AARP Funding Opportunities

The Challenge Is *On!*

AARP Community Challenge funds community-based "quick-action" projects related to housing, transportation, smart cities and public spaces. The goal is to spark change and build momentum to improve livability for people of all ages. **Deadline April 17, 2019**

Placemaking Demonstration Grants

This is your chance to "start small" by test-driving a process or material in your community with the expectation that the 'test drive' will be further improved upon and refined over time to progress permanent change. **Deadline April 12, 2019**

Burlington Livable Community Action Grants

As a way to encourage and support grassroots action to make Burlington more livable, AARP provides modest funding and technical support to community groups or individuals. The initiative is part of the Livable BTV, an AARP Vermont initiative. **Deadline September 27, 2019**
