Sue and Barbara,

Thanks for chatting with us earlier today about next week's hearing before the Senate Judiciary Committee. The hearing was officially noticed today, and will be held next Wednesday at 10:00 am here in Washington, D.C. The notice is pasted below:

### **NOTICE OF COMMITTEE HEARING**

The Senate Committee on the Judiciary has scheduled a hearing entitled “**Attacking America’s Epidemic of Heroin and Prescription Drug Abuse**” for Wednesday, January 27, at 10:00 a.m., in Room 226 of the Dirksen Senate Office Building.

By order of the Chairman.

The full witness list has not yet been finalized, but as soon as we have that we will send it along to you. As we discussed on the phone call, it will be very helpful if we could see a draft of Governor Shumlin’s testimony sometime Monday – to give us a chance to provide some feedback in advance of the Tuesday 10:00 am deadline for submission.

As promised, here is some background information about the two bills we discussed on the call:

- Senator Shaheen’s bill to provide additional appropriations funding to address the opioid abuse epidemic can be found [at this link](#). Also attached is a summary of the bill.
- The Comprehensive Addiction and Recovery Act can be found [at this link](#). A one-page summary of the bill and a more detailed section-by-section analysis are attached.

Note: Senator Leahy is a cosponsor of both of these bills.

And in case it is helpful, I also wanted to pass along a link to materials for a Senate Drug Caucus hearing held in May 2014 that touched on some of the same issues that will be discussed next week: [“America’s Addiction to Opioids: Heroin and Prescription Drug Abuse”](#). ONDCP Director Boticelli and representatives from the DEA, SAMHSA, and NIDA all testified at this hearing.

Please do not hesitate to email or call if you have any questions. My contact information is below. Thanks again for your help, and we look forward to seeing Governor Shumlin down here next week.

Best regards,

Chan

Ok—one misfire with Barbara’s email. Now I think we have an accurate chain.

Sue and Barbara—

Senator Leahy is really looking forward to having Governor Shumlin testify next week.

So everyone has email contacts, I have copied the DC staff who were on the call this afternoon as well as John Tracy and Diane Derby from our Vermont staff so they are in the loop with any questions/topic discussions from here on.

See you next week.
