Subject: ADVISORY: St. Albans Correctional facility solar project ribbon cutting to include Make-A-Wish donation for local child Monday

St. Albans Correctional facility solar project ribbon cutting to include Make-A-Wish donation for local child

SOLAR EVENT TO FEATURE “WATTS-FOR-WISHES” CHARITABLE DONATION ANNOUNCEMENT

An event Monday in St. Albans will celebrate the State of Vermont’s commitment to renewable energy for state buildings with the completion of 500kW solar array at the Northwest State Corrections Facility and the funding for a local Make-A-Wish child’s wish associated with the new project.

The event, which will include Governor Peter Shumlin and state officials, will feature the announcement of a “Watts-for-Wishes” charitable donation for a local child through Make-A-Wish Vermont.

Who: Governor Peter Shumlin, Make-A-Wish Vermont CEO Jamie Hathaway, Commissioner Andy Pallito, representative from the Department of Buildings and General Services, local Make A-Wish child, AllEarth Renewables, and SolarSense

What: Corrections Facility Solar Commissioning and Local Make-A-Wish
Vermont Donation Announcement

When: Monday, July 20 at 2 pm

Where: Northwest State Correctional Facility

3649 Lower Newton Rd.

St. Albans, Vermont

Event will be in front of the solar farm at the entrance to the correctional
facility
