Bethel Revitalization Initiative (BRI)

BRI continues to work toward its goal of creatively revitalizing our town's business, social, cultural, and aesthetic assets. In March 2020, BRI kicks off Bethel University's seventh amazing year! But we couldn't do BU or anything else without committed community volunteers.

We invite you to share your dreams, skills, and energies in making Bethel even more spectacular. If you're not quite ready to dive in, join us at one of our regular meetings to learn more or help out with one of our current projects. Meetings are on the second Tuesday of every month at 6:30 pm at the Arnold Block. Find us on Facebook and Instagram or go to bri-vt.org or bu-vt.org for more information.

TOWN OF BETHEL ANNUAL MEETING
MARCH 5, 2019

Pursuant to the warning recorded on the previous pages, the Town of Bethel Annual Meeting was held on March 5, 2019 at the White River Unified Middle School, Bethel Campus, Gymnasium. The meeting was called to order by Moderator, Eric Benson at 10:00 am. The Pledge of Allegiance was given.

Before the meeting started coffee, pies and other baked goodies were enjoyed by all under the direction of Jean Burnham.

Announcements were then made and our District Representative, Sandra Haas, spoke about bills that are coming and going in Montpelier and the impact it could have on towns. Some of those items were child care subsidy, amendments to the VT Constitution about terms for governor, representative and senators, also the VT Rights to Privacy.

Rick mentioned that there was Australian Ballot voting for the School Directors being held in the Elementary lobby, that the school budget passed the previous night and noted that on pg. 10 of the Town Report is an article about VT Alert and having people sign up for it.

He went over Roberts Rules and also thanked Seth Stoddard for the audio system work.

Art. 10 Voted the sum of \$2,399,888 to defray Highway and General expenses for the 12-month interval commencing July 1, 2019. Motion made by Yaroslav Stanchak and seconded by Adam Sappern.

Before the article was voted on, Selectboard member, Chris Jarvis explained what some of the changes in the budget were for the coming year. Some of these include insurance, road materials, public works expenses now in house, as it was hired out previous years and for necessary equipment for the fire department, to keep them compliant with regulations for gear and services

Chris also recognized Town Finance Administrator, Therese Kirby, and Town Manager, Greg Maggard, for their work on collecting delinquent water/sewer accounts and delinquent taxes. Noted that a tax sale was set to occur shortly after town meeting. Much work has been done to collect the money owed the town. Chris also noted that we have a 3-year contract with an audit company.

Chris also noted that this budget includes funds to establish a number of reserve funds, such as Conservation, Capital Road, Capital Reappraisal and Capital Cruiser. This will ensure the town has funds available when the need arises for such purchases or repairs. He noted that changes occur and we never really know when or how much they will be. Chris explained that by setting up the funds it allows the money to move from year to year, it does not need to be spent in the budget year voted on.

Tepin Delaney asked about funds going for those exact things and not using it for something else. Chris answered that if there were a need to do any change in spending it would be brought back to the voters before used for any other purpose.

Yaroslav Stanchak thanked Chris for the explanation of the budget and that these additional articles do not add to the budget, but that the budget actually includes the funds being requested.

Davis Dimock asked that the board consider creating funds for town offices and town garage. Both buildings are in need of repair/replacement. Possibly put it in the budget for the 2020-21 year. Chris noted that a goal of the board is to get a footprint together and get it to the public for comment.

Explanation was also held about the retirement of the Irene debt of \$1.4 million. It is a 25 year loan. Adam Sappern asked for more clarification. Therese Kirby explained it is a fixed rate of 3% for 10 years with Mascoma Bank and the remaining years will be negotiated.

Katie O'Neal wanted to hear what was happening with the Energy Commission. Jose Lazo, Chair of the commission, explained what they are doing. They are planning to do a study with Bethel residents about energy savings.

Eric Benson called the vote and restated the article, passed by a voice vote.

Art. 11 Motion was made by Yaroslav Stanchak and seconded by Mark Heckman for the town to establish a reserve fund to be called the Conservation Fund in the amount of \$2,500, for the purpose of land acquisition, conservation easements and/or interests in property that achieve the Bethel Town Plan's conservation objectives, pursuant to 24 V.S.A. §2804. Ferrin Griffin gave an overview of what the commission has been doing this past year and what their future plans were. Other speakers for the conservation committee were Katie O'Neal and Jennifer Scott. Joanne Wood expressed how impressed she was with the committee's professionalism and their work. Lucien Hinkle called the question, passed by voice vote.

Art. 12 Motion was made by Yaroslav Stanchak and seconded by Stanley Capron for the town to establish a reserve fund to be called the Capital Road fund in the amount of \$132,775, to be used for the creation and maintenance of Bethel roads, pursuant to 24 V.S.A. §2804. Chris explained this money will help with upkeep of culverts, roads, and vehicle maintenance/replacement. Passed by a voice vote.

Art. 13 Motion was made by Carl Russell and seconded by Yaroslav Stanchak for the town to establish a reserve fund to be called the Capital Cruiser fund in the amount of \$5,000, to be used for the purchase, maintenance and equipment for the cruiser, pursuant to 24 V.S.A. §2804. Passed by voice vote.

