly learning her position. There is certainly a lot to learn but there is no doubt that Pam will embrace the challenge.

Susan

The New Vital Records Law (Act 46) and What It Means for You

The Vermont Legislature passed Act 46 in May 2017, which significantly changes the state laws that govern vital records –namely, birth and death certificates. The new law and rules will enhance the safety and security of birth and death certificates, provide better protection against misuse of these legal documents, and reduce the potential for identity theft. Additionally, the changes streamline the entire statewide system for creation, storage and tracking of birth and death certificates. Act 46 will impact anyone who seeks a copy of a Vermont birth or death certificate. **The changes go into effect on July 1, 2018.**

The most notable changes are:

1. Only family members (as defined in Act 46), legal guardians, certain court-appointed parties or legal representatives of any of these parties can apply to obtain a certified copy of a birth or death certificate. In the case of a death certificate only, the funeral home or crematorium handling disposition may apply for a certified copy.
2. An individual must complete an application and show valid identification when applying for a certified copy of a birth or death certificate.
3. An individual who refuses to complete the application or cannot provide valid identification will be ineligible and referred to the Vital Records Office.
4. Certified copies of birth and death certificates can be ordered from any town, not just where the birth or death occurred or where the person was a resident.
5. Certified copies will be issued on anti-fraud paper.
6. Access to noncertified copies (previously called “informational” copies) is not significantly changed by the new law or rules.
7. Marriage, civil union, divorce or dissolution certificate copies and processes are not affected by the new law or rules.

The Town of Woodford Scholarship

Any present and former Woodford students who are going to graduate from Mount Anthony Union High School or other accredited secondary institute of education are eligible for the Woodford Town Scholarship. This scholarship was previously known as the Jesse A. Bugbee Scholarship. The Scholarship is a small, one time financial gift to a student who wishes to continue his or her education after High School.

Students who meet the criteria below are welcome to apply for the scholarship. Letters of application should be submitted to:

Town of Woodford
ATTN: Scholarship Review Committee
1391 VT Route 9
Woodford, VT 05201

Application must be received by the Selection Committee on or before April 27, 2018.

Woodford Town Scholarship Fund

Purpose: To recognize the achievements and to encourage the potential of Woodford students graduating from High School.

Eligibility: The Woodford Town Scholarship Fund will be awarded after the review of the selection committee. The selection committee consists of the Woodford Hollow Elementary School Principal and the Woodford Town Treasurer. The award is to that graduating senior that resides in the Town of Woodford, has applied to and been accepted in a program of further education and who, in the opinion of the committee and on the basis of their high school record, has demonstrated the greatest potential for success in academic or vocational study. The Scholarship will be awarded by the Woodford Select Board based on the recommendation of the selection committee. Notification of the awardees' scholarship will be given to the Woodford Board of Education.

Presentation: Award will be made at the Mount Anthony Awards Night or other high school's awards night. The award is given to the college in the name of the awardee upon notification of the college that the awardee is in attendance.

Please Note: We are always looking for donations to the Scholarship fund. Donation can be made at any time during the year. Your donation will help Woodford students further their education.

Office of the Vermont Secretary of State Office Elections Division

Last year, Secretary of State Jim Condos announced the launch of VT's new Elections Management Platform. This streamlined the elections administration process, providing voters with greater access to voter specific information. Over 25,000 Vermonters registered to vote online in 2016.

For the November General Election, nearly 6,500 Vermonters requested an absentee ballot through the My Voter page. By using the My Voter Page, a registered voter can:

- Check registration status;
- View information on upcoming elections;
- Access voter specific elections information, including directions to a polling place and polling hours;
- View a sample ballot;
- Request and track an absentee ballot;
- And much more.

We encourage voters to log into their My Voter Page to learn more.

