

SHELBURNE  
VINEYARD

The Cayuga White grape is grown within 300 miles of our Vermont winery. Upon harvest in September, the grapes are rushed to us here in Shelburne where we process them to retain their balance of sugar and acidity. The result: a wine with a delightful fruit nose and crisp full citrus flavors. Enjoy with chicken and fish dishes or with an aged Shelburne Farms Cheddar cheese and a crusty bread.

# Cayuga White

*Dry*