Art. 14 Motion was made by Louise Ferris-Burn and seconded by James Gray for the town to expand the existing Capital Reappraisal Fund in the amount of \$5,000. Louise spoke that the last town wide appraisal cost approximately \$200,000. It is very close to having to be done again. This amount will help with the cost of that appraisal. Passed by voice vote.

Art. 15 Voted to appropriate the sum of \$24,650 for the support of the Human Services Agencies as listed on the warning. Paul Vallee spoke about the process and thanked the committee members.

Motion was made by Mary Floyd and seconded by Susie Fedak. Passed by voice vote.

Art. 16 Voted to appropriate the sum of \$135,943 to continue service provided by the White River Valley Ambulance, Inc.

Motion was made by Yaroslav Stanchak and seconded by Stanley Capron. Passed by voice vote.

Art. 17 Voted to collect Town Taxes and Town School District Taxes in 4 equal installments being due on Aug. 15, 2019, Nov. 15, 2019, Feb. 15, 2020 and May 15, 2020.

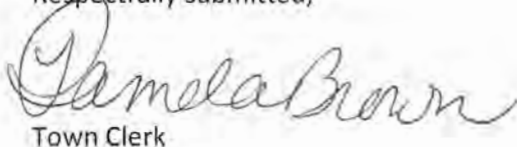

Motion made by Yaroslav Stanchak and seconded by Davis Dimock. Passed by a voice vote.

Art. 16 Other business

Rick mentioned there are many openings on town committees. It is critical that we have public input on matters and these committees play an important role. There is a table in the hallway with a list of committees and sign-up sheets. Please think about signing up for a committee.

Meeting was adjourned at 12:15 pm.

Respectfully submitted,

Pamela Brown
Town Clerk

The Bethel Recreation Center has a new beautiful timber framed pavilion. The pavilion was built and raised to honor the memory of Scott Killian. Scott was a resident of Bethel that attended Whitcomb High school, coached youth soccer here, and so much more. People from the Timber Framers Guild, Building Heritage, and Bethel residents came together to raise the pavilion.

The pavilion was a community effort. Bethel resident Dan McCullough prepared the area, Building Heritage designed it, the Timber Framer's Guild cut it and the roof was completed by Savelberg Construction owned by Bethel residents Chuck and Michelle Washburn.

An Ice-Skating Rink was also put up at the Recreation Center. Chuck and Michelle Washburn built the rink. Bethel Volunteer Fire Department and other volunteers helped fill it.

Select Board Year in Review 2019

The spring of 2019 presented the Town of Bethel with multiple challenges. A powerful rain storm, accompanied by the spring thaw, produced flood conditions throughout the town. Over one million dollars in damaged infrastructure resulted. During this same time period the Town Manager gave his notice and stepped down two weeks later.

Therese Kirby was appointed interim Town Manager while a Town Manager Search Committee was formed. The Town Manager Search Committee was made up of eight individuals, which included five Select Board members and three Bethel citizens. The process for selecting a new Town Manager took just over four months to complete. Therese Kirby was officially hired as our new Town Manager in September.

Multiple roads, bridges, and culverts were either destroyed or severely damaged during the Spring flood. The Town performed over one million dollars' worth of repairs and upgrades to these roads and structures throughout the spring, summer, and fall months. This work was performed by the Bethel Town Highway Department, FEMA bid projects through contractors, and a Federal Highway bid project.

The Water Department, Town Office, and Select Board were able to complete the Water Master Plan. The Water Master Plan was then engineered and the project went to the voters in November. In 2020 the Main Street project, adjacent streets, and holding towers will be put out for bid and constructed. These projects will fulfill a large majority of our licensing responsibilities with the State of Vermont Drinking Water Division.

The Fire Department was successful in receiving a grant for over \$100,000 worth of new Self-Contained Breathing Apparatus (SCBA)). Matching grant money was added into the approved 2019-20 budget which was discussed at last year's Town Meeting.

The Town of Bethel hired Oscar Gardner as the new Constable.

A new Garbage Ordinance, to be voted on at this year's Town Meeting, was drafted after dozens of concerns were expressed in the spring over excessive trash not being properly disposed of throughout several properties in town.

The Select Board, in partnership with the Town Manager and Department Heads, continue to work hard on cost effective, efficient budgets.

The Select Board will continue to work on future projects for the Town of Bethel in 2020, and at the same time manage the current budget efficiently.

In closing, the members of the Select Board wish to thank other elected officials, the hard-working Town personnel, as well as the many citizen volunteers who serve on the various Town Boards and committees. It is through the efforts of all these dedicated individuals, working as a team in the interest of the Town, that makes Bethel such a great place to live and work. Your efforts are recognized and greatly appreciated.