Registered Voters can log in at: <http://mvp.sec.state.vt.us>

Online registration can be found at: <http://olvr.sec.state.vt.us>

BENNINGTON COUNTY SOLID WASTE ALLIANCE

*Arlington, Bennington, Dorset, Glastenbury, Manchester, Pownal, Rupert, Sandgate,
Searsburg, Shaftsbury, Stamford, Sunderland, and Woodford*

Solid Waste Implementation Plan and the Universal Recycling Law: In December of 2015, the Bennington County Solid Waste Alliance adopted a solid waste implementation plan or "SWIP" to comply with both the Universal Recycling Law (Act 148) and the materials management plan developed by the Vermont Agency of Natural Resources. The SWIP describes how the member towns will increase recycling, reduce the amount of materials sent to landfills, and provide outreach program for residents, schools, businesses and institutions to assist them in recycling. The Alliance provides information on their website (www.bcswavt.org) and Facebook page as well as in local newspapers.

School and Business Outreach: This past year, the Alliance provided outreach to Burr and Burton, Pownal Elementary and Stamford Elementary schools including assisting Pownal Elementary with on-site composting. The Alliance provided outreach to over 40 businesses on ways to increase recycling, manage food scraps, and properly dispose of hazardous materials.

Funding and Grants: The member towns provide most of the funding for programs. From July 1, 2016 to June 30, 2017 the Alliance received over \$25,000 in grants from the Agency of Natural Resources and from the Agency for Agriculture and Markets for sales of compost bins and for household hazardous waste events. The Alliance also received \$4,000.00 from the High Meadows Fund to assist the towns of Pownal, Searsburg, Shaftsbury and Stamford in starting food scrap collection at their transfer stations.

Programs and Events: The Alliance sponsors and supports many programs to assist residents, businesses, schools and institutions to properly dispose of materials. The following are some of our major programs.

Household Hazardous Waste Events: The Alliance held two household hazardous waste (HHW) events in the spring and fall of 2017. The spring event was sponsored by the Town of Bennington and held at the Bennington Transfer Station. The fall event was managed by the Bennington County Regional Commission and held at the Dorset School. Over 400 households participated in the two events. In 2018, the Alliance will again hold two events for the 13 Alliance towns. One will be held in Bennington on May 12, 2018 and the second at the Dorset School on September 15, 2018.

Electronics Collections: The Vermont E-Cycles program provides for free disposal of electronic devices including computers, monitors, printers, computer peripherals, and televisions, regardless of brand, age, or condition, for consumers, charities, school districts, and small businesses. Free collection locations in Bennington County include the Bennington, Northshire (Dorset), Pownal, Searsburg, and Sunderland Transfer Stations and other sites listed at <http://dec.vermont.gov/waste-management/solid/product-stewardship/electronics>. The Dorset School also holds annual E-Waste Collection events.

Fluorescent Bulbs: Vermont has also implemented a plan to accept used fluorescent bulbs and compact fluorescent bulbs (CFL's) at various retail. These bulbs contain mercury, which is a hazardous substance. Residents can dispose of bulbs at several hardware stores and other retail establishments and at several of the transfer stations. More information is available at <http://www.bcswavt.org/programs-and-projects/fluorescent-bulbs/>.

Paint Collections: PaintCare Inc. is a non-profit organization established to assist paint manufacturers to plan and operate paint stewardship programs in the United States, including Vermont. Both latex and oil-based paint have been collected at HHW events and at special PaintCare events, and several local hardware stores accept paint. To find a location, residents may visit <http://www.paintcare.org/drop-off-locations/>.

Battery Recycling: Primary (alkaline) batteries and rechargeable batteries are now accepted at many retailers and at the Bennington, Northshire, Sunderland and Pownal Transfer Stations. You can find locations at: <http://www.bcswavt.org/programs-and-projects/battery-recycling/>. For more information, visit Call2Recycle at <http://www.call2recycle.org/what-can-i-recycle/>.

Textiles: The Bennington, Northshire, Sunderland, Shaftsbury and Pownal transfer stations have textile boxes where residents can donate clothing and shoes. Boxes are also located throughout the Alliance area. Visit www.bcswavt.org for locations. Goodwill in Bennington also accepts clothing donations as well as other household items, books and used electronic devices. Visit them at <http://www.goodwill-berkshires.com/>.

