Hi Jim,

I have been acting as the State liaison for the upcoming 2013 Air show taking place on the BTV waterfront.

Below are the details for the last contributions to the Air show dating back to 06. The VT National Guard Charitable Foundation has approached me this year and requested \$75K from the State. GPS will be at a press conference for the show later this month and I was hoping to coordinate with you regarding what, if anything the state can contribute to this event. The Foundation is hoping to have an answer from us in time for the press conference. From what we can see ACCD was the only state agency to contribute during the last event with a total of \$22,500.

Let me know how you would like to proceed. As the Governor is the presiding chair of the 2013 Air show I wanted to make sure that I kept Alex in the loop.

Many thanks,

Steve