Town Manager's Office

2019 was a busy year for the Town of Bethel. In April of 2019 we were hit hard by the "rain event" causing over a million dollars in damage to our roads. The Road Crew and several local contractors immediately started putting roads back together so residents, stranded by the damage, could access Town roads. It was a difficult time for everyone and we appreciate the patience of residents as well as the kindness neighbors showed to neighbors, by checking on them and helping out when needed. I know some residents were frustrated by the delay between the flooding in April, the contracts being awarded, and work starting on the permanent repairs. All of the contracts were completed by October of 2019. Stone lined ditches were put in place, culverts upsized, culverts flushed and a temporary bridge placed at the Pinello's on Gilead Road. I would personally like to thank Chris Bump, Mike Blakeslee and Ryan Slack of the State of Vermont District 4 Transportation Agency. The assistance and advice they provided to me was invaluable.

During the summer of 2019, I hope you were all able to attend at least one of the Pool Director Dietre Feeney's spectacular Family Fun Nights. She will be continuing these themed nights over the winter and on into the summer. With the help of many volunteers, there has been a temporary ice-skating rink installed at the park. The winter has been a bit finicky on giving us ice making weather, but we hope that changes and many families can enjoy it. 2020 is shaping up to be an exciting time at the Recreation Area. The Recreation Committee is hoping to start construction on the skate park in the spring.

In November, the 2.8-million-dollar bond vote passed allowing us to move forward with the waterline infrastructure update. Utility Director Tim Mills has been working closely with Aldrich & Elliott to put the finishing touches on the plans. The project will go out to bid soon and start construction in the spring of 2020. This is just one phase spelled out in our Water Master Plan. We appreciate the support of the voters and are looking forward to completing this project in our continued efforts of bringing high quality water to the residents of Bethel.

Just a few of the items we are working on now are updating our Highway Access Policy, Class 4 Road Policy, Personnel Policy, Policy to work in the Town's Right of Way, starting the process on designing and building a new Town Garage, insulating and upgrading the electrical system at the Town Office, finding residents willing to serve on Town committees, creating a master plan for road maintenance, continuing to search and apply for grant money to offset costs and continuing to collect delinquent taxes and utility charges.

In June of 2019 came the resignation of Town Manager Greg Maggard. I became the Interim Town Manager in June and was hired as the permanent Town Manager in September of 2019. I am very excited to serve this wonderful Town and appreciate the support and kindness that have been extended to me. I would like to take this opportunity to thank the Town staff for their support, and the Selectboard and the hiring committee for their confidence in me. If you have any questions, concerns or compliments for the staff, please email me at betheltownfinance@comcast.net or call the office at 234-9340.

Respectfully,

Therese Kirby

Fire Chief's Report

During this past year, Bethel Firefighters responded to more than 79 calls for service. Those calls range from vehicle accidents on the Interstate, swift water rescues, to carbon monoxide detectors going off, lift assists with White River Valley Ambulance, and structure fires. This variation in call types requires firefighters to be trained in all aspects of firefighting, and have the ability to work well with community members.

Members of the Bethel Fire Department work hard to serve and protect their community. Not only do we fight fires, but we manage three fundraising activities each year; a coin drop, chicken barbeque, and softball tournament. This money is used to purchase equipment and fulfill other needs within the department so we are not solely dependent on tax dollars to meet our needs. This fall we plan to host grades pre-K through sixth for a class on fire prevention. The State of Vermont provides the fire trailer as a teaching tool, where we teach children about fire safety, fire prevention, and creating a plan with their families in case of a fire.

In last year's report, we mentioned we had applied for the Assistance to Firefighters Grant to purchase 20 new self-contained breathing apparatus (SCBA), 40 air bottles (so every pack has two), 25 air masks with 19 of them having "team talk" so firefighters can communicate via Bluetooth with each other, and the fire command, while on a fire scene. We were lucky enough to be awarded \$124,285.71 towards the purchase. This would not have been possible without the grant writing skills of our Assistant Chief Geary Coogler. We are applying again in the next grant round for a compressor and fill station, which will allow us to fill the air bottles at any fire scene. If awarded, this will be another \$100,000 in equipment for the Department. We also applied for and were awarded \$12,350 from the State of Vermont's Department of Public Safety for much needed swift water rescue equipment.

I would like to take this opportunity to thank Bethel residents for their support. You cannot imagine how good it makes us feel to have a resident stop by and offer a kind word of support after returning to the station from a late night call or two. Feel free to stop by the Fire Station whenever we are there. We are always happy to give a tour of the station or answer any questions you may have.

Thank you to all of the Department members. I appreciate your dedication and the amount of time you commit to training, meetings and fire calls. I would be remiss if I did not recognize the contribution fire fighter's families make in our success. Without their shared dedication to a community we love, we would not be successful.

Sincerely,

David Aldrighetti
Fire Chief
Bethel Fire Department

Chief Constable – Sergeant Oscar J. Gardner

Residents of Bethel,

I am honored, and continue to be greatly appreciative of my opportunity to serve the community of Bethel. Since becoming Bethel's Constable, I've also accepted a full time Patrol Officer position with the Royalton Police Department. I feel confident in being able to serve both communities.

My efforts in Bethel have been two-fold:

1.) Being more visible within the entire Town of Bethel by making frequent contacts with motorists traveling through the town, and being involved within the community by conducting foot patrols, property checks, and answering civil and criminal complaints as I receive them from the Vermont State Police Royalton Dispatch.