Leaf and Yard Waste, Food Scraps and Other Organics: All transfer stations accept leaf and yard waste, clean wood and food scraps. Visit <http://www.bcswavt.org/programs-and-projects/transfer-stations/> for information on your transfer station.

Construction and Demolition Debris: All transfer stations accept construction and demolition debris from builders and do-it-yourself homeowners. The TAM Pownal facility also accepts construction and demolition debris from residents and businesses.

Prescription Drugs: Prescription drugs should be properly disposed when they are no longer needed as they can make their way into water sources and can pose a hazard in the home. The Bennington Police Department, the Manchester Police Department, the Bennington County Sheriff and Southwestern Vermont Medical Center accept prescription drugs. Go to <http://www.bcswavt.org/programs-and-projects/disposing-of-prescription-drug/> for more information.

Town of Woodford-Delinquent Tax Collection Policy

SUMMARY

Town and school budgets are set in anticipation of the collection of property taxes and taxes not paid by some property owners shift the cost burden onto those that do. It is the best interest of the Town of Woodford and its residents that property taxes be paid when they are due. Woodford's collection policy recognizes that individuals may go through periods of financial difficulty, but in order to be fair to all town taxpayers, the policy asserts that, as a matter of principle, shifting the burden of one property owner's debt onto other property owners in the town is not appropriate. A taxpayer who becomes delinquent is encouraged to find alternative resources to pay in full as soon as possible. Delinquent taxes represent a lien on the property that will remain in effect until the delinquent taxes, plus penalty and interest, have been paid in full.

PURPOSE

The purpose of this policy is to treat Woodford taxpayers fairly by establishing clear guidelines that relate to the collection of delinquent taxes.

POLICIES

Notices

- The Delinquent Tax Collector will send a notice to each delinquent taxpayer indicating the amount of delinquent taxes, penalty and interest owed within 15 days of receiving the warrant from the Town Treasurer and each quarter thereafter.
- The initial delinquency notice shall include a statement explaining tax abatement options for the delinquent taxpayer (see attached), as well as the steps needed to make adequate payment arrangements (see below).

Penalty and Interest

Delinquent taxes shall be assessed a penalty of 8% of the total tax due, plus monthly interest on the outstanding balance as follows: an interest rate of 1% per month (or partial month) for the first 3 months, increasing to 1.5% per month (or partial month) on months thereafter until the total balance is paid in full.

Payment Arrangements

- Payments in full are preferred but payment plans can be an option using the following criteria:
- Only payment arrangements that will pay the bill in full before the due date of the next year's tax bill will be accepted.
- Delinquent taxpayers shall submit a written payment arrangement proposal to the Delinquent Tax Collector by midnight, December 31st of same year taxes were due. The proposal shall outline the intended monthly payments and should be accompanied by a good faith payment to the Town.
- Delinquent Tax Collector shall have an approved payment plan with the delinquent taxpayer by January 10th of the **new tax year**.
- Partial payments will be applied first to the interest portion of the amount due. Any remainder will be divided proportionally between the outstanding principal amount of the tax and the 8% penalty.
- Violation of the payment arrangement including, but not limited to, a check returned to the Town for insufficient funds shall make the payment arrangement null and void and payments not fulfilled before the next tax due date will initiate a tax sale immediately.
- Costs, including those associated with returned checks may be included in setting the tax sale amount.
- The Town reserves the right to deny any payment arrangement that does not meet the above criteria.

Regular Procedures

- Payments may be mailed or hand delivered to the Delinquent Tax Collector.
- The Collector will issue a receipt to the property owner for every payment.
- On a monthly basis, the Collector will deliver to the Town Offices a copy of each receipt issued during the previous month (and retain a copy for his/her records).
- A payment will be credited based on the postmark date or the Town official stamped date received.
- Postdated checks will not be accepted. Requests to hold checks for later deposit will not be honored.
- Cash payments will be accepted at the discretion of the Town official to whom the payment is tendered.

