RE: Public Records Request Regarding Jonathan Gruber
DATE: December 9, 2014

On behalf of the Agency of Administration and the Governor's Office, please find enclosed access to records in response to your public records act request regarding Jonathan Gruber. We have redacted personal contact information throughout pursuant to 1 V.S.A. § 317(c)(7). We have redacted and withheld certain information, including some attachments to emails, as proprietary information of private entities pursuant to 1 V.S.A. § 317(c)(9), or as executive privileged communications pursuant to 1 V.S.A. § 317(c)(1) and (c)(4). Attachments that amounted to thousands of pages of largely unformatted data shared for the purpose of calibrating the Gruber Microsimulation model for Vermont have not been produced due to volume and associated costs related to review and production.

If you feel any records have been wrongfully withheld, you may appeal to Secretary Jeb Spaulding.

Thank you.
