Dear John:

Thank you for taking the time to contact my office. I appreciate your kind words and thoughtful note of support.

Covid has laid everything bare and we cannot go back, we must go forward. First and foremost I am a Vermonter, and people must come before politics if we're to succeed in the work of recovering stronger from this pandemic. I look forward to continuing to work with my colleagues in the House and Senate, as well as the Scott administration.

I hope you will not hesitate to contact my office again.

Wishing you good health as we work together to ensure we recover stronger from this pandemic.

Sincerely,

Molly that was an excellent speech this morning. You are off to a good start. I'm sorry I couldn't be there in person and would have enjoyed seeing Judge Hall as well. Your uncle Bill would have been so proud of you! I know your list of priorities is different from Scott Milne's, and you won the election, but I'd encourage you to study Scott's excellent list of proposals he outlined last fall to see which you could support. The list is probably still on line.