Vermont Rural Fire Protection Task Force

Re: **Request for FY18 Appropriation, Vermont Rural Fire Protection Program**

Dear Board of Selectpersons, Town Clerks and Auditors:

On behalf of the Vermont Rural Fire Protection Task Force, I am writing to request your support of the Vermont Rural Fire Protection (RFP) Program, formerly called the Dry Hydrant Grant Program. The RFP program helps Vermont communities protect lives, property and natural resources by enhancing fire suppression resources. Program Manager and Engineering Technician Troy Dare helps local fire departments identify appropriate sites for dry hydrants and other rural water supply systems, design installations, and find financial support to support the costs of construction. During the **19 years** of the program, **1054 grants** totaling **\$2.32 million** have been provided to Vermont towns for installation of new rural fire protection systems, as well as for replacements and repairs.

Over the past several years, the Rural Fire Protection Program has made a successful transition from the Northern Vermont and George D. Aiken Resource Conservation and Development (RC&D) Councils to the Vermont Association of Conservation Districts (VACD). VACD is the membership association of Vermont's fourteen Natural Resources Conservations Districts, whose mission is to work with landowners and communities to protect natural resources and support the working landscape throughout the state.

We have made several adjustments to the Rural Fire Protection Grant Program in recent years, including changing the name from Dry Hydrant Grant Program to Rural Fire Protection Program to better reflect the diverse range of projects we support. In 2017 we increased the maximum grant award amount from \$4,000 to \$5,000 per project. New Rural Fire Protection systems along with repair, replacement, relocation, and upgrades of existing RFP systems are eligible for grant funding on an ongoing basis. In 2015 we began considering applications from Vermont towns and fire departments on a revolving basis throughout the year rather than just once a year. Please be on the look-out for the grant announcement post-card in March 2018.

The annual budget of the Rural Fire Protection Program is \$190,000 per year, \$110,000 of which is awarded in grants to Vermont communities for construction costs. The remaining budget covers site assessments, project design and program oversight. Most of our funding comes from the Vermont Department of Public Safety through annual appropriations by the Vermont Legislature. In addition, the program receives support from the US Forest Service through the Vermont Department of Forests, Parks and Recreation. Unfortunately, these grants do not completely cover the costs of the program. Therefore, we are respectfully requesting that you include a \$100 appropriation in your 2018 town budget to support the Rural Fire Protection Program. Since last year's appropriation request, we have received almost **\$10,000** in town appropriations from almost **100** towns, with contributions still coming in. We are deeply grateful for this ongoing support.

214 Vermont communities have benefitted from the Rural Fire Protection program. Our goal is to extend this support to all Vermont towns and continue to assist local fire departments in reducing the risk of injury, loss of life, and damage to property and natural resources, thereby improving the safety and welfare of Vermont communities.

Enclosed please find a summary report of the Rural Water Supply Grant Program, as well as an invoice and W-9 from VACD in case it is required. Please feel free to contact me, Troy Dare, or Jill Arace, Executive Director of VACD, with any questions you may have. Our contact information is provided below. If you would like to receive this appropriation request by mail instead of by email, please contact Troy Dare.

Thank you for your consideration.

Sincerely,

Tom Maclay, Chair

Dear Selectmen,

This is a request from the Southwestern Vermont Council on Aging for \$250.00 in funding in your FY '19 budget. This is the same level of funding we requested and received last year. If approved, this funding will be used to help support the work we do on behalf of Woodford elders.

The enclosed document provides a brief description of the services the Council on Aging provided to elders in your community over the last year, and is designed for use in the Woodford town report. Please contact me if you have any questions about any of this information.

I would be glad to arrange for a representative from our agency to appear at any meeting set to discuss this request.

We sincerely appreciate the past support that we have received from the town of Woodford, and we hope that we can, once again, count on support from your community.

Thank you for your consideration of this new request.

