Sorry wrote this list too fast and accidentally left you off. Also I left VM for Keith on DLS and reiterated need for med marij patient #.

FYI on DLS data. Speech language more than checks out. There are, according to VSC website, just over 12,000 students enrolled in VSC and that involves double counting students who are enrolled in more than one school. Fulltime students are more like 8,000. Meanwhile, our DLS numbers are below – including numbers of Vermonters as opposed to all drivers. FAF is failure to pay fine.

Sarah, as indicated we used a VT mailing address on file as the determining factor for Vermonters.

>The number of unique people currently under suspension.

121280

>The number of unique Vermonters under suspension.

56036

>The total number of unique people under suspension for FAF.

59286

>The total number of unique Vermonters under suspension for FAF.