2.) Being more involved with children in our schools through various means. First, I volunteered to chaperone a trip to Boston with the middle school students. Second, we had a law enforcement shadow day where a panel of law enforcement officers from the Vermont State Police, Windsor County Sheriff's Department, Royalton Police Department, and Royalton and Bethel Constables performed a mock investigation for students who had expressed interest in careers in law enforcement. This activity was in lieu of a ride-along with police officers due to many reasons. And finally, prior to school starting I asked the elementary school art teacher, Ms. Timmerman, to ask her students to design a patch concept for the Town of Bethel Constabulary.

The patch concept was finalized January 16, 2020, by the Town Manager and Town staff. Let me say, the biggest challenge of all was selecting the final concept from many wonderful submissions. We narrowed the entries down to two, and I'm glad to announce that artist Madelyn Gibson's patch was chosen. Thank you, Madelyn. The drawing will be digitally rendered.

I will continue to serve our communities, the state of Vermont, and our country with compassion and equality. You can call me any time at 802-342-4343, and as always if you have an emergency, CALL 911.

Sincerely,
Sergeant Oscar J. Gardner

HIGHWAY DEPARTMENT

2019 was a very productive year despite flooding in April that took most of our resources in the summer. We spent most of our time rebuilding roads, stone lining ditches, and doing culvert replacement. Thank you for your patience and understanding while we made the repairs necessary after the flooding. We are looking forward to another successful year. One of our goals in 2020 is to concentrate on bridge maintenance which will include decking, cleaning and painting.

The Highway Department currently has three year-round employees, and two seasonal employees. Back in the fall long time employee, Douglas Marshall Sr., retired.

Our employees strive to keep our roads safe and well maintained. Thank you for all of your continued support. Here's to another successful year.

Bethel Recreation Facility

What better place to spend your summer than at the Bethel Recreation Facility! It was yet another successful summer at the pool with 215 children taking public or private swim lessons, four summer camps enjoying open swim hours, two Teen Swims, and afternoon activities. We had 11 lifeguards on staff, six with Water Safety Instructor Training. New this year, patrons can rent the pool for private events during non-public hours. All rentals need to be arranged with Dietre Feeney, the Pool Director. Dietre ran the increasingly popular Family Fun Fridays again with themes ranging from Super Heroes Night, a Luau, and Vintage Car Show to a super fun Family Cook Off complete with three community members as judges, a VINS Raptor Encounter demonstration, and a Scuba Diving Demonstration in the pool with Bethel Fire Chief Dave Aldrighetti and Robert Tracy. The first Family Fun Night of the season highlighted the newly renovated woodland trail connecting the school and recreation facility, complete with a ribbon cutting ceremony. All season the summer program used the trail to bring children for swim lessons and open swim, keeping them off the busy highway. Other patrons enjoyed walks with their dog, and continue to now throughout the other seasons. The Rec Committee continues to assist as we can those working to develop and build future bike and hike trails up behind the Recreation Facility. Work continues to move forward with the skatepark, despite numerous setbacks, and we hope ground can be broke in the Spring as soon as the swing set can be moved to a new location on the property. Thanks to Chuck Washburn donating the materials and constructing the ice-skating rink, we can now offer pleasure skating and ice sports during the long winter months. A beautiful gazebo graces the property in memory of Scott Killian, and will be used in the future by skaters for a place to sit, rest, and warm up. Exciting things continue to happen at our facility as we strive to create a year-round facility, and an environment that can be enjoyed by all Bethel residents. We always welcome new people to join our committee which meets the first Wednesday of each month at 6:30pm at the Town Office.

Tim Mills Utility Director**

I would like to open this report by thanking the voters of Bethel that took the time to come out and support the Water Bond vote on November 5, 2019. With the final results of the vote being 250 yea and 4 nay, a clear message was sent by the community in support of this effort. The scope of the project will benefit the community as a whole for many years to come.

The Town of Bethel Drinking Water Department has again been very busy this past year. Along with water main repairs, we have been utilizing our time doing water line and water shut-off locations for mapping purposes. This information is being carried forward to our engineers as we design and prepare for the water system upgrade scheduled for this year. The Water Department continues to perform bi-annual inspections of all fire hydrants to identify and respond to any deficiencies or repairs that may need to be made. We are also in the third year of our fire hydrant replacement schedule of replacing two annually.

The Town of Bethel drinking water system continues to operate under a mandate by the State of Vermont Drinking Water Division to chlorinate our drinking water year-round. The water is produced from two gravel packed wells known respectively as the Boulevard Well and the Gaiko Well. Both wells continue to show great integrity with no major work necessary at this time. The Town of Bethel Water Department continues to strive to meet the water system improvements mandated by the State of Vermont Drinking Water Division. These initiatives are not wasted as we continue to reap the rewards of these efforts throughout the Drinking Water System. The communities patients and support are very much appreciated as we all work together to improve the valuable asset that the Water System is for the residents of Bethel.

