Re: Follow-up
Date: February 13, 2015

During the testimony provided by Craig Jones on the Blueprint for Health community oriented system of care and proposed payment changes, Representative Donahue asked for clarification on the total program investment made by DVHA; specifically including the cost of the Blueprint central office and grants to communities. The DVHA Blueprint appropriation for staffing, grants to the health services areas, and contracts for practice facilitators, analytics and other activities related to base operations was **\$5,597,880 for SFY 14**.

This table shows the insurer payments made directly to the medical homes and for the community health teams including the DVHA appropriation for base Blueprint operations.