Sincerely,

Report to the Citizens of Woodford

This report describes the services that the Southwestern Vermont Council on Aging (SVCOA) provided to older adults who reside in Woodford. The service period reported is from October 1, 2016 through September 30, 2017:

Senior Meals

SVCOA provided 365 home delivered meals in your community, through the Meals on Wheels program. In addition, 4 Woodford older adults came together at a luncheon site located in your area to enjoy a nutritious meal and the company of others. Through this site, 275 meals were served to older adults in your community.

Case Management Assistance

SVCOA case management staff helped 4 older adults in your community. A case manager works with an older adult, privately in the individual's home or at another agreed upon location. The case managers assess each person's specific situation in order to tailor a plan unique to that individual. Case managers will work with the older adult to identify their needs and discuss possible services available to address these areas. If the individual desires, the case manager will link the client to appropriate services, coordinate and monitor services as necessary, and provide information and assistance to caregivers. Case managers also help older adults connect with in-home assistance programs, including a program called Choices for Care. This program is especially helpful to frail older adults facing the possibility of long-term care placement who still wish to remain at home. Options Counseling, which helps older adults create a long term care plan, was used by 1 individual in your community.

Other Services and Support

SVCOA also provided a host of other services to support older adults in your community. These services included:

- 1) "Senior HelpLine" assistance at 1-800-642-5119. Our Senior HelpLine staff provide telephone support to older adults and others, who need information about available programs and community resources;
- 2) Medicare and health benefit counseling information and assistance through our State Health Insurance Program (SHIP);
- 3) Legal service assistance through the Vermont Senior Citizens Law Project;
- 4) Information about elder issues via the "60Plus" column appearing in the Rutland Herald;
- 5) Nutrition education and counseling services provided by SVCOA's Registered Dietician;
- 6) Senior Companion support for frail, homebound older adults;
- 7) Outreach services to older adults dealing with mental health issues through our Elder Care Clinician. SVCOA cooperates with Rutland County Mental Health to provide this service;
- 8) Transportation assistance; and,
- 9) Caregiver support, information and respite to family members and others who are providing much needed help to older adults in need of assistance.

Town of Woodford

Bennington Area Visiting Nurse Association and Hospice is requesting town funds in the sum of \$650 to assist in providing much needed home care and hospice services to all those in need. Attached is our summary of services provided this past year.

Many of our patients are elders or disabled individuals who might otherwise not be able to manage their illnesses at home. We also serve mothers experiencing high risk pregnancy and infants and children with special needs. Most of our patients have either Medicare or Medicaid that often does not cover the cost of providing their needed care.

We also offer many services at no charge, such as: Bereavement support groups for adults and children, flu clinics, Tree of Hope Memorial service, community education on end of life issues for groups or schools, etc.

We believe in providing the medically necessary healthcare wherever it is needed, location of residence, or complexity of health issues. Town funds and charitable contributions help us to make this possible.

We are very grateful to the Town of Woodford for many years of support to help the Bennington Area Visiting Nurse Association and Hospice meet our mission to serve our community. Please do not hesitate to contact 802-442-0528 if you have any questions.

TO THE OFFICERS AND CITIZENS OF WOODFORD:

In 2016, the Bennington Area Visiting Nurse Association and Hospice (BAVNAH) provided Bennington County residents with exceptional home care, hospice and community health services. From infants with hi-tech needs to our most senior population facing end-of-life care, we continued to bring medically necessary healthcare wherever it is needed, location of residence, or complexity of health issues.

In the face of shrinking government and state reimbursements and rising healthcare costs, BAVNAH has continued to identify community needs and provide essential cost-effective health care services to some of Bennington County's most vulnerable individuals.

In 2016, VNA's dedicated staff made more than 142,884 visits to 3,459 patients. In the town of Woodford, we provided 281 visits to 9 individuals.

In closing, we wish to thank you for your past support. With your vote of confidence, we will continue to meet our mission to enhance the quality of life of all we serve through comprehensive home and community health services.