Respectfully submitted:

Town of Bethel WWTP

The Town's Waste Water Treatment Plant was built in 1987; this year marking its' 32nd birthday. The plant continues to perform at an excellent level with no discharge violations reported to the Agency of Natural Resources this past year. The Wastewater Treatment Plant underwent our annual inspection this past summer. We are pleased to announce we received an "Excellent" grade on the Wastewater Treatment Plant Operations and Maintenance as a whole. While looking for cost savings and ease of operation for the future, we have begun the process of retrofitting our pump stations with materials that are more resistant to fatigue and wear from the less than glamorous conditions that they work under. The infrastructure in our Wastewater Collection System as a whole is in very good condition and should provide us with years of useful life as we continue these proactive initiatives. The modified equipment that we have in operation at this time continues to run smoothly with only occasional minor maintenance required. The plant continues to operate at approximately 50% design capacity with no major upgrades on the horizon.

BETHEL/ROYALTON SOLID WASTE PROGRAM

FISCAL YEAR ENDING JUNE 30, 2019

The towns of Bethel and Royalton jointly own a 22 acre parcel of land on Waterman Rd in Royalton which has been improved to provide facilities for aggregation and shipment of municipal solid waste, recyclables, and a variety of hazardous waste materials. The site also contains the now-closed landfill which served area towns from 1970 to 1993. By contractual agreement, other member towns also use the waste management program, these towns being Barnard, Stockbridge, Pittsfield, Rochester, Hancock and Granville.

Administration of the program has historically been managed by staff of the town of Bethel, under the direction and oversight of the Bethel and Royalton Select Boards. In August 2013, a new Inter-local Contract was approved and endorsed by the Bethel and Royalton Select Boards. This new agreement for administration of the solid waste program shifts management accountability and oversight from Bethel to the White River Alliance Board and the Alliance Manager.

In May 2016, the Vermont Department of Environmental Conservation approved the programs new "Solid Waste Implementation Plan" (SWIP) for purposes of managing solid waste and recyclables in accordance with the objectives of current local/state/national priorities. The SWIP has been formally adopted by the Select Boards of all 8 member towns. The new SWIP which begins July 1, 2020 is currently being developed and when approved will run through June 2025.

Our facility operates under a license (or "Certification") which is renewed every 10years. An application to renew was submitted to the Vermont Solid Waste Management Division in February 2014, and Approval was issued May 7, 2014. The certification is valid until March 31, 2024. The former Bethel/Royalton landfill is also "operated" under a certification, which was renewed for an additional 5 year term to end November 9, 2021. This certification provides for adequate monitoring of any residual effects stemming from the landfill use.

From July 1, 2018 to June 30, 2019 a total of 4,859.21 tons of solid waste was collected at the transfer station "tipping floor". This material was loaded into trailers for shipment to an in state lined landfill. Materials received for recycling totaled 910.53 tons. These materials were directed to various facilities for processing. Various special wastes are regularly collected in addition to the usual recyclables. These include paint, fluorescent bulbs, used motor oil, antifreeze, lead acid batteries and electronic waste. All fees vary depending on the material involved and the current expenses to the program for handling the materials.

Collection events for **Household Hazardous Wastes** were held in July and August 2019 at the Bethel Royalton Transfer Station and in June and October 2019 at the Rochester Town Hall Parking lot. A total of 190 families participated in the 4 events. These events provided a means for citizens of the member towns to safely dispose of materials, particularly those not normally taken at the facility such as pesticides, various cleaning compounds, acids, bases, contaminated fluids etc. The events are open to all member towns at no cost for up to 10 pounds or 10 gallons of material. Small quantities of materials generated by businesses are also acceptable at collection events, but a fee corresponding to program costs is assessed on business participants and an appointment must be made in advance. There will be 2 events in 2020. 1 at the Bethel Royalton Transfer Station in May and 1 in Rochester in August. This will allow access for those towns not located near the transfer station. The public is encouraged to inquire at the facility for exact dates and schedule.

We consider the solid waste program to be comprehensive in the services provided to the public, and the program staff is well trained to provide advice or assistance.

This facility is open to the public on Tuesdays, Thursdays and Fridays from 7am to 3pm and Saturdays 7am to 1pm. It is closed on Sunday, Monday and Wednesday.

TOWN OF BETHEL BUDGET Proposed FY 2020 Budget Summary

This year's proposed budget represents the Selectboard's continued efforts to create a budget which is based on historical actual expenses, as well as future economic indicators.

In April of 2019, the Town experienced another flood event, leaving us with over 1 million dollars in damage. The majority of the damage was done to gravel roads and took several months to repair. Thanks to several local contractors and the Road Crew, the emergency work was done and roads were opened within a few days of the initial storm. By fall of this year the contract work was complete, and with the assistance of the Bethel Fire Department, a lot of culverts were flushed. Campbrook Road is a Federal Highway; thus, we were able to be reimbursed for 100% of the work done to repair that damage. The other Town roads were eligible for aid from FEMA, thus leaving us with 12.5% of the damage to pay for. You will see a line item labeled "ERAF" under "materials" in the highway budget. This \$118,000 will pay our 12.5% on \$863,000 of damage. This does not include our share of the permanent Pinello Bridge or the Peavine Slide engineering and construction. That will be addressed in next year's budget.

