**Subject: Public Records Request -- OneCare**

June 8, 2016,

Dear Scott Coriell (Deputy Chief of Staff for Gov. Peter Shumlin) and Sarah London (General Counsel for Gov. Peter Shumlin):

Pursuant to Vermont's Public Records Act, I am seeking copies of responses to previous public records requests regarding OneCare.

Specifically, if the governor's office has received any previous requests regarding OneCare (an accountable care organization owned by UVM Medical Center and Dartmouth-Hitchcock Medical Center) from any party, I would like a copy of the response that the previous party received.

Because this request is in the public interest, and because the responses to the requests have already been written, I request that you waive any fees for filling it. If fees are assessed, please notify me before proceeding. If, after that conversation, fees are charged, please provide a detailed receipt explaining the purpose of each fee charged.

If some of this material will take longer to provide than other portions, please provide any segments of the requested information as soon as it is available. If this information is available in electronic format, please provide it in that manner. If any or all of the information can be provided by email, please do so.

Please let me know if you have any questions about this request. I would appreciate receiving those questions by today via email. I trust you will respond to my request for the records within the timeframe set out in the Public Records Act.

Should you deny access to any of the records I am requesting, please provide me with a list of those records (“Vaughn index”) indicating the specific exemption that applies to each record or portion of the record being withheld. If a record has a portion that is exempt from disclosure, the law [1 VSA 318 (e)] requires that only the exempt portion be redacted, and that a copy of the rest of the document be released, together with a notation of the specific exemption that applies to the portion withheld. In that event, please also indicate the name and title of the person responsible for the denial and, as the law requires, please inform me of the appeal procedures available to me, and the name of the person to whom appeal may be made.

Thank you for your assistance.

--
