Re: Open Records/Freedom of Information Request

To whom it may concern:

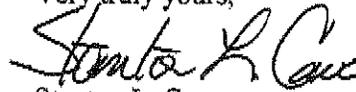

Pursuant to your State's open records and/or freedom of information laws, please produce a copy of any consent(s) or agreement(s) from or by your State's commission or agency, which oversees and regulates pari-mutual wagering on horse racing, for wagers to be accepted in Kentucky with respect to the outcome of horse races which took place in your State.

For purposes of this request, "horse races which took place in your State" means videos of horse races which took place at a race track in your State which are displayed in connection with wagering on historical horse racing, also known as instant racing, in Kentucky.

You may provide records which are responsive to this request directly to me by mail, fax or email. If this request requires the production of more than 100 pages of documents, please contact me to discuss a potential narrowing of this request. If you do not have custody or control of any or all of the records which are responsive to this request, please provide cop(ies) of this request to the appropriate custodian and advise me of the name, title and address of such custodian(s). If you have no documents which are responsive to this request, please notify me of that fact.

Your attention to and assistance with this request will be appreciated. Please feel free to contact me if you have any questions. Thank you.

Very truly yours,