The Public Works budget is up 10.7% over last year and that is due in part to the ERAF discussed above, engineering fees for the addition of storm drainage on Avon Drive and Livery Stable, increase in the diesel budget, outsourcing roadside mowing, ditching, and large tree removal. We also budgeted an additional \$10,000 for replacing fence at Fairview Cemetery and wall repair at Cherry Hill Cemetery. You will also note a decrease in the public works personnel budget, as we hired a seasonal employee instead of a year-round employee. The 2016 backhoe and 2017 International equipment loans were also paid off this year, so that money is now going into the Highway Equipment Capital Fund. We are also starting an Equipment Committee to have residents with heavy equipment experience recommend to the Selectboard what equipment to purchase and to assist with the long-range plan for equipment.

The Fire Department was successful with their application for the Assistance to Firefighter's Grant from FEMA for \$130,480. It will purchase 20 SCBA (self-contained breathing apparatus) units, masks, air bottles and pay for the first round of fit testing (each mask is specifically fit to each firefighter, to ensure their safety). This is a tremendous step forward for the Fire Department and the Town of Bethel. They have already applied for another large grant for a compressor and cascade system to fill air bottles. If successful, that will be another \$100,000 worth of equipment for fire fighters at a cost of only \$5,000 to Bethel residents. The 2012 Kenworth was also paid off this year, allowing that money to be deposited into the Capital Apparatus fund, to help with future purchases.

In the Constable's budget you will see an increase in insurance on equipment as that has not been properly allocated in the past, a new uniform line and an increase in cruiser repairs.

There was savings this year in the Municipal Office budget and the Town Hall budget, as the office staff downsized again, and we are managing the Town Hall via office staff. Total expenditures are up 3.94% over last year and the amount to be raised by taxes is a 2.77% increase over last year.

The Bethel Selectboard will be holding a Budget Informational Meeting on Monday, February 23, 2019 at 6 pm at the Town Hall.

There may not be an "I" in team, but there is a "U" in volunteer!

The Town of Bethel is looking for volunteers for the Planning Commission. If you are interested in what the future of Bethel looks like, business growth and property rights, the Planning Commission would love to meet you. Attend a meeting or two and see what they are working on. They meet the 3rd Wednesday of the month at the Town Office at 7:00 pm.

Pleasant Street 1918

The Great Outdoors is calling...why don't you answer?

The Town of Bethel is looking for volunteers for the Recreation Committee. If you are interested in swimming, skateboarding, tennis, hiking and more, the Recreation Committee needs you! They meet the 1st Thursday of the month at the Town Office at 6:00 pm. All are welcome.

Delinquent Tax Payments through January 15, 2020:

FY 2014	-988.36
FY 2015	-0-
FY 2016	-2,041.64
FY 2017	-2,453.11
FY 2018	-12,316.10
FY 2019	-40,383.76
Total Tax Collections	-\$58,182.97

Balance of Delinquent Taxes Receivable: \$121,267.69

Included in the delinquent balances are two properties that did not sell at the March 2019 tax sale. One of those properties has been abandoned and the other has started making monthly payments. The majority of the properties have payment arrangements in place. My plan is to hold another tax sale in the spring of 2020.

As of January 15, 2020, there are 85 properties that have not yet paid in full their August 15, 2019 and/or November 15, 2019, tax payments. That outstanding amount totals \$83,555.61. Those properties are not technically considered delinquent until May 15, 2020. The total outstanding taxes due the Town of Bethel as of January 15, 2020, is \$204,823.30, a reduction of 23.7% over last year at this time.

WHITE RIVER VALLEY

AMBULANCE, INC

Thank you, neighbors, for your continued support of White River Valley Ambulance. We are a non-profit, emergency medical service and ambulance transport agency serving the towns of Barnard, Bethel, Braintree, Brookfield, Granville, Hancock, Pittsfield, Randolph, Rochester and Stockbridge. We depend on billing income and the municipal contributions from your communities to provide quality emergency ambulance response in our region.

White River Valley Ambulance is designated as a Vermont Critical Care Paramedic service, the highest licensure level the state issues. This allows us to operate with an advanced skill set, which improves the outcome of our patients in our rural communities. White River Valley Ambulance maintains two Paramedic level staffed ambulances 24/7, 365 days a year. From January 1, 2019 through November 30, 2019 White River Valley Ambulance responded to 1,342 emergency calls and transfers.

Over the past year we have held an EMT and an AEMT class to help increase the number of qualified responders in our communities with First Response squads, and WRVA. We hosted school field trips throughout the year to show and explain how Emergency Medical Services operate. We have held numerous CPR and First Aid courses throughout the past year as well.

WHAT WE DO MAY INTEREST YOU

- We are a professional ambulance service, with 10 full-time employees and multiple part-time staff.
- We staff two Paramedic level ambulance crews 24/7, 365 days a year.
- We provide primary 911 ambulance service to 10 communities, covering an area over 500 square miles in size.
- We respond to more than 1,200 calls for help every year.
- We transport patients from Gifford Medical Center to other healthcare facilities each year, often providing Critical Care level transport services. We also provide Advanced Life Support transfer to other hospitals throughout the state.
- We are a regional American Heart Association Training Center, providing CPR and First Aid courses to community members across central Vermont.