1391 Vermont Rte. 9
Woodford, VT 05201

Dear Susan,

The Bennington Free Library requests an appropriation in the amount of \$3,600 for the 2018-2019 fiscal year. Woodford's long history of support for the library confirms its commitment to sustain a community of engaged and well-informed citizens.

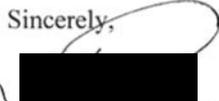

Information equality is critical to individual and entrepreneurial success, and the Bennington Free Library has a long established history of providing relevant and timely information in all forms. The library supports individuals throughout their lifetime of learning: through story hours which foster early language and social skills before children begin to walk, by supporting students of all ages as they pursue their educational goals and later by providing resources for "lifelong learners" who remain intellectually curious throughout their lives.

The library continues to expand the selection of online resources it offers 24/7, including full-text access to thousands of magazine titles, online classes, homework, medical and employment resources, expanded access to downloadable audio and e-books as well as seasonal recreational passes to Vermont parks and museums.

Tech Walk In service on Thursday evenings from 5:00 to 7 p.m. continues to be popular as is 24/7 free wifi. All this and more provides Woodford residents access to the resources they require to succeed in their personal and professional lives.

The Bennington Free Library manages funds received from the Town of Woodford carefully and I hope the town will continue to support the Library. If our Director, Lynne Fonteneau McCann or I can provide further information, please do not hesitate to contact us. Thank you for your consideration of this request.

Sincerely,

THE VERMONT CENTER FOR INDEPENDENT LIVING

TOWN OF WOODFORD

SUMMARY REPORT

Request Amount: **\$250.00**

Since 1979, The Vermont Center for Independent Living (VCIL) has been teaching people with disabilities and the Deaf how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees (85% of whom have a disability) conduct public education, outreach, individual advocacy and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

In FY'17 (10/2016-9/2017) VCIL responded to over **3,000** requests from individuals, agencies and community groups for information, referral and assistance and program services for individuals living with a disability. VCIL Peer Advocate Counselors (PACs) provided one-on-one peer counseling to **358** individuals to help increase their independent living skills and **13** peers were served by the AgrAbility program. VCIL's Home Access Program (HAP) assisted **165** households with information on technical assistance and/or alternative funding for modifications; **80** of these received financial assistance to make their bathrooms and/or entrances accessible. Our Sue Williams Freedom Fund (SWFF) provided **98** individuals with information on assistive technology; **45** of these individuals received funding to obtain adaptive equipment. **534** individuals had meals delivered through our Meals on Wheels (MOW) program for individuals with disabilities under the age of 60. We are also now home to the Vermont Telecommunications Equipment Distribution Program (VTEDP) which served **49** people and provided **22** peers with adaptive telecommunications enabling low-income Deaf, Deaf-blind, Hard of Hearing and individuals with disabilities to communicate by telephone.

VCIL's central office is located in downtown Montpelier and we have five branch offices in Bennington, Chittenden, Lamoille, Rutland and Windham Counties. Our Peer Advocate Counselors and services are available to people with disabilities throughout Vermont. Our Windham County office also houses the Vermont Interpreter Referral Service (VIRS) (previously under the VT Center for the Deaf and Hard of Hearing) and provides statewide interpreter referral services for sign language, spoken English and CART services for assignments in medical, legal, mental health, employment, educational, civil and recreational settings.

During FY '17, VCIL provided direct services to Vermont residents utilizing the following programs/services:

- Information, Referral and Assistance (I,R&A)
- Home Access Program (HAP)
- Meals on Wheels (MOW)
- Peer Advocacy Counseling (PAC)
- Sue Williams Freedom Fund (SWFF)
- Telecommunications Equipment Distribution Program (VTEDP)

To learn more about VCIL, please call VCIL's toll-free I-Line at:

BROC COMMUNITY ACTION

To the Citizens of the Town of Woodford,

On behalf of BROC Community Action and the thousands of people with low income or living in poverty that we serve in Rutland and Bennington counties, I want to personally thank you for supporting us through the balloting process over the years. BROC Community Action continues to experience many people seeking our programs and services each day.

