Hi Andy,

I am with the Legislative Council and Ann Cummings has asked that I put the Step Up language from the Governor's proposal into a draft Senate Education Committee bill. I have done that, but the versions I have seen of the Governor's bill are incomplete—they introduce subsection (f) on tuition and funding, but that section is not complete. Would you please send me a complete version ASAP? The Committee would like to see this at 2:30 today. Thanks.