In 2020, we will continue to push the boundaries of what is possible in rural, pre-hospital medicine by incorporating continuous quality improvement and excellence in education. We will continue to accept more transfers from other medical facilities throughout the state. This will maintain our call volume and help control the per capita rate, which will be \$60.00. This is a decrease from \$63.00 from 2019.

Let us enter 2020 by expressing how thankful we are for the numerous first responders, and fire departments who volunteer their time to help a neighbor in need. Your dedication and commitment to serve makes a difference in the lives of those who call for help. For that, we can never thank you enough.

Orange County Parent Child Center

802-685-2264 orangecountypcc.org

\$1000.00

The Orange County Parent Child Center Inc. (OCPCC) is a non-profit organization serving Orange and northern Windsor counties.

Our mission is to help families with young children build a sense of place within their communities by connecting them to education, support, advocacy and wellness opportunities. Since 1989, families and providers have come to know us and access us as their primary community resource for any topic or need related to children and families.

OCPCC's programs include: Children's Integrated Services Family Support and Family Support Nursing, Welcome Baby visits, six free community playgroups, Kids Place supervised visitation and exchanges, Reach Up case management, Families Learning Together program, Early Care & Education for children 6 weeks to 6 years, parent education, kinship care support groups, and resource & referral services. You can learn more at www.orangecountypcc.org.

Quin-Town Senior Center

802-767-3763 quintownsnrctr@myfairpoint.net

\$1200.00

The Quin-Town Senior Center is based in Hancock and since 1972 has given the senior citizens in our valley a place to go for onsite meals on Monday, Wednesday, and Friday at noon. We have supplied nearly 5,000 meals this past year to seniors at the center and through our Meals on Wheels program. Our doors are open to meet our seniors' needs. We create a warm and inviting atmosphere for our seniors to socialize. We serve local foods as much as possible, and we provide nutrition information and education. Our Meals on Wheels program not only provides healthy meals to seniors, it also provides us with an opportunity to perform a wellness check for our senior neighbors. Our budget request is to cover a portion of our operating budget that is not reimbursed by our contract with the Central Vermont Council on Aging. Therefore, each contributing town and their citizens help to run our program and provide quality meals and social enrichment for their aging neighbors and relatives within the six communities.

Safeline

800-639-7233 safelineinfo@safelinevt.org

\$1000.00

Safeline, Inc. is a 501(c)(3) non-profit organization that provides free and confidential services to victims of domestic violence, sexual assault and stalking in Orange County and Northern Windsor County. A trained advocate is always available to provide crisis support, safety planning, resources, information and referrals through Safeline's 24 hours a day/7 days a week Hotline (1-800-639-7233). Survivors can also choose from a wide array of additional services including legal advocacy, day shelter services, job readiness skills development, and financial management education. In addition to providing direct services, Safeline is a resource for the community at large and is committed to changing the culture of violence. As part of this work, Safeline offers a full range of prevention education for community organizations, schools, medical centers, faith communities, youth groups, and anyone who is seeking information about domestic violence, sexual assault and stalking.

VT Association for the blind

(800) 639-5861 ext. 219

\$800.00

The Vermont Association for the Blind and Visually Impaired's 2018 Fiscal Year was an exciting one. We served more clients than ever before and we launched our new iOS Training program for adult clients. It's clear to us at VABVI that our mission and services will continue to play a critical role in the lives of many Vermonters well into the future. We are working harder than ever to support anyone living in Vermont who is experiencing vision loss.

Visiting Nurse and Hospice for VT & NH

888-300-8853

\$6000.00

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is a compassionate, non-profit healthcare organization committed to providing the highest quality home health and hospice services to individuals and their families. VNH provides care for people of all ages and at all stages in life, and delivers care to all, regardless of ability to pay. Between July 1, 2016 and June 30, 2017 VNH made 2,206 homecare visits to 86 Bethel residents. This included approximately \$72,928 in unreimbursed care to Bethel residents. Bethel's annual appropriation to VNH helps to ensure that all have access to quality care when and where it is needed most. On behalf of the people we serve, we thank you for your continued support.

Vermont Center for Independent Living

800-639-1522 vcil.org

\$300.00

Since 1979, VCIL has been teaching people with significant disabilities how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees conduct public education, outreach, individual advocacy, and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

Windsor County Partners

802-674-5101 wcpartners.org

\$600.00

WCP is in its 5th decade of building healthier communities through youth mentoring. Mentored youth learn life skills, provide community service and participate in cultural and athletic activities. WCP creates partnerships where mentors are matched with a school – aged mentee. These mentoring partnerships then meet at least two hours a week. With many partnerships continuing on for years. Financial support from Windsor County helps ensure the wellbeing of children and their families. WCP thanks the voters of Bethel for their support for the children of Windsor County.

Health Care & Rehabilitation Services

(802) 886-4500

\$250.00

Health Care and Rehabilitation Services (HCRS) is a comprehensive community mental health provider serving residents of Windsor and Windham counties. HCRS assists and advocates for individuals, families, and children who are living with mental illness, developmental disabilities, and substance use disorders. HCRS provides these services through outpatient mental health services, alcohol and drug treatment program, community rehabilitation and treatment program, developmental services division, and alternatives and emergency services programs. During FY18, HCRS provided 570 hours of services to 16 residents of the Town of Bethel. The services provided included all of HCRS' programs resulting in a wide array of supports for the residents of Bethel.

