Evan, we three can talk tomorrow but we are not ok with the current draft preference for storage with friends and family members of the defendant. And, requiring those doing the storage to now perform service by sheriff before any sale can occur is a significant new cost that will now need to be built in to the fee. We all want to get this done too. Talk to you tomorrow.

I have been working a calculator, going over numbers, on and off since this afternoon.

Sears and Benning draft terms, and the fees of \$4 a week per firearm, the \$25 fee and a cap total (\$4.00 fee) of \$2,000.00 for each 365 day period. Let's get this done.
