

Front Cover Photograph: The Sims Hill School opened around 1890. It was located just below and across the road from the A-framed home that is now near the top of Sims Hill. After the school closed in the 1930's, the building was used as a storage shed for the town's road maintenance equipment. Later the building was sold to Ralph Jenkins and moved to its present site on upper Sims Hill Road. (Photo Courtesy Gerald Gray)
