4. New Business

- A. Dr. Gerard Stratthaus sent the Board an e-mail regarding setting up a Mobile Dental Unit. Chloe Budnick spoke to the Board regarding this. The Board explained that it is up to the dentist to decide if they can provide dental services and meet the acceptable standards of practice within the profession.
- B. Bernadette Johnson, RDH, wrote the Board requesting continuing education credits for attending large dental conventions. Specifically, attendance credits. The Board stated that attendance credits do not meet the requirements and cannot be used for continuing education credits.
- C. Alicia Willette e-mailed the Board stating their office just purchased a diode laser and was trying to determine if hygienists are able to use the laser for treatment of periodontal pockets and other minor procedures that do not involve permanently altering any dental tissues. The Board refers her to Section 129 (a) (13) of the statutes.
- D. Dr. Derek Cimler applied for licensure on the basis of PGY. He has not yet been licensed for 5 years. Once he is he is eligible for licensure. He would at this time need to submit to the Board a letter stating that he has been in active practice full time of at least 1,200 hour per year for a minimum of five years. He will also be required to have official verification of licensure resubmitted at this time.

5. The Board adjourned at 4:00 p.m.

Respectfully submitted by:  
Diane Lafaille, Licensing Board Specialist
