Subject: Pole Data Harvesting

Hello Senator –

I just learned that the Guidehouse consultants have concluded that the pole harvesting proposal would not be eligible for CARES Act funding. Happy to discuss if you need more detail.

I just finished reviewing the YouTube footage of this afternoon's SenFin testimony and discussion. The Department would be glad to come in and speak to some of the questions if that would still be helpful to the committee, given the Guidehouse determination. Just let me know. Best, JET