Over the past year, BROC Community Action has demonstrated strong community impact in the Town of Woodford.

- 13 individuals were assisted and had their needs met including food from our Community Food Shelf, housing counseling, heating and utility assistance, forms assistance for benefits such as 3SqVT and budget counseling through our Community Services department,
- 4 homes/units consisting of 6 individuals were weatherized and/or had energy efficiency measures performed reducing energy costs through our Weatherization assistance program, and
- 2 individuals worked with our business counselor to start a small business through our Micro Business Development Program

Despite the significant outcomes BROC Community Action has achieved for the residents of the Town of Woodford over the past year, there is still more work to do. People come to us cold, hungry, homeless, jobless or facing major health conditions every day. Your appropriation helps ease the struggle for more than 10,000 people who seek assistance from us each year as we meet the basic needs of their families and provide a path forward.

Respectfully, our appropriation request for the upcoming year is \$300.00.

We value our partnership with Woodford to assist those most in need.

Sincerely,

Thomas L. Donahue, CEO tdonahue@broc.org

Mr. Ryan Thurber
Chairman, Woodford
1391 VT Route 9
Woodford, VT. 05201

Dear Mr. Ryan Thurber,

The Bennington County Regional Commission (BCRC) provides planning and economic development support for seventeen towns and villages. Most of the BCRC's funding is derived from grants awarded by state and federal agencies, including the Vermont Agency of Commerce and Community Development, the Vermont Agency of Transportation, the Vermont Department of Environmental Conservation, the Vermont Department of Emergency Management, the US Environmental Protection Agency, and the US Department of Agriculture. A critical component of the organization's funding, however, is obtained from the annual appropriations received from its member municipalities. These funds are necessary to meet local matching requirements for many of the grant programs and to support our direct assistance to municipalities.

The BCRC also provides contracted staff support to the Bennington County Solid Waste Alliance and the Bennington County Industrial Corporation (BCIC), and administrative support for the Alliance for Community Transformations and other community organizations. The BCRC's expanded role in economic development has led to a coordinated effort within the region and with partners in adjacent regions to advance the goals of the Southern Vermont Economic Development Zone.

The BCRC maintains an office in an historic building in the center of Bennington's downtown. The Commission is overseen by municipally appointed commissioners representing each of the member towns and villages as well as eight commissioners representing specific interests such as economic development, housing, transportation, and public health. The BCRC currently employs ten staff members and oversees the work of two full-time Americorps VISTAs. Principal program areas with assigned staff responsibilities include: municipal and regional planning, community and economic development, transportation, environmental planning, emergency management planning, energy planning, public health, and solid waste planning and management.

The BCRC's budget for FY 2018 is \$1,380,748, of which \$62,151 is provided through town and village member dues. The increase in the appropriation request for Fiscal Year 2019 is 2.0 percent over the amount that was due last year. We have attempted to keep this increase as small as possible, balancing the need to maintain important regional commission programs with recognition of the challenging economic times faced by our communities. The appropriations for the region's smallest municipalities (population under 500) is now \$2,000; for mid-sized municipalities (population 500 – 2000), the amount ranges from \$2,223 to \$2,944, depending on population); and for larger towns (population over 2000), the range is from \$3,741 to \$15,511.

For the coming year, based on Woodford's population of 424, the BCRC appropriation request is \$2,000.

The attached report includes a description of major BCRC program areas and specific projects undertaken in the past year. A copy of the report submitted to each municipal auditor for inclusion in your annual report is included at the end of the comprehensive report.

Sincerely,

James D. Sullivan

Dear Selectmen:

On behalf of The Tutorial Center, I would again like to thank you and the residents of Woodford for your support this past year. Your commitment to the work of our agency has helped us reach more and more individuals.

The Tutorial Center is once again seeking support from the Town of Woodford for next year in the amount of \$250. This support will help us to continue offering these vital services for your community members.

