

Good Afternoon,

The Everyone Eats / \$10 meal voucher program has been a big success on so many levels. Yesterday, we served 47 hearty and nutritious Yankee Pot Roast meals to our hungry neighbors in Central Vermont.

Our farmer friends are grateful too. We've already increased our purchases from Burt's Apple Orchard, Champlain Orchards and Cabot Creamery. Soon we hope to add Chappelle potatoes from Williamstown, Vermont to our meal offerings.

COVID-19 is our 2nd pandemic. When the Wayside opened in July of 1918, there was the owner and a few paid staff members. Now we are responsible for employing over 50 valued employees! Continuation of this program is critical to our survival this Winter.
