David, attached please find records in response to your public records act request. Apologies if this appears in a strange format, please let me know if you can't open this. You should be able to open it as a PDF (I have been having trouble with this document this afternoon, and do not have the person who usually helps me with these sorts of things here today. Fortunately, she will be back tomorrow!)

The only information redacted is some personal contact information in places (eg cell phone numbers) pursuant to 1 VSA 317(c) (7). If you feel that any information has been withheld in error, you may appeal to Elizabeth Miller at [Elizabeth.Miller@state.vt.us](mailto:Elizabeth.Miller@state.vt.us).

If you have any questions, just let me know.  
Thanks,  
Sarah

**Subject:** Request for records

David, I understand you are interested in public records "regarding the request from the US Department of Health and Human Services for Vermont to investigate facilities to be used for immigration services" and that your request includes "any communications with employees from Vermont cities and organizations that were contacted to assist with the request." Earlier today you directed a public records act request for these records to Secretary Jeb Spaulding.

As we discussed today, your request is best addressed to the Governor's Deputy Chief of Staff, Susan Allen, who is currently out of the office until next Tuesday. I will meet with Sue Allen on Tuesday when she returns and we will further respond to your request at that time. If you have any concerns, please let me know.

Thanks very much,  
Sarah