Your commitment to the work of The Tutorial Center has helped us to continue to expand the amount of essential services we deliver -- This past year we provided tutoring to 191 school-age children plus over 7,000 hours of FREE adult education to area adults including 2 Woodford residents.

Enclosed is an Annual Report for your review, and for your Town Report. Please contact me if additional information is required. Thank you for your continued support.

Dear Ms. Wright:

The Bennington County Association Against Child Abuse (DBA: Bennington County Child Advocacy Center and Special Investigations Unit) would like to request funding support/appropriations in the amount of \$100.00 from the Town of Woodford.

Thank you very much for granting our request for \$100 from the Town of Woodford budget for 2017. Appropriation requests are unrestricted funding for us. This allows us to continue to provide trainings to people throughout our community.

The Bennington County Association Against Child Abuse, established in 1989, is a non-profit, nationally accredited agency that was created to: help children and their families begin the process of healing after a child has been a victim of sexual abuse or egregious physical abuse; conduct quality investigations; reduce stress and trauma to the victim; and protect the victim in the community. Because of our continued efforts, we can anticipate and respond to the needs of children and their families more effectively, lessen the stress of the court process, and increase access to resources needed by the family.

What We Do

- Provide direct services to children and families upon the commencement of an alleged child abuse case, for as long as needed, regardless of judicial outcome.
- Provide direct services to adult victims of sexual abuse, for as long as needed, regardless of judicial outcome.
- House a child-friendly interview room and a private family waiting room.
- Ensure that our investigators and case coordinator stay abreast of current best practices
- Maintain a Multi-Disciplinary Team which promotes cooperative efforts between disciplines: law enforcement, child protective services, prosecution, medical, mental health, victim advocacy, schools and child advocacy center staff.
- Provide school and community outreach.
- Serve as a resource to any adult working with children.

The Bennington County Association Against Child Abuse appreciates your consideration of our request. Please do not hesitate to contact me if you have any questions. I am also willing to attend a Select Board meeting if you so desire.

Sincerely,

Joy Kitchell

Dear Susan,

The mission of the American Red Cross is to prevent and alleviate human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. We are a non-profit organization dedicated to helping local communities prepare for, respond to and recover from local disasters, most commonly home fires.

We also provide several other services which include supplying blood and blood products in the United States, emergency communication services for Military Service Members and their families, training courses for emergency preparedness, as well as certification courses for Licensed Nurse Assistants, babysitting, and First Aid/CPR. These services, amongst the other services and campaigns outlined below, help thousands of residents each year, and would not be possible without the generosity of donors and hundreds of local volunteers working together 365 days a year, 24 hours a day.

We provide all of our services *free* with **no** support from federal or state governments. In order to be able to provide these services, the American Red Cross reaches out to partners in the community like the **Town of Woodford** for funding. It is for this reason that the American Red Cross of New Hampshire and Vermont respectfully requests a donation of **\$250.00** for the upcoming fiscal year.

This past year, the American Red Cross of New Hampshire and Vermont provided the following services throughout the region:

- Every 17 hours, on average, we assisted a local family, helping over **1,134** people.
- We installed **2,871** smoke detectors in homes through our Home Fire Campaign.
- Every day, approximately **87** people were trained in first aid, CPR, and water safety skills.
- We collected **95,196** units of blood from **65,728** donors. All **40** hospitals in NH and VT depend on Red Cross collections.
- In NH/VT, **13** families who were separated from their families were reconnected with the help of our Service to the Armed Forces department.
- We currently have over **1,300** volunteers throughout the two states that help to make these services happen.

As you know, a disaster or emergency can strike at any time without warning, and the American Red Cross is committed to being in the Woodford community to help your residents in times of need. Your donation will go a long way in ensuring that your citizens receive the support they need when confronted by a disaster or emergency.

On behalf of the volunteers and staff throughout the two states, thank you for your consideration of this request to support the humanitarian work that we do. While we hope that no disasters hit your area, rest assured that the American Red Cross will be there to help if they do.

Sincerely,

Emily Poirier
