

# CROSS - INSTITUTIONAL WORK

Entrepreneurship Insights: We provide curricular insights and advise 8 different entrepreneurship programs at 6 different Vermont colleges.

Co-working space: VCET offers free office space and mentorship to any Vermont student entrepreneur.

LaunchVT Collegiate: Steering Committee for a \$10k pitch competition between 10 colleges in Vermont. Debuting in February 2016..

# VCET @ UVM

---

We guest lecture for:

The Sustainable Entrepreneurship MBA program and the “Design Your Life” career planning course. VCET also leads discussions at the annual Invention to Venture conference about business communication and the anatomy of a pitch deck.

We mentor:

UVM Spark: UVM’s research-to-commercialization program. We host a workshop on financing early stage start-ups, then judge their annual pitch competition.

# VCET @ NORWICH

---

We mentor: Norwich  
Entrepreneurs through office  
hours.

We give feedback: At NU  
Launch - Norwich's business  
pitch competition.

We consult: Norwich Faculty  
on the design and vision for  
their entrepreneurship  
curricula.

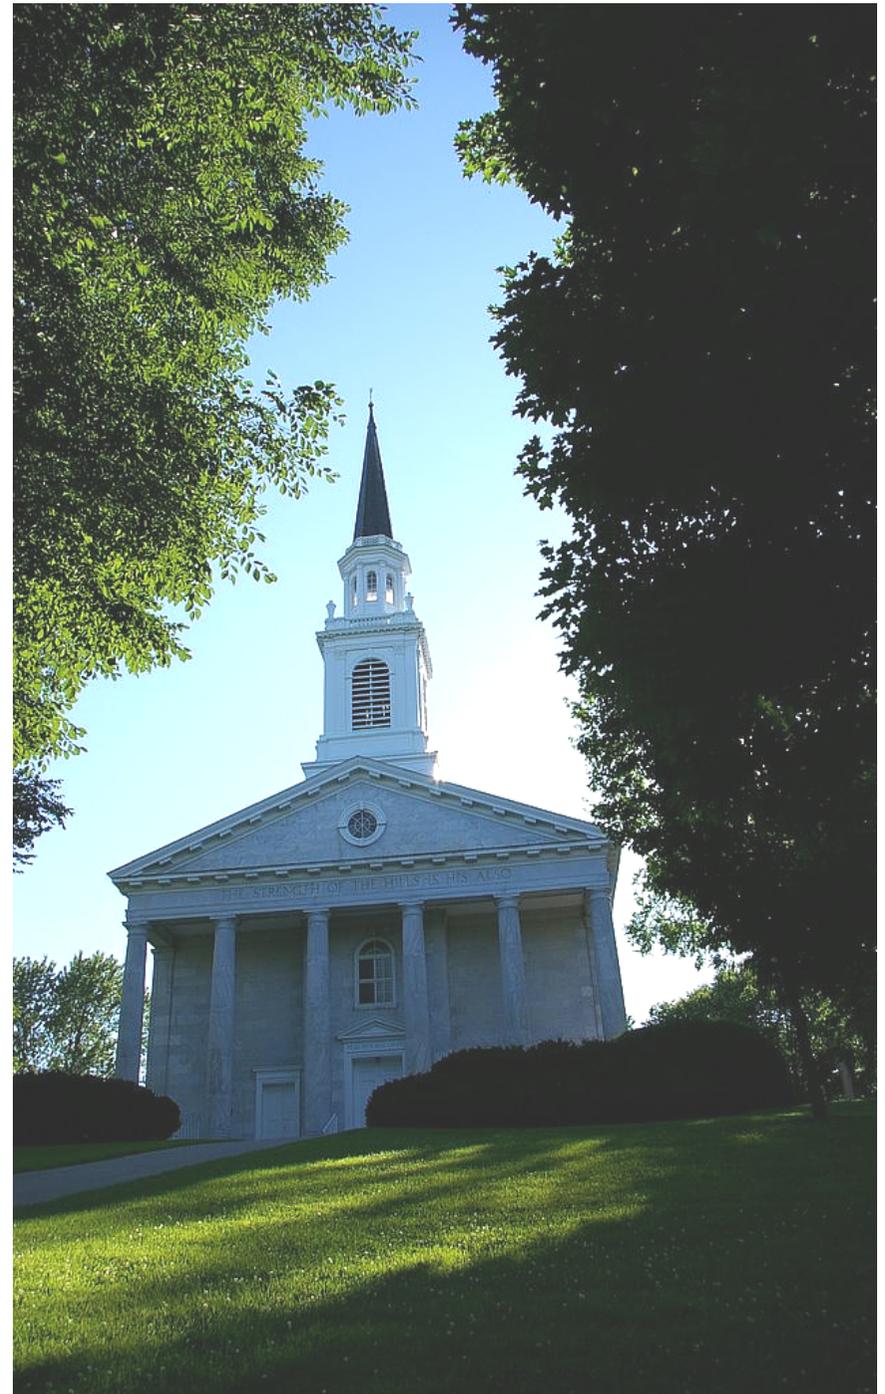

# VCET @ MIDDLEBURY

---

We teach:  
Middlebury Entrepreneurs: a month long crash course introduction to the Lean Startup philosophy.

We advise:  
Midd Ventures; Middlebury's student entrepreneur group, & MiddChallenge; a bi-annual pitch competition for student business ideas.

# VCET @ CASTLETON

---

We advise: Castleton  
Entrepreneurs through office  
hours.

We consult for:  
The Vermont Young  
Professionals Summit:  
experience design for a day  
long summit dedicated to  
supporting and celebrating  
young professionals in  
Vermont. .

# VCET @ BENNINGTON

---

We mentor: Through student and faculty office hours at Lightning Jar.

We consult: The Lightning Jar group on developing a co-working space and community in downtown Bennington.

# VCET @ MARLBORO COLLEGE

---

We mentor: Through office hours at Marlboro.

We consult: The Co-workingplus group on developing a co-working space and community in downtown Brattleboro.
