

Draft Telemedicine Reimbursement Language

Health insurance plans shall provide the same reimbursement rate for services billed using equivalent Current Procedural Terminology codes and modifiers, subject to the terms of the health plan and provider contract, whether the service was provided via in-person contact between a health care provider and patient or via telemedicine. This requirement shall not apply: (a) when services provided by a health insurance plan contracting with a third party telemedicine vendor to provide the health care services; or (b) or when health insurance plans and facilities contract with a third party telemedicine vendor to provide support for telemedicine services.
