**Subject:** Follow up from call with PCG

Hey Jess –

I talked with Jamie Kilpatrick and Pam Burke from PCG today to prep for their call-in to the Commission meeting tomorrow. A couple of follow-up questions/tasks we need from you:

- a) They would like the agendas and minutes from past meetings that are not yet on the website (those between October and March).
- b) There was an Economic Impact Study from 2002 that they would like access to. Do you know what that is/who “owns” it/how we could get it to them?
- c) I think it would be wise to have you get on a call with them when you are back – just to give them a better more-nuanced sense of the Commission and their work thus far.
- d) I’m going to try to get the Commission to commit to a kick-off meeting with PCG either June 2 or June 8 (though preferably June 2).

That’s it – hope all is well – just wanted to get this off while it was on my mind.

Thanks,

~Jessica
