

Hi Sarita,

Thank you again for reaching out to me about this bill [S.115]. I am very much in favor of this for a number of reasons. I believe the proposed working group consists of a variety of librarians, representing all aspects of Vermont libraries. It appears that possible results of the research would be updated state standards, possible state funding, and a statewide system of lending, to name a few. These are goals I have for the state, and hope very much to have the opportunity to work toward their fruition.

I hope this helps. Please do not hesitate to reach out if you have specific questions about the bill. Again, thank you for inviting my input.
