

**OFFICE OF THE LIEUTENANT GOVERNOR**

Vermont State House  
115 State Street  
Montpelier, VT 05602

April 1, 2021

Dear Cait:

Thank you for taking the time to contact my office. I appreciate you sharing your valid concerns with regards the vaccination of Vermont's service industry workers from COVID-19.

I agree with you that our restaurant and service workers are essential parts of our communities and economy, and they deserve our unwavering support. As a former bartender, I can also appreciate how unpredictable and hard the work can be.

As the Lieutenant Governor, I do not have a direct role in the vaccination response plans. However, I do meet with the Governor regularly, and I will keep your concerns top of mind as priority groups are discussed.

I also urge you to continue visiting the [Department of Health](#)'s website for the latest information on the distribution of vaccines.

Thank you again for taking the time to share your concerns. I am deeply committed to elevating the voices of Vermonters, and I hope you will not hesitate to contact my office again.

I wish you good health as we work together to ensure Vermont recovers stronger from this pandemic.

Sincerely,
