**Subject:** Connecting on Veterans' Housing Issues

Dear Brigadier General Heston, Colonel Degasta and Director Burke,

Hope you all are well. I wanted to connect you with Angus Chaney in the Agency of Human Services, cc-ed here. Angus serves as the Director of Housing for the State, and in this role, he has a hand in some housing initiatives related to Veterans.

It occurred to us that you all probably have not connected, and it would make good sense for you to be in touch at some point to brief each other on related Veterans' housing work so you all are aware of the various efforts and can leverage each other's work.

I hope you all are able to connect at some point and get to know a bit about the great and important work you each are involved with.

Thanks and hope you all have great weekends.

Best,

Aly