American Red Cross

\$250.00

In the past year the American Red Cross has responded to 19 disaster incidents, assisting 49 of Windsor County. Mostly commonly, these incidents were home fires. Red Cross workers were on the scene to provide food, clothing, lodging, emotional support, and more of families during their hours of greatest need. Our teams also provide Mass Care to first responders. Things like food, water, and warm drinks strengthen the brave men and women of your local Fire and Police Departments as they answer the call to keep your residents safe.

Town Committee Summaries

Bethel Conservation Commission

Conservation members continued to work on preserving and protecting the natural, scenic and cultural resources of the town. Town forests and invasive species were frequent topics of discussion. We met with and gave input to the Planning Commission to promote conservation goals in their work on revising the Town Plan. A majority of our time successfully went to the continued effort to purchase and preserve the 10 acres of open space at 428 Pleasant Street, to accommodate the frequent flooding in that area. We are looking for community input on its future uses. Look for our display at Town Meeting.

Our present board consists of:

Mary Floyd, Ferron Griffin, Emily Miller, Jennifer Schomp, Mark Heckman, Lisa Campbell, Danny Dover, Chris Fors

Bethel Community Forward Festival Committee

The Bethel Community Forward Festival has become a truly community-centered and highly-anticipated event each fall. The festival was held in September, once again, on the Common, near the White Church. Many thanks to all of the community members who help to make this Festival so wonderful. Please visit the Community Forward Festival Committee section at www.townofbethelvt.com or look for us on Facebook.

Bethel Council on the Arts

The Bethel Council on the Arts (BCA) is pleased to report on another exciting season of concerts. The BCA provides weekly concerts on Wednesday nights during the months of July and August free of charge and open to the public. Our venue has become a popular gathering spot during the summer concerts and attendance is growing. This past season we brought back popular local bands including Bow Thayer, The Party Crashers, 4 Play and John Lackard. Special thanks to the generous residents of Bethel and especially the Bethel business community for continuing to support our summer concert series! You can check our schedule on the Town website <http://townofbethelvt.com/>

Town Meeting Committee

Bethel Town Meeting Committee worked to make town meeting accessible, understandable and fun. We organized donations of pie and exhibits by community groups at town meeting. We worked on editing and graphic design for the *Bethel Operator's Manual*.

BETHEL PLANNING COMMISSION

Traditionally, the Planning Commission was responsible for drafting three documents: (1) the Town Plan; (2) the Zoning Ordinance; and (3) Subdivision Regulations. During 2016, the Zoning Ordinance and Subdivision Regulations were consolidated into a single Unified Bylaw. The Commission gathers information, drafts language, holds hearings, and submits recommendations to the Selectboard. The Selectboard, in turn, takes these recommendations under consideration, holds additional hearings, and adopts or rejects the Commission's recommendations.

The Commission's primary focus during 2017 was to begin preparations for the next Town Plan update. This task involves completing a town-wide survey and making revisions to sections of the Town Plan in order to ensure that the Town Plan complies with regional and state guidelines and regulations. In 2018, the Planning Commission will complete a survey and edit the Town Plan as part of its regular review of the Plan.

The Planning Commission meets at 7:00 P.M. on the third Wednesday of each month at the Town Offices on South Main Street. All meetings are public. Residents are encouraged to attend and any input is welcomed.

Bethel Development Review Board

The Development Review Board is the Town entity which reviews major subdivisions, conditional use permits, variances, and site plan approvals. It is the responsibility of the Board to make sure that all applications adhere to the requirements of the Bethel Unified Bylaw and Town Plan. While most of the application reviews are fairly simple processes, they are time consuming. The Board strives to keep the process flowing smoothly and all applicants are encouraged to schedule an appointment to review their project with the Zoning Administrator to ensure all necessary information is submitted. The Board meets on the first and third Tuesdays of each month by appointment, as needed

Bethel Energy Committee

In 2019 The Bethel Energy Committee co-hosted Solarize Bethel Region and helped bring a total of 110KW of affordable solar power to 15 households in the area. The team hosted an Electric Vehicle Car Show at the Forward Festival during National Drive Electric Week and brought over a dozen EV's into downtown Bethel, giving free test rides to over 40 residents. The Electric Vehicle Charging Station research project will continue into 2020. Join the BEC for a meeting; 1st Wednesday of the month @ 6pm and/or follow the BEC on Facebook to stay in the loop on current projects and share your ideas!

Bethel Recreation Committee

The Bethel Recreation Committee acts on behalf of the citizens of Bethel and the Select Board. The committee's purpose is to improve and expand recreation opportunities in Bethel by supporting programs that are intended to enhance the wellbeing and quality of life. It has produced a Master Plan that targets a variety of activities and interests of the Bethel community.

Members of the committee are: Ele Griffin (Chairperson), Dietre Feeney, Thatcher Hinman, and Shane Kinsley.
