**Subject:** submission of EO

Hi Sarah,

I read 3 VSA 2002 and the underlying executive order and spoke to the people cc'd on this email. I would suggest the following procedure:

1. Issue this exec. order like you would any other exec. order. Demis in my office receives all exec. orders via email. Once she receives this one I will forward it to all the members of the general assembly.
2. I suggest you also separately email and/or send a hard copy of the order to the House Clerk, Senate Secretary, Speaker, and President Pro Temp. In this way every office, and every member, will be aware of the E.O.

Hopes this helps, please let me know if you need anything else.
